TO INVITE DR. JAMES B. CONANT TO ADDRESS THE HOUSE

Mr. Woods offered the following resolution:

H. S. R. No. 262

Whereas, Dr. James B. Conant is an internationally known scholar, scientist, educator, statesman and author; and

Whereas, He was born in Dorchester, Massachusetts, and was graduated from Harvard University in 1913, receiving his Ph.D. from that school and beginning his teaching career there in 1916; and

Whereas, After serving as a professor of chemistry from 1927 to 1933, he was appointed the 32nd president of Harvard, a position he held until 1953, when he resigned to become United States High Commissioner for Germany; and

Whereas, Dr. Conant was promoted to ambassador in 1955 and served until 1957, when he resigned and began his comprehensive and highly successful study of public high school education in the United States under a grant from the Carnegie Foundation; and

Whereas, Dr. Conant's numerous honorary degrees include an LL.D. from Baylor University in Waco, awarded in 1947; and

Whereas, He is currently engaged in a study of the education of American teachers and will be visiting in Texas and Austin this month to talk with educators and legislators concerning this project; now therefore be it

Resolved, By the House of Representatives of the 58th Legislature of Texas, That Dr. Conant be invited to address the House of Representatives at 11 a.m. on Tuesday, March 13, 1963, with the request that he give special emphasis in the speech to his present study of the education of American teachers and the findings of his recent study of high schools in the United States.

The resolution was referred to the Committee on Rules.
