H. C. R. No. 3

Be it resolved by the House of Representatives of the State of Texas, the Senate concurring, that the two Houses meet in Joint Session on Monday, January 16, 1961, at 10:45 a.m., to canvass the votes cast for Governor and Lieutenant Governor at the last General Election.

The resolution was read and was adopted.

AUTHORIZING THE SPEAKER OF THE HOUSE AND APPOINTED MEMBERS TO ATTEND THE INAUGURAL CEREMONIES OF THE PRESIDENT AND VICE-PRESIDENT

Mr. Watson offered the following resolution:

H. S. R. No. 23

Whereas, On January 20, 1961, in the City of Washington, District of Columbia, the Honorable John F. Kennedy and a distinguished native son of Texas, the Honorable Lyndon Baines Johnson, will be inaugurated President and Vice-President respectively of the United States with fitting ceremonies; and

Whereas, It is highly fitting and appropriate that the House of Representatives of Texas have present representatives at said ceremonies; now, therefore, be it

Resolved, That the Speaker of the House of Representatives of the State is hereby authorized to attend the inaugural and also to appoint 5 Members of the House of Representatives to join him in representing the House of Representatives at said rites; and, be it further

Resolved, That the necessary expenses incurred by the Speaker and the appointed Representatives in performing these duties for the House of Representatives be paid by the Speaker and individual Members because of the critical condition of the General Revenue Fund.

The resolution was read and was adopted.

CONGRATULATING THE HONORABLE LYNDON B. JOHNSON

Mr. Watson offered the following resolution:

H. S. R. No. 25

Whereas, The House of Representatives of the State of Texas wishes to pay tribute to a magnificent Texan who brings international recognition to this beloved state on January 20, 1961, when he is inaugurated as Vice-President of these United States, the Honorable Senator Lyndon Baines Johnson; and

Whereas, This distinguished son of Texas, born in Stonewall on August 27, 1908, began his illustrious career with the greatest of all assets, the desire for knowledge and the willingness to earn it. His achievements correspond to this philosophy with which he relates to his fellow man. His willingness to give something in return for the knowledge desired has resulted in his tremendous usefulness to the world and has compelled the world to reward him in terms of his own choice; and

Whereas, After he graduated from the Blanco public schools and the Southwest Texas State Teachers College, San Marcos, Texas, and after he served the young people as a school teacher in Houston, he served in the 75th and 76th Congress and then as a United States Senator from 1949 until this historic date when he becomes Vice-President; and

Whereas, Senator Johnson was named Chairman of a very important Special Senate Space and Aeronautics Committee whose purpose was to review and make recommendations on
the internationally important space program; and

Whereas, Lyndon Baines Johnson has given to his country all of his heart and soul. His success in this personal goal began with a definite purpose. His great understanding and respect for the fundamentals of Americanism have been the forces that have given him the opportunity for success; and

Whereas, As a Congressman and as minority and majority leader of the Senate, Lyndon Baines Johnson has fought for the American form of government which was originally written into the Constitution of the United States and which provides the fullest measure of the right to individual liberty, freedom of thought, freedom of speech and freedom of worship; and

Whereas, Lyndon Baines Johnson's giant efforts in the Senate have insured above all the freedom of individual initiative that gives every citizen the privilege of choosing his own occupation and setting his own price upon his knowledge, skill and experience. No other man and no other country offer the people such an abundant choice of opportunities for marketing of their services; and

Whereas, This Texan, whose home is Johnson City in the beautiful hill country of the Lone Star State, is a pillar of Americanism in his national spirit of love for liberty and his defense for the privilege of self-determination, as expressed by our pioneers in industry and government. His national love of freedom of speech, thought and action is a distinguishing feature of his great leadership; and

Whereas, This great statesman's national sense of justice inspires him to stand for the protection of the weak as well as of the strong, and has never tolerated territorial annexation by conquest without adequate compensation; and

Whereas, Lyndon Baines Johnson's fight for these rights proves his belief that it is the duty of every loyal American to defend all these fundamentals of freedom in Americanism against all who endeavor to weaken or destroy this country. He seeks to protect the strong as well as the weak in his efforts to insure that free speech does not carry a license to libel respectable men for their success, because he feels that since the beginning of civilization wealth has found its way into the hands of men who think accurately, men with definiteness of purpose, men with keenness of imagination and the initiative to translate imagination into useful service. It is this Lyndon Baines Johnson philosophy that asserts that the very best method of distributing wealth is that of distributing principles of achievement by which wealth is procured; and

Whereas, The Honorable President-Elect, John Fitzgerald Kennedy, chose Vice-President-Elect Lyndon Baines Johnson, recognizing that the greatest national resource of this country is neither the money in the banks, nor the minerals in the ground, nor the trees in the forest, nor the richness of the soil, but that it is the mental attitude, the imagination and the pioneering spirit of the men who have mixed experience and education with these raw materials that have transferred them into various types of useful service for the people of our own country and for the people of other nations; and

Whereas, The great secret of Lyndon Baines Johnson's happiness is that success is that he reflects the truth that the wealth of the nation is not in any material, never that it is in the intangible power of thought as expressed by our leaders who understand and apply vision, wider horizons, greater ambitions and initiative; and

Whereas, The wise selection of this native son of Texas as the Vice-Presidential Nominee for the Democratic Party provided the strength needed to bring together the different factional groups in our country which was necessary for a victory for the Democratic Party; and

Whereas, Senator Johnson followed in the footsteps of two illustrious Texans, the Honorable John Nance Garner of Uvalde, affectionately known to his many friends as "Cactus Jack," and the Honorable Sam Rayburn, known to all of us who love
and respect him as “Mr. Sam” and “Mr. Democrat”; and

Whereas, As the eldest son of Samuel Baly and Rebekah Baines Johnson, Central Texas pioneers, and as Lieutenant Commander, USNR, on active duty in 1941-1942, this Democrat and former state director of the National Youth Administration of Texas has upheld his own definition of success: that it is the power to acquire whatever a man demands of life without violating the rights of others; and

Whereas, He has worked for harmony and understanding and sympathetic cooperation between leaders of industry and the officials of our government in such a way that every citizen will benefit, directly or indirectly. His tolerance on all subjects and his strict discipline over personal emotions have given this country a dynamic leadership; now, therefore, be it

Resolved, That the House of Representatives of the State of Texas expresses its unending appreciation to the Honorable Lyndon Baines Johnson, Vice-President-Elect, and favorite son of this State, for his Texas traits of definiteness of purpose, promptness of decision, thorough knowledge of his occupation, and for that internationally known obsessive desire to render useful service; and, be it further

Resolved, That copies of this Resolution be sent to Vice-President-Elect Lyndon Baines Johnson and to our most honorable President-Elect John Fitzgerald Kennedy, in humble esteem of their election to the highest offices in the most democratic country in this universe, and with our most sincere good wishes for an administration that will serve not only this glorious country but all of the people of the world who must have freedom to survive.

On the motion of Mr. Hinson the names of all members of the House were added to the resolution as signers thereof.

The resolution was unanimously adopted.

WELCOMING A VISITING DELEGATION FROM GUATEMALA AND INVITING THE HONORABLE JORGE LUIS ZELAYA CORONADO TO ADDRESS THE HOUSE

Mr. Ballman offered the following resolution:

H. S. R. No. 24

Whereas, The Honorable Jorge Luis Zelaya Coronado, Presidente de Congreso de la Republica de Guatemala, and four of his distinguished countrymen are touring the United States under sponsorship of the Governmental Affairs Institute of the State Department to study state and national government; and

Whereas, These officials, in addition to President Zelaya, Inc., the Honorable Victor E. Arriaza, Chairman of the Committee on Communications; the Honorable Luís Antonio Díaz, Chairman of the Committee on Economy; the Honorable Ruben Flores, Chairman of the Finance Committee; and the Honorable Francisco E. Mejicano, Chairman of the Defense Committee, all positions of highest leadership in the Guatemalan Congress; and

Whereas, This party of guests from our neighbor Republic in Central America, in the course of travels in several areas of the United States, has been visiting in Austin and other points in Texas, meeting and visiting private citizens and State officials in an effort to obtain a composite picture of Texas Government at work; and

Whereas, It is the privilege of this body, the Texas House of Representatives, to extend to this great good will and camaraderie symbolized by the name of Tejas, the importance of “Tejas,” meaning friends; and

Whereas, The people of Texas, with a heritage most similar to that of the Nations to the South, wish to join with these, our friends in the Western Hemisphere, in presenting a united front against Communism and other subversive influences; and

Whereas, The House of Representatives of the State of Texas wishes to express its earnest desire for an
extension of the cordial and good relations which have existed between the United States and Guatemala and to avail itself of the opportunity to hear an address by the distinguished President of the Congress of that country; now, therefore, be it

Resolved, That the Texas House of Representatives welcomes the visiting delegation from Guatemala and invites the Honorable Jorge Luis Zelaya Coronado to address the House at 11:00 a.m. on Monday, January 16, 1961; and, be it further

Resolved, That a copy of this Resolution be forwarded to President Zelaya as a further token of our gratitude and appreciation for the honor of his visit.

The resolution was read and was adopted.

RELATIVE TO PAYMENT OF INAUGURAL EXPENSES

Mr. Watson offered the following resolution:

H. C. R. No. 4

Whereas, The Joint Committee appointed pursuant to the provision of Senate Concurrent Resolution No. 1, to arrange for the inauguration of the Governor and Lieutenant Governor, will necessarily incur certain expenses for and holding said inauguration; now, therefore, be it

Resolved By the House of Representatives of the State of Texas, the Senate concurring, that the expenses thus incurred shall be paid out of the Legislative Expense Fund of the 57th Legislature upon authority of the Chairmen of the Inaugural Arrangement Committees of the respective houses and with the approval of the Chairmen of the Contingent Expenses Committees of the two houses.

The resolution was read and was adopted.

TO PROVIDE THAT PORTIONS OF THE CAPITOL GROUNDS SHALL BE CLOSED TO MOTOR VEHICLES ON INAUGURATION DAY

Mr. Jones of Travis offered the following resolution:

H. C. R. No. 5

Whereas, The Constitution of the State of Texas fixes the inauguration of the newly elected Governor and Lieutenant Governor for the first Tuesday following the convening of the Legislature in each regular biennial session; and

Whereas, The Inaugural Ceremonies will be held in public at the south entrance of the State Capitol; and

Whereas, It will be necessary for the Inaugural Committee to regulate traffic in the Capitol Grounds and drives on Tuesday, January 17, 1961, in order to properly prepare for and hold said Ceremonies; now, therefore, be it

Resolved By the House of Representatives of the State of Texas, the Senate concurring, that the Inaugural Committee be and is hereby given authority to arrange with the Board of Control to handle traffic and parking in the Capitol Grounds, to close portions of the drives and some of the parking spaces assigned to the Legislature, as may be necessary, and generally to take all necessary steps to assure safety for all Ceremony participants and guests.
