RELATIVE TO IMPOSING IMPORT DUTY ON FOREIGN OIL IMPORTATIONS

Mr. Bailey offered the following resolution:

H. S. R. No. 69

Whereas, Unemployment is increasing at an alarming rate throughout the oil industry and State revenues are decreasing at such a rapid rate that new and burdensome taxes will probably be inflicted upon the people of Texas; and

Whereas, Millions of barrels of foreign oil, costing approximately One Dollar ($1) per barrel, are being merchandized throughout the United States on a Three Dollar ($3) per barrel market, thereby increasing the profits of the major oil importing companies to the financial detriment of the great State of Texas and its people; and

Whereas, Due to this unwarranted influx of foreign oil many of our Texas fields are operating on an eight (8) day per month basis; and

Whereas, Today the independent producer stands at the crossroads of financial bankruptcy and unless the noose placed around his neck by the world oil cartel is loosened it will lead to the gradual decline and ruination of the greatest single industry in this great State of Texas; now, therefore, be it

Resolved by the House of Representatives of the State of Texas that Senator Ralph W. Yarborough be requested to introduce and sponsor legislation imposing an import duty of One Hundred Fifty Cents ($1.50) per barrel on the foreign oil importations that are creating grave financial evils; and be it further

Resolved, That the Clerk of the House be directed to transmit a copy of this Resolution to the two (2) Senators from Texas and to each of our Representatives in Congress and that we hereby urgently request their full cooperation and support in this proposed legislation so important to Texas.
