(a) Whenever the State Highway Commission shall determine upon the basis of an engineering and traffic investigation that any prima facie maximum speed limit hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of the highway system, taking into consideration the width and condition of the pavement and other circumstances on such portions of said highway as well as the usual traffic thereon, said State Highway Commission may determine and declare a reasonable and safe prima facie maximum speed limit thereat or thereon, by proper order of the Commission entered on its Minutes, which limit, when appropriate signs giving notice thereof are erected, shall be effective at such intersection or other place or part of the highway system at all times or during hours of daylight or darkness, or at such other times as may be determined; provided, however, that said State Highway Commission shall not have the authority to modify or alter the rules established in paragraphs (b) and (c) of subdivision 5 of subsection (a) of section 166 shall not be increased.

“Sec. 166. Authority of Texas Turnpike Authority to Alter Maximum Prima Facie Speed Limits on Turnpike Projects.

(a) Whenever the Texas Turnpike Authority shall determine upon the basis of an engineering and traffic investigation that any maximum prima facie speed limit hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of a turnpike constructed and maintained by it, taking into consideration the width and condition of the pavement and other circumstances on such portion of said turnpike as well as the usual traffic thereon, the Legislature hereby directs the Texas Turnpike Authority to determine and declare a reasonable and safe maximum prima facie speed limit thereat or thereon, by proper order of the Authority entered on its minutes, for all vehicles or for any class or classes of vehicles hereinabove established, which limit, when appropriate signs giving notice thereof are erected, shall be effective at such intersections or other places or part of the highway at all times or during hours of daylight or darkness, or at such other times as may be determined.

(b) The authority of the Texas Turnpike Authority to alter maximum prima facie speed limits shall be effective upon any part of any turnpike project constructed and maintained by it pursuant to House Bill No. 4, Chapter 139, Acts of 1955, 53rd Legislature, Regular Session, codified as Article 6674v, Vernon’s Revised Civil Statutes of Texas, as same may be amended, both within and without the corporate limits of any incorporated city, town or village, including Home Rule Cities. Such authority shall be exclusive with respect to any such project, and the authorities prescribed in Sections 167 and 169 shall not apply upon any part of any such turnpike project; provided, however, that should any turnpike constructed by the Texas Turnpike Authority ever become a part of the designated State Highway System, the State Highway Commission shall then have the sole authority to alter maximum prima facie speed limits thereon as prescribed in Section 167. The Texas Turnpike Authority shall not have the authority to alter the basic rule established in paragraph (a) of Section 166 nor to establish a speed limit higher than seventy (70) miles per hour.

(c) The Texas Turnpike Authority shall, in conducting the engineering and traffic investigations specified in paragraph (a) of Section 166, following the Procedure for Establishing Speed Zones prepared by the Texas Highway Department which is in use on the effective date of this Act and as same may be subsequently revised for reasons of technological advancements in traffic operation, design and construction of highways and motor vehicles, as well as the safety of the motoring public.

“Sec. 169. Authority of County Commissioners Court and Governing Bodies of Incorporated Cities, Towns and Villages to Alter Maximum Prima Facie Speed Limits.

(a) The county commissioners court of any county with respect to county highways or roads outside the limits of the right-of-way of any officially designated or marked highway, road or street of the State Highway System and outside the limits of any incorporated city, town or village shall have the same authority by order of the county commissioners court entered upon its records to alter maximum prima facie speed limits upon the basis of an engineering and traffic investigation as that delegated to the State Highway Commission with respect to any officially designated or marked highway, road or street of the State Highway System; provided that under no circumstances shall any county commissioners court have the authority to modify or alter the basic rule established in paragraph (a) of Section 166 nor to establish a speed limit higher than sixty (60) miles per hour.

(b) The governing body of an incorporated city, town or village with respect to any highway, street or part of a highway or street,

prima facie speed limits upon the basis of an engineering and traffic
investigation as that delegated to the State Highway Commission with
respect to any officially designated or marked highway, road or street
of the State Highway System; pro-

shall any such governing body have
the authority to modify or alter the
basic rule established in paragraph
(a) of Section 166, nor to establish
a speed limit higher than sixty (60)
miles per hour, and provided, fur-
ther, that any order of the State
Highway Commission declaring a
speed limit upon any part of a de-
signated or marked route of the
State Highway System made pur-
suant to Section 167 shall supersede
any city ordinance in conflict therewith.

"Sec. 170. Minimum Speed Reg-

"(a) No person shall drive a
motor vehicle at such a slow speed
as to impede the normal and reason-
able movement of traffic except
when reduced speed is necessary for
safe operation or in compliance with

sioners or the governing body of
any incorporated city, town or
village, within their respective jur-
dictions, as specified in Sections
167 and 169, determine on the basis
of an engineering and traffic in-
vestigation that slow speeds on any
part of a highway consistently im-
pede the normal and reasonable
movement of traffic, the said State
Highway Commission, county com-
mis sioners courts or governing body
of an incorporated city, town or
village, are hereby empowered and
may determine and declare a mini-
mum speed limit thereof or thereon,
and when appropriate signs are
correctly erected, giving notice of such mini-
mum speed limit, no person shall
drive a vehicle below that limit ex-
cept when necessary for safe opera-

"Sec. 171. Charging Violations and

Act, the complaint, also the sum-

limit applicable within the district
or at the location.

(b) The provisions of this Act
declaring maximum or minimum
speed limitations shall not be con-
strued to relieve the plaintiff in
any action from the burden of prov-
ing negligence on the part of the
defendant as the proximate cause
of an accident.

(c) No evidence shall be admis-
sible in any prosecution for a viola-
tion of this Act which is or has been

Sec. 4. The crowded condition of the calendar and the fact that our speed laws need modernization in the light of improved roads and engineering advancement in motor vehicle design and safety, create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said Rule is hereby suspended, and that this Act shall become effective from and after its passage, and it is so enacted.

Mr. Johnson of Bexar offered the following resolution:

H. S. R. No. 346

Whereas, “Hank” Grover, our popular colleague from Houston, observed his thirty-sixth birthday yesterday, but since he is a serious young man and not to be taken lightly despite the prankish implications of the first day of April, the announcement of this event was held up for a day; and

Whereas, His devotion to his conservative principles is matched only by his infrequent attitude that he is on the right path. As a school teacher and graduate of the University of St. Thomas in Houston, he has had excellent training in the arts of persuasion and deserves our applause; now, therefore, be it

Resolved, That the House of Representatives of the Fifty-eighth Legislature of the State of Texas extends its hearty congratulations to Henry C. (Hank) Grover and its best wishes for his continued happiness and success.

MESSAGE FROM THE SENATE

Austin, Texas, April 3, 1963

Hon. Byron Tunnell, Speaker of the House of Representatives.

Sir: I am directed by the Senate to inform the House that the Senate has passed the following:

S. B. No. 243, By Krueger: Allowing cities and counties to acquire historical museums, sites of archaeological interest; and declaring an emergency.

S. B. No. 132, By Creighton: Relating to registration of voters; and declaring an emergency.

Respectfully,

CHARLES A. SCHNABEL,
Secretary of the Senate.

TO REQUEST CERTAIN STUDY RELATIVE TO STATE-OWNED AIRCRAFT

Mr. Wells offered the following resolution:

H. S. R. No. 850

Whereas, Several state departments and agencies own aircraft for the use of their own officials and personnel; and

Whereas, Personnel of other departments and agencies needing air transportation, both within and without the state, use commercial airline service at a considerable total cost to the state each year; and

Whereas, It seems likely that a considerable saving to the State of Texas could be effected by pooling state-owned aircraft, and using all such equipment to the maximum extent possible for the transportation of officials and employees conducting the business of the State of Tex-
as, both within and without the state; and

Whereas, By careful planning and scheduling, it appears that under such a system officials and employees on state business could be saved much time consumed in travel and that considerable money could be saved in terms of the cost of aircraft purchase, operation and maintenance; now therefore be it

Resolved, By the House of Representatives of the 58th Legislature of Texas, That the Texas Legislative Council be requested to study the feasibility and desirability of a plan for pooling state-owned aircraft for the use of officials and employees of all state departments and agencies; and be it further

Resolved, That the Council be requested to report its findings and recommendations, together with drafts of such legislation as it deems desirable, to the Regular Session of the 59th Legislature.

The resolution was referred to the Committee on State Affairs.

TO REQUEST CERTAIN STUDY RELATIVE TO DISTRICT COURTS IN TEXAS

Mr. Fairchild offered the following resolution:

H. S. R. No. 348

Whereas, An impartial and non-partisan study of the existing alignment of District Courts in Texas should be made to determine the state's need in this respect; and

Whereas, Such study should be made under the direction and control of the Legislature; and

Whereas, The ever increasing demand for the creation of new District Courts makes it imperative that an over-all study be made at the earliest practical time;

Therefore, Be it Resolved by the House of Representatives:

The Texas Civil Judicial Council is hereby directed to make a comprehensive study of the adequacy of the present system of District Courts in Texas to afford expedited dispatch of litigation and the need, if any, to redistrict the state for District Court purposes.

The Council's report and legislation proposed to implement any recommendation it makes shall be made to the chairman of the Judicial Districts Committee not later than the convening of the next Regular Session of the Legislature.

Signed: Fairchild, Healy, Satterwhite, Sheff, Rossen, Johnson of Dallas, Miller, Shipley and Jarvis.

The resolution was referred to the Committee on State Affairs.

CONGRATULATORY RESOLUTIONS ADOPTED

H. S. R. No. 346, By Niemeyer: Commending the Government Class of Southwest Texas Junior College, Uvalde, Texas.

H. S. R. No. 347, By Foreman, Cavness, Ritter and Cain: Recognizing the Sixth Grade Class of Oak Hill School, Austin, Texas.

TO GRANT PERMISSION TO SUE THE STATE

Mr. Mcllhany offered the following committee amendment to the resolution:

Committee Amendment No. 1

Amend R. C. R. No. 14 by adding two resolving clauses, immediately following the last resolving clause, which shall read as follows:

"Resolved, That nothing herein shall be construed as an admission on the part of the State of Texas, or any of the Departments or Agencies of the State of Texas, or any of the political subdivisions of the State of Texas, as to the validity of any allegations or claims asserted in said suits, but that all allegations and claims asserted in said suit must be proved as in other suits under the same rules of evidence and the same laws as apply in and govern the trial of other civil cases; and be it further

Resolved, That nothing herein shall be construed as a waiver of
any defenses, of fact as well as law, that may be asserted, by or available to the State of Texas, or any of the political subdivisions of the State of Texas, to said suit, but all such defenses are hereby specifically preserved.

The amendment was adopted without objection.

S. C. R. No. 14, as amended, was then adopted without objection.

The bill was read third time and was passed.

Mr. de la Garza moved to reconsider the vote by which S. B. No. 46 was passed and to table the motion to reconsider.

The motion to table prevailed.
On motion of Mr. de la Garza, and by unanimous consent of the House, the caption of Senate Bill No. 46 was ordered amended to conform with the body of the bill.
