ORDER ON DEFENDANTS' SUPPLEMENTAL EXHIBITS

On this day, the Court considered the Defendants' Motion for Admission of Supplemental Exhibits (the "Motion"). Defendants filed the Motion on June 23, 2014, the same day this Court issued its Order denying Defendants' Motion to Recuse.

None of the plaintiffs have objected to the admissibility of these exhibits as part of the recusal record. The court confirms and rules that none of the parties waive any arguments regarding the sealing of exhibits, either by offering them or by not objecting to their admissibility. After due consideration, the Court rules that the supplemental exhibits should be admitted for purposes of completing the recusal record.

DP

It is therefore ORDERED that Defendants' Exhibits 56, 57, 58, and 59 are ADMITTED into the record regarding the Defendants' Motion to Recuse.

It is further ORDERED that these supplemental exhibits should be kept under seal and subject to paragraph five of this Court's June 23, 2014 Order denying Defendants' Motion to Recuse.

SIGNED this 17TH day of July, 2014.
