TO INVITE DAN BLOCKER TO ADDRESS THE HOUSE OF REPRESENTATIVES

Mr. Hendryx offered the following resolution:

H. S. R. No. 28

Whereas, Hoss Cartwright, the big, dumb and kindly brother of "Bonanza" fame will stray off television screens long enough to visit his native Texas this month; and

Whereas, His real name is Dan Blocker, formerly of Alpine, and he is a graduate of Sul Ross State College, where he roomed for four years with Representative Gene Hendryx, who remains one of his closest friends. He will be in San Antonio
on January 26 to be named “Texan of the Year” at a public banquet and will come to Austin on January 28th to visit Representative Hendryx and the Texas House of Representatives; and

Whereas, The role of Hoss Cartwright belies the actuality. Blocker has been described as a great intellectual. He was a "straight-A" student at Sul Ross. A boyish prank, in which he upstaged a gorilla at a downtown parade, caused him to be excluded later from law school and to decide to take up acting as a career. It was his sense of humor, rather than his scholarship, that brought about his academic downfall; and

Whereas, Mr. Blocker was a football player and boxer at Sul Ross State College and weighed in at 340 pounds. Since he has been in Hollywood he has slimmed down to a mere 290; and

Whereas, But for his playful nature, Mr. Blocker might have become a great political figure in Texas. He is a convinced Democrat and made thirteen personal appearances in behalf of the candidacy of Governor Pat Brown of California prior to his election. He was a champion debater in college, with a mind and memory which made him a formidable opponent; now, therefore, be it

Resolved, That the House of Representatives of the Fifty-eighth Legislature invites Dan Blocker to address this House when he comes to Austin and to "show cause" why he left Texas for the pistol precincts of Hollywood and Vine.

The resolution was read and was adopted.

The Speaker announced that S. B. No. 150 was passed subject to the provisions of Section 49A, Article III, of the Constitution.

H. B. No. 150 was then passed to engrossment.

RECORD OF VOTE

Mr. Cotten requested to be recorded as voting NO on the motion to suspend the rules to consider H. B. No. 150 at this time and on the passage of H. B. No. 150 to engrossment.

REASON FOR VOTE

Pursuant to House Rule 21, Section 4, I respectfully file herewith my reasons for my vote of NO on House Bill No. 150 as amended.

I

The bill as a whole contains no direction of the funds appropriated and directs them generally to the office of Governor and Attorney General and is too broad in its delegation of this authority over the funds of this state, a function reserved wholly to the Legislature by the Constitution.

II

The bill contains no explanation of the emergency nature therein expressed and offers no facts to support Section 7.

III

The bill is an appropriation of a large sum of money when the State is not in financial condition to support the expenditure thereof.

Respectfully submitted,
Henry Stollenwerck
District 51, Place 8
REASON FOR VOTE
January 17, 1963

I wish the following reasons to be inserted in the House Journal concerning my vote on House Bill 150:

1. The House has not been afforded either sufficient time for consideration of this bill, or sufficient justification for the additional expenditure of funds.

2. Matters involved in this bill concern three entirely different operations, and each should be considered individually on its merits. It is particularly unfortunate that a matter of pressing concern such as the need of the Attorney General for funds to prosecute an existing problem should be tied up with postulated needs of the governor's office and the proposed study concerning higher education.

Sincerely,
Wm. S. Davis.

REASON FOR VOTE
January 17, 1963

H. B. 150.

As to the validity of the Governor's request for an emergency appropriation of $217,000 I have no opinion at this time, since no justification for the request has been laid on my desk. It is for this reason—the complete void of factual information on which to base a decision—that I object to the pressure tactics employed.

I will not violate the public trust vested in me and vote for carte blanche authorization for anyone to spend public funds.

Dick Morgan
