Communication from Dean of Law School of University of Texas

The President laid before the Senate, and had read, the following communication:

Austin, Texas
February 18, 1941
Hon. Coke Stevenson, Lieutenant-Governor, State of Texas:

Dear Governor Stevenson:

A former member of the Legislature has made a suggestion to us as to a way in which the University Law School could possibly be helpful to the Legislature. The suggestion was that the members of the senior class of the Law School might be serviceable to individual Legislators who desired to have legal questions investigated or who desired to find examples of legislation in other states which might be used as a model for bills desired to be introduced.

In response to this suggestion I have canvassed the officers of our student organization, and they advise me that there are many members of the senior law class who would be delighted to volunteer to furnish their services in this way. Mr. Covey T. Oliver, of the law faculty, has agreed to supervise the work of the students. Miss Connerly, the Reference Librarian, will transmit to the Law School any request for such investigation or briefing by Law School students.

Of course, these seniors will not be able to give as much help as would experienced lawyers, but they do have available in the Law School an extensive Law Library and a collection of statutes of different states and countries, and they would thus be able to do at least some of the routine work of briefing and research which the Legislators themselves and the Legislative Reference Librarian might not have time to do.

If you think that this plan would be useful, you might announce this offer to the Senate or have a notice posted.

With expressions of esteem, I am

Yours faithfully,

CHARLES T. McCORMICK, Dean of the Law School.

The President laid before the Senate, as unfinished business, on its passage to engrossment (the bill having been read second time on yesterday):

S. B. No. 154, A bill to be entitled "An Act amending Section 13, Chapter 465, General and Special Laws, Forty-fourth Legislature, Second Called Session, by adding thereto subsection (d), to allow the commissioners' courts in all counties of more than one hundred two thousand and one (102,001) and less than one hundred ten thousand (110,000) population, according to the last preceding Federal Census, to fix the salary of the county treasurer at any sum not less than Six Hundred ($600.00) Dollars per year nor more than Twenty-seven Hundred ($2,700.00) Dollars per year. In the determination of such salary the court will consider the fees received by such office during the preceding fiscal year, the expense of that office during the same period, and the relative duties incumbent on such office; and shall in their discretion affix to such office such compensation as they deem just and necessary for the services rendered, within the limits hereinbefore provided."

Section 2. All laws or parts of laws in conflict with the provisions of this Act are hereby repealed to the extent of such conflict; and this Act shall be interpreted as an express modification of Chapter 465, General and Special Laws, Forty-fourth Legislature, Second Called Session, to the extent provided.

Section 3. The effective date of this Act shall be January 1, 1943.

(2)

Amend the caption of the bill to read as follows:
