from more than one fund, the additional amounts authorized by this Section shall be paid from each fund in the proportion which the salary from each fund bears to the total salary.

(3) The additional sums authorized by this Section to the salaries or wages appropriated from funds in the State Treasury under Article IV of this Act shall be paid from the General Revenue Fund; in instances where salaries or wages are paid partly from funds in the State Treasury and partly from fixed Federal grants or partly from local funds, the entire amount of the additional salary sums shall be paid from the General Revenue Fund; provided, however, that the General Revenue Fund shall bear only its proportional share of the increase in instances where employees are paid partly from General Revenue and partly from Auxiliary Enterprise funds of the general academic teaching institutions.

(4) For the purpose of disbursing the additional sums authorized by this Section, each agency of the State Government shall certify to the Comptroller on such forms and in such manner as he may prescribe, the name of each employee qualifying under the provisions of this Section, the amount of the additional salary or wage payments to which he is entitled, and the fund or funds from which such additional amounts are payable.

c. The salary increase authorized by this Section shall not apply to hourly paid or to part-time employees.

d. Where, under the terms of this Act, the department head, governing board, or other executive officer is authorized to fix the salaries of positions at amounts not to exceed stated maximums, such maximums set out in other provisions of this Act which are less than Two Thousand Four Hundred Dollars ($2,400) annually shall be deemed to be increased by the appropriate additional sum authorized by this Section and salaries may be paid in any amount not to exceed such adjusted maximum.

REASON FOR VOTE

I voted aye on the motion to table Mr. de la Garza's amendment because I was misinformed about the amendment in that I thought it to be incompatible with the new job classification plan for state employees, after learning that...
Mr. Harrington offered the following amendment, relative to Employees Holidays, to Article V of Committee Amendment No. 1:

Amend Senate Bill No. 1 on page V-9 by inserting between "September 4." and "November 11," the following: "October 12."

Mr. Cotten moved to table the amendment by Mr. Harrington.

The motion to table prevailed.

Mr. Roberts of Dawson offered the following amendment to Committee Amendment No. 1:

Amend the Amendment to S.B. 1 by reducing by 10% each and every item in the amendment appropriating money from the General Revenue Fund, and correct sub-totals and totals accordingly.

A point of order was raised on further consideration of the amendment by Mr. Roberts of Dawson to Committee Amendment No. 1 on the ground that it is vague and indefinite.

The Speaker overruled the point of order.

Mr. Foreman moved to table the amendment by Mr. Roberts of Dawson.

A record vote was requested on the motion to table.

have supported the major tax bill that has already passed this House, is that the apportionment of the money is so grossly unjust, particularly for the hospitals and special schools. We have eight hundred mental patients in a firetrap that was built seventy-five years ago and I feel that we should certainly put them in a fireproof building and care for these aged people. I offered this amendment but it failed to pass, and I do not want the blood of any of these unfortunates on my hands should they have a fire and any of them should lose their lives. It is the duty of this legislature to care for these most unfortunate people. Since they have not done so, I respectfully vote against this appropriations bill.

W. S. (Bill) HEATLY.

REASON FOR VOTE
I voted no on S. B. 1 because it did not have the school Teachers included. There is not enough money without raising taxes to pay for the bill.

LEON THURMAN.
