some or all personal property at the wholesale level. Present law defines "Retail Sale" or "Sale at Retail" as follows:

"A sale for any purpose other than for resale in the regular course of business of tangible personal property."

Under H.B. 106 the definition is changed to read as follows:

"Any sale of tangible personal property." Wholesale sales of tangible personal property certainly fall within the definition in H.B. 106, but do not under the present law.

TO CONGRATULATE THE HONORABLE HONORE LIGARDE

Mr. Canales offered the following resolution:

H. S. R. No. 389

Whereas, A freshman in this House of Representatives is fifty-five years old today, April 11, 1963, but the discrepancy in his age and legislative experience is no criteria for measuring the savoir faire of Honore Ligarde of Laredo; and

Whereas, The Honorable Honore Ligarde, who represents Webb and Zapata Counties, already has achieved success in the fields of banking and the practice of law; and

Whereas, Widely popular, the Honorable Mr. Ligarde has been called "a bright spot in the gay spot" and he has all the attributes that make a successful politician. He is County Democratic Chairman and a member of the Democratic State Executive Committee; and

Whereas, Helping him celebrate his anniversary today is his charming wife, Betty; now, therefore, be it

Resolved, That the House of Representatives of the Fifty-eighth Legislature extends hearty congratulations to the Honorable Honore Ligarde on his fifty-fifth birthday and its best wishes for his continued success and happiness.

The resolution was read and was unanimously adopted.

INVITING THE WIVES OF THE ASTRONAUTS TO VISIT THE HOUSE OF REPRESENTATIVES

Mr. Barnes offered the following resolution:

H. S. R. No. 387

Whereas, The courageous and lovely women, who, being the wives of Astronauts, have had "front row center" seats for America's pioneer efforts and accomplishments in space exploration will be in Austin Tuesday, April 16, 1963; and

Whereas, One of them, Mrs. Scott Carpenter, the vivacious wife of the man who stopped heart beats for
forty minutes throughout this Nation when he made his spectacular journey beyond the atmosphere, will speak before the Austin Rotary Club Tuesday noon. She will be accompanied to Austin by Mrs. John H. Glenn, Jr., Mrs. Virgil I. Grissom, Mrs. Alan B. Shepard, Jr., whose husbands were members of the original team of seven, and by Mrs. Frank Borman, Mrs. James A. McDivitt, Mrs. Elliott M. See, Mrs. Thomas F. Stafford, Mrs. John W. Young, and Mrs. Edward H. White, II, whose husbands have more recently qualified and been designated as Astronauts; and

Resolved, That the House of Representatives of the Fifty-eighth Legislature of the State of Texas invites the wives of the Astronauts to visit and be recognized by this House at sometime during their brief Austin visit.

The resolution was read and was adopted without objection.

TO REQUEST CERTAIN STUDY RELATIVE TO THE STATE FIREMEN’S PENSION SYSTEM

Mr. Jarvis offered the following resolution:

H. R. No. 386

Whereas, The state-wide Firemen’s Relief and Retirement System is administered by the Firemen’s Pension Commissioner; and

Whereas, A total of 330 incorporated cities and towns in the state, having both paid and voluntary departments, are presently participating in the system; and

Whereas, Each of these 330 municipalities has its own local Board of Firemen’s Relief and Retirement Fund Trustees, receives and disburses its own funds, and generally conducts the affairs of its own pension plan; and

Whereas, The Firemen’s Pension Commissioner assists local boards in improving efficiency, furnishes forms required by statute, receives and audits local board reports and conducts hearings on appeals when an applicant is not satisfied with the local board ruling on a pension or compensation claim; and

Whereas, The Commissioner also certifies to the State Treasurer such boards as qualify and are entitled to consecutive apportionments of $300,000 each year from the General Revenue Fund of the state, which is allocated on the basis of the insurance premiums written within the corporate city limits of each participating city or town during the preceding year; and

Whereas, A study made in 1960 and financed by the firemen themselves raised serious questions as to the actuarial soundness of the State Firemen’s Pension System; now therefore be it

Resolved, By the House of Representatives of the Fifty-eighth Legislature of Texas, That the Texas Legislative Council be requested to study the State Firemen’s Pension System, giving particular attention to its operation, administration and actuarial soundness from the standpoint of providing necessary funds to pay the benefits promised; and be it further

Resolved, That the Council report its findings and recommendations, together with drafts of such legislation as it may deem desirable, to the Regular Session of the Fifty-eighth Legislature.

The resolution was referred to the Committee on State Affairs.

LEAVE OF ABSENCE GRANTED

Nays—12

I voted for HB 106 on passage to engrossment and final passage because in my opinion HB 106 represents a sincere and honest approach towards the final elimination of the inequities in the present sales tax. HB 106 equitably and fairly distributes the "burden" of taxation squarely on the shoulders of all Texas citizens and industries. The contributions to the coffers of the State of Texas under the provisions of HB 106 will result in the State of Texas being able to improve all present facilities which provide for the health, education and welfare of all her citizens plus the ability to immediately create new facilities for the health, education and welfare of all her present and future citizens. Respectfully submitted,

ESQUIVEL.

REASON FOR VOTE

Although I recognize there are various inequities in H. B. 106, as passed, and I would like to oppose it for those reasons, I voted for it in order to get a tax bill into a Conference Committee between the House and Senate. Additional revenue is needed to assure the progress of Texas in certain areas of state government and so some kind of tax bill is necessary.

JIM MARKGRAF.

REASON FOR VOTE

My reason for voting against House Bill 106 is that the House already has voted out the Appropriations Bill which had increased spending in it; but, still was not necessary to increase taxes for this extra appropriation.
Since the Appropriation Bill was voted out, the Comptroller returned his estimate $10 million dollars—so that would give the extra money to appropriate.

J. E. WARD.

ADJOURNMENT

Mr. Mann moved that the House adjourn until 1:00 o'clock p.m. next Tuesday, April 16.

The motion prevailed.

The Benediction was offered by the Reverend I. W. Oliver, Chaplain.

In accordance with the motion to adjourn, the House, at 3:40 o'clock p.m., adjourned until 1:00 o'clock p.m. next Tuesday, April 16.
