"Section 7. Retirement Pension:

Where any member of said depart-

ments shall have contributed a portion

of his salary as provided herein, and

shall have served twenty (20) years

in either of said departments, he shall

be issued a certificate of retirement,

which said certificates shall there-

have been issued who has not reached

the age of fifty (50) years shall be

benefits until he reaches the age of

fifty (50) years, and then upon his

application. If any such member shall

reaches the age of fifty (50) years,

he shall not be entitled to participate

in the benefits of this Act until he

however, that if any such member

such certificate and before he reaches

the age of fifty (50) years, he shall

be entitled to participate in the ben-

efits of this Act until he reaches the

age of fifty (50) years, his widow, or

children, or other dependents named

in this Act, if any, shall be entitled to

share in the benefits of this Act.

A member retiring under the provi-

sions of this Act shall receive one-

half (½) of the salary received by

him at the time of his retirement;

provided, however, that in no in-

stance shall the monthly pension

allowance awarded him be in excess

of one-half (½) of the base pay of

a private per month, plus one-half

(½) of the service money granted to

the member under any provision of

any city charter; which pension allo-

wance shall be computed on the basis

of the current payroll. This pension

allowance, set out above based on the

current payroll, shall be granted to

the man going on the Pension Fund

as well as the man already on the
pension.
