

transcript as an exhibit, the Calhoun County ISD Plaintiffs' Objections to Deposition Designations for Second Phase of Trial are incorporated herein by reference. To the extent a party designated some or all of a deposition transcript as an exhibit but did not designate specific portions of the transcript in its deposition designations, the Calhoun County ISD Plaintiffs reserve the right to specifically object to any portion of the transcript when that party offers the transcript (in whole or in part) into evidence.

Some of the parties have included deposition exhibits on their trial exhibit lists, even though all deposition exhibits were also included on the Amended Master Deposition Exhibit List for Second Phase of Trial ("Master Deposition Exhibit List"). Deposition exhibits are listed and objected to only once in Exhibit A, even when the exhibit appears on multiple exhibit lists. Objections to a deposition exhibit are intended to apply to that exhibit in each instance in which it appears on an exhibit list.

To the extent any witness has designated exhibits that have already been admitted into evidence, the Calhoun County ISD Plaintiffs incorporate by reference herein all objections previously asserted to such exhibits.

The Calhoun County ISD Plaintiffs further object to the Charter Plaintiffs' (1) designation of unspecified exhibits to depositions conducted in connection with the first phase of trial and (2) request for the Court to take judicial notice of House Bill 885 and "all other legislation passed or considered and not passed by the 83rd Legislature," because such designations are beyond the scope of reopening.

Respectfully submitted,

HAYNES AND BOONE, LLP
