INVITING MEMBERS OF THE LEGISLATURE TO SEE FILM ON MENTALLY DIS-TURBED CHILDREN

Mr. Foreman offered the following resolution:
Whereas, it is certainly the desire of each Member of the House of Representatives to be informed on matters pertaining to the welfare of the people of Texas and in legislation needed to insure this welfare, and

Whereas, there is an ever increasing problem of residential care for mentally disturbed children of this State; and

Whereas, one important fact to be noted is that the problem of the mentally disturbed child is of a completely different nature than that of a retarded child or adult; and

Whereas, there are thousands of parents in Texas who are not financially able to avail themselves of psychiatric care for their disturbed son or daughter. There are thousands of mentally disturbed children in Texas who could be completely cured by proper professional care. Only the larger cities of Texas have counseling clinics for children. The parents become aware of a disturbed child. In no place in this great State with our abundant living, are there facilities for actual residential care for these curable disturbed children; and

Whereas, it would be to the economic advantage of the State Government to care for the emotionally disturbed child in order to prevent a later case for permanent hospitalization in a State institution; and

Whereas, Texas must provide for the mentally ill child, who with due professional care may very quickly become a mentally healthy citizen; and

Whereas, in the legislative budget board estimates for this fiscal year ending August 31, 1962 and 1963, submitted to the Fifty-seventh Legislature and the Governor, the legislative budget board has taken cognizance of this economic need for mentally disturbed children in recommending funds for them; and

Whereas, on page thirty-five, the following words are in the official recommendations: "There is here by appropriated to the Board of Texas State Hospitals and Special Schools the following designated amounts: ($350,000), for the care, maintenance, and treatment of the mentally ill children of this State. The sums are expected to be expended through contractual arrangements between the Board and the University of Texas Medical Branch at Galveston, Texas, whereby the latter agrees to furnish such medical services and care as the Board may require. Between eighty and ninety children are in state mental hospitals housed in adult or geriatric wards and receiving no specialized treatment at all. This is very unfortunate. In fact, only two board-certified child psychiatrists work for the State of Texas. One is at Galveston, the other is part-time at the Psychiatric Institute in Houston. The budget board recommends that the state take advantage of facilities already available in Galveston Medical School and that such children be treated in that institution. The staff is there, the facilities are there to adequately do a job desperately needed for a number of years. It may be recalled that fifty beds were built at Austin State Hospital for mentally ill children. They were never staffed because personnel were not available. As of now, the only place in the state where staff is available is at Galveston." Unquote; and

Whereas, today, February 16, 1961, at 4:15 in the afternoon, in the spacious and comfortable Texas Medical Association building library, on Lamar and Nineteenth Streets, there will be 12 minute full-color film, titled "Christina's Doll," followed by a panel of medical experts who will answer questions from Legislators and all public-minded citizens on the needs of the special child, the mentally disturbed one. In very future is staked on the interest and actions of individual Texas citizens; and

Whereas, the members of the House are particularly interested in the full-color moving picture film and the medical panel available this afternoon in the conveniently located Texas Medical Association Library; now, therefore, be it

Resolved, That the House of Representatives of the Fifty-seventh Legislature is invited to attend this invaluable, professional and brief session in order to be informed on a pertinent problem of urgent for every Legislator of the Fifty-seventh Session who votes for the hopes of each Texas he represents.
February 16, 1961  HOUSE JOURNAL  345

FOREMAN, SMITH of Jefferson, STEWART of Galveston, SANDAHLL, JONES of Travis.

The resolution was read.

Mr. Foreman moved to suspend all necessary rules to take up and consider H. S. R. No. 213 at this time.

The motion prevailed (having received the necessary two-thirds vote).

H. S. R. No. 213 was adopted.

RELATIVE TO THE COMPILING OF CERTAIN DATA FOR THE COMMITTEE ON APPROPRIATIONS

Mr. Curington offered the following resolution:

H. S. R. No. 203

Whereas, Pursuit vehicles of the Department of Public Safety require high test or premium fuel; and
Whereas, Operational use of such vehicles entails fuel consumption in excess of two million (2,000,000) gallons annually; and
Whereas, A large part of the total gallonage is acquired by purchase at retail; and
Whereas, Bulk purchase of premium gasoline results in a cost reduction of six and one-half cents (6-1/2¢) on each gallon; and
Whereas, By providing bulk storage tank facilities at Highway Department installations for use of Members of the Department of Public Safety, a saving in excess of One Hundred Thousand Dollars ($100,000) annually could be achieved, now, therefore, be it
Resolved, by the House of Representatives of the State of Texas, That the State Board of Control, the Department of Public Safety and the Highway Department jointly compile data for presentation to the Committee on Appropriations of the 56th Legislature for the purpose of making effective implementation of a program of construction of storage tanks for premium gasoline on Highway Department sites, giving consideration to use of the Operators and Chauffeurs License Fund (No. 99) for necessary expenditures, and further considering that the purposes herein expressed are to provide optimum economical utilization of such fueling facilities.

The resolution was referred to the Committee on State Affairs.

PROVIDING FOR JOINT SESSION TO RECEIVE SEALS OF THE STATE OF TEXAS

Mr. Hollowell offered the following resolution:

H. C. R. No. 31

Whereas, The Texas Heritage Foundation is one of Texas’ foremost patriotic organizations, dedicated to perpetuating the ideals and preserving the documents on which our heritage of freedom under constitutional government is based; and
Whereas, The Adjutant General’s Department is the military arm of the Texas State Government and is vital to the maintenance of defense preparedness in the State through its administration of the National Guard and the Texas State Guard; and
Whereas, The Texas Heritage Foundation and the Adjutant General’s Department have joined in having executed hand-painted, framed seals of the State of Texas for presentation to each house of the 56th Legislature; now therefore be it
Resolved, by the House of Representatives, the Senate concurring, That the House of Representatives and the Senate of the 56th Legislature of Texas meet in joint session at 11:30 a.m. on March 1, 1961, for the purpose of receiving these seals from representatives of the Texas Heritage Foundation and the Adjutant General’s Department.

The resolution was referred to the Committee on State Affairs.

CONGRATULATING THE HONORABLE HERMAN YEZAK

H. S. R. No. 211

Whereas, On February 16, 1913, Herman Yezak was born and to this date he remains a true and stalwart Texan; and
Whereas, There is not a single Member of the House of Representatives of the Fifty-sixth Session with as much undivided interest and loyalty to the core as Herman Yezak

Mr. McIlhany offered the following resolution:

H. S. R. No. 211

Whereas, On February 16, 1913, Herman Yezak was born and to this date he remains a true and stalwart Texan; and
Whereas, There is not a single Member of the House of Representatives of the Fifty-sixth Session with as much undivided interest and loyalty to the core as Herman Yezak
who demonstrated this when he and his good wife had a bouncing baby girl on the very first day of the Session; and
Whereas, Bremond and Robertson County are proud of Representative Yeak and his fine efforts for the population of this area; and
Whereas, He is a loyal Aggie, having graduated from Texas A. & M. He also cheers for the hometown weekly newspaper, "The Press"; and
Whereas, There is much alfalfa available in this territory of black-jacks and mesquite from which our fellow Member balls. There is also much food for Legislative thought along the Brazos and in the mineral waters and sandstone of this fine District; now, therefore, be it
Resolved, That the House of Representatives of the Fifty-seventh Legislature recognize the prowess of the eager Aggie from Robertson County and congratulates this Herman Yeak, Member of the Legislature since 1946, on his birthday and on his official record of personal production.

The resolution was read and was adopted.

CONGRATULATING THE HONORABLE HERMAN YEAK

Mr. Dewey offered the following resolution:

H. S. R. No. 312
Whereas, The Honorable Herman Yeak on this sixteenth day of February, 1961, is celebrating the anniversary of his birth; and
Whereas, He was born on a tenant farm near Bremond, Robertson County, Texas, on February 16, 1913; and
Whereas, Representative Yeak was first elected to office while on foreign soil in the military service of his country during World War II in 1944, and he has been returned to the Texas Legislature each session ever since; and
Whereas, He is a graduate of Texas A. and M. College and a practicing attorney since 1955; and
Whereas, Representative Yeak married Betty Supak of Robertson County, Texas on October 6, 1944, and they have four children, Patricia Adela, 10, Herman Robert Yeak, Jr., 8, George Christopher Yeak, 7, and Jennifer Margaret Yeak, one month of age; now therefore be it
