

Master Exhibit List in accordance with the Court's November 5, 2013 scheduling order.

The State Defendants have objected to discovery requests seeking data from the 2012-2013 school year as irrelevant, unduly burdensome, and outside the scope of this trial. In the event the Plaintiffs or Intervenor offer evidence of facts that precede the 2014-2015 biennium or 2013-2014 school year, or is otherwise unrelated to the changes made to the public school system by the 83rd Texas legislature and that evidence is admitted, the State Defendants have included in this exhibit list data that is intended to rebut any such evidence. Those exhibits are marked with an "R" in this list. Should the Court exclude Plaintiffs' or Intervenor's 2012-2013 evidence, the Defendants will withdraw those exhibits. By submitting these exhibits, the State Defendants do not waive their right to object to any other exhibits offered by other parties with similar data.

Finally, the State Defendants reserve the right to amend or supplement this list.
