### Reading of Letter to Governor

Senator Hill submitted a copy of a letter to Governor O'Daniel, which was read to the Senate, as follows:

Crockett, Texas, March 30, 1941.

Governor W. Lee O'Daniel, Austin, Texas.

Mr. O'Daniel:

After listening to your program this morning, I am attempting again to get you to read this letter over the radio.

I am surprised at you criticising the Legislature for not sticking to their promises that they made during their campaign, when you were the “main one” that set the example. You well remember you saying in your campaign that “you were going to see, if elected, that every person over sixty-five years of age in Texas would receive $30.00 a month.” You have not even recommended this to the Legislature, much less saw that these people received the $30.00, as you promised.

Dear Governor, please explain this to the people next Sunday over the radio. I well know how good you are at “putting the monkey” on the other man's back. I am going to listen next Sunday and see just how well you can perform this job.

It is clear that every tax you have recommended is to tax one class of old age for another class of old age.
