RELATIVE TO CERTAIN ACTION OF THE BOARD OF DIRECTORS OF A. AND M. COLLEGE OF TEXAS

Mr. Smith of Jefferson offered the following resolution:

H. C. R. No. 89

Whereas, The recent action of the Board of Directors of the Agricultural and Mechanical College of Texas in voting to break a ninety-two year old tradition of the College by changing the status of one of the greatest men’s schools in the world has caused distress, apprehension and resentment among many thousands of students and former students of A & M College; and

Whereas, A & M College is the largest and one of the finest military academies in the nation and is so recognized around the world; and

Whereas, Men educated and trained at A & M have served on all battlefronts in three great wars since 1871 with bravery, devotion and distinction and have made for themselves a great place in American history; and

Whereas, For ninety-two years this great College has been an outstanding men’s school and has graduated many thousands of young men who have brought honor to this State; and

Whereas, The great history of A & M has been written without the feminine hand of coed students and without classes in home economics, dressmaking, pincushion embroidery or hairdressing; and

Whereas, Many thousands of Aggies throughout the State and around the world strongly oppose the sacrificing of the great traditions of a great school for the doubtful reward of a possible increase in enrollment which may be wholly undesirable; therefore, be it

Resolved That copies of this resolution be sent to all members of the Board of Directors of A & M College, to the presidents of former students associations throughout the State of Texas; and be it further

Resolved That by adopting this resolution, the House of Representatives of the State of Texas, the Senate concurring, declares the policy of this State to be that at least one major state university be maintained for men only and that another major state university be maintained for women only, believing that at least one such institution of learning should be available to each young man and young woman of the State of Texas who prefers not to attend a co-educational school.

The resolution was read and was referred to the Committee on State Affairs.

H. S. R. No. 466

Whereas, This entire House of Representatives is delighted to hear that Judy Johnson, the wife of our popular and distinguished colleague from Dallas, Bob Johnson, has given birth this morning to twins, a boy weighing six pounds, three ounces arrived at 11:22 and a girl weighing five pounds, twelve ounces at 11:27.

Whereas, If the House will permit an old cliche: "It couldn't have happened to a nicer couple," and though years may pass before these children fully appreciate the happy circumstances and luck of their birth, theirs is an auspicious entry into this challenging world. Bob Johnson not only inspires great respect for his brilliance and capability as a legislator and lawyer, he endears himself to his co-workers and his wide circle of friends. Judy is as personable as her gifted husband; and

Whereas, The newest additions to the Johnson family bring its total membership to seven. There are two brothers, Ken, eight, and Gordon Robert, two, and a sister Karen, five; now, therefore, be it

Resolved, That the House of Representatives of the Fifty-eighth Legislature extend its heartiest congratulations to Representative Bob Johnson of Dallas and to his charming wife, Judy, and that a copy of this Resolution be forthwith sent to Mrs. Johnson as a token of joy and good wishes.

The resolution was read and was adopted unanimously. On the motion of Mr. Butler, the names of all members of the House were added to the resolution as signers thereof.

MOTION TO RECONSIDER VOTE ON H. B. NO. 291

Mr. Cotten moved to reconsider the vote by which H. B. No. 291 was passed.

Mr. Miller moved to table the motion to reconsider the vote by which H. B. No. 291 was passed, and the motion to table prevailed.

TO PROVIDE FOR A JOINT SESSION

Mr. de la Garza offered the following resolution:

H. C. R. No. 78

Whereas, The International Good Neighbor Council will hold its eighteenth semi-annual assembly on May 9, 10, and 11, 1963, in San Antonio, Texas; and

Whereas, This important conference between neighbors will bring to this State an eminent and distinguished group of Mexican officials; and

Whereas, Governor John Connally has invited attending Governors and other Mexican officials to visit him at the Capitol on Thursday, May 9; and

Whereas, It is appropriate, as well as the earnest desire of this Legislature, that these honorable gentlemen also should meet with our Members, and

Whereas, For many years there has been a growing cordiality between the States of Mexico and the State of Texas. We share one thousand miles of frontier, which is actually no frontier, but rather a dividing line between two friendly peoples; and

Whereas, The tremendous interest which the people of Texas have in Mexico is evident in the fact that a half million Texans visit our southern neighbor as tourists each year. Common interests and friendly relationsh |
portant with each passing year; now, therefore, be it
Resolved by the House of Representatives of the Fifty-eighth Legislature of the State of Texas, the Senate concurring, That the visiting governors and other officials of Mexico be invited to attend and to address a Joint Session of this Legislature on Thursday, May 9, at 11:30 a.m. in the House Chamber.

The resolution was referred to the Committee on Rules.

TO CONGRATULATE THE HONORABLE PAUL FLOYD

Mr. Miller offered the following resolution:

H. S. R. No. 444

Whereas, One of the Gentlemen from Harris County is thirty-four years old on May 4, 1963; and

Whereas, The said gentleman from Harris County is admired greatly by his colleagues in the House of Representatives and is worthy of a Resolution in his honor; and

Whereas, The said gentleman from Harris County served his country in the United States Navy as is evident by his crew-cut; and

Whereas, The said gentleman from Harris County is known as a forthright, direct and forceful speaker, sometimes to the consternation of his colleagues; and

Whereas, His fashion of laughter is such that it cannot be reproduced by any known device and therefore belongs solely to the sounds of history and will ricochet down the halls of Time; and

Whereas, It is fitting that we call special attention to his capabilities as a lawyer, gentleman, legislator, sportsman, and as the greatest "Peckerwood" of them all; now, therefore, be it

Resolved, That the House of Representatives of the Fifty-eighth Legislature of the State of Texas extend birthday congratulations to Representative Paul Floyd and wishes him continued success, health and happiness.

The resolution was read and was unanimously adopted.

By unanimous consent of the House, Mr. Finney was granted permission to be recorded as voting yea on the motion to table the motion to reconsider the vote by which the amendment by Mr. McGregor to S. B. No. 132 was adopted, the vote being on May 1.
