H. B. No. 338, A bill to be entitled "An Act authorizing the Board of Directors of the Agricultural and Mechanical College of Texas to construct or acquire, and equip not more than four dormitories, an office building, and additional power and steam plant equipment; authorizing and requiring said Board to fix fees, rentals, and charges for the use of such buildings and to make parietal rules concerning the same; authorizing the issuance of negotiable revenue bonds payable from and secured by revenues from such buildings and of certain other buildings heretofore or hereafter con-
from the plant owned by the institution, to charge for such services as a part of the maintenance and operation expense of such buildings and to issue negotiable revenue bonds secured by and payable from the net revenues from such charges for the purpose of constructing or acquiring additional equipment for such plant, and additionally to secure such revenue bonds by pledging the net revenues from other specified buildings; authorizing said board to construct, equip and lease an office building for certain purposes and to issue negotiable revenue bonds secured by and payable from the net revenues from such office building and from other specified buildings; authorizing the issuance of negotiable refunding bonds, and of refunding and construction bonds, secured by and payable from revenues as herein provided; providing that bonds authorized in this Act shall not constitute an indebtedness of the State of Texas or of said institution and that the holders of such revenue bonds shall never have the right to demand payment out of funds other than those pledged for their payment; authorizing under named restrictions use of a portion of the local funds to prevent or relieve a default or to create or maintain a reserve for such bonds; requiring approval of such bonds by the Attorney General, and prescribing the effect thereof; requiring registration by the Comptroller of Public Accounts; making this Act cumulative of other laws but giving precedence to the provisions of this Act; enacting other provisions relating to the subject hereof; and declaring an emergency."

Be it enacted by the Legislature of the State of Texas:

Section 1. The Board of Directors of the Agricultural and Mechanical College of Texas is authorized to construct or acquire, and equip without cost to the State of Texas except as provided herein, four, or any number less than four, dormitories, an office building (for purposes and subject to limitations contained in Section 5 hereof), and construct or acquire additional equipment for its present central power and steam plant (subject to limitations contained in Section 4 hereof), when the total cost, type of construction, capacity, and plans and specifications therefor have been approved by such board of directors, provided, however, that the Legislature shall never make an appropriation out of the General Fund of the State, either in the regular Appropriation Bill, or in a supplemental or emergency appropriation bill, for the purpose of equipping or for the purpose of purchasing or installing any utility connections in any of the buildings erected or improved under and by virtue of the provisions of this Act.

Sec. 2. That said board of directors is authorized to fix fees, rentals and charges for the use of such buildings, and to make parietal rules to assure maintenance of a maximum percentage of use and occupancy of such buildings. The charges to be made and the fees to be fixed against students and others using any such buildings shall be in amounts deemed to be reasonable by the board, taking into consideration the cost of providing said building, the use to be made of it, and the advantages to be derived therefrom.

Sec. 3. For the purpose of constructing or acquiring, extending or improving and equipping any one or more of said buildings, said board of directors is authorized to issue, sell, and deliver its negotiable revenue bonds, from time to time and in such amounts or amount as it may consider necessary. Bonds issued under this Act shall mature serially or otherwise not exceeding thirty (30) years from their date, bear interest at a rate or rates not exceeding four (4%) per cent per annum, shall be payable at such place or places, may contain option of payment prior to maturity upon terms stated therein, and such provisions for registration as to ownership, as shall be prescribed by said board in the resolution authorizing the issuance of said bonds. To assure the prompt payment of the principal and interest of said bonds the board is authorized to pledge the net revenues from the operation of said building or buildings, constructed or acquired with the proceeds of said bonds, and may secure said bonds additionally by pledging the surplus or the unpledged net revenues from any one or more of the other buildings mentioned in Section 1, from kitchens and dining halls, dormitories, dormitory for help, or laundry, here-
tofore or hereafter constructed or acquired; provided that the board shall have full authority to pledge the revenues from any number or all of such sources. It shall be the duty of the board to fix fees, rentals and charges so that such revenues will be sufficient to pay the maintenance and operation expenses of the building whose revenues are thus pledged, the principal and interest of said bonds, and to provide reasonable reserves.

Sec. 4. Said board is authorized to furnish water, steam, power, electricity, or any or all of such services from the central plant owned by the institution, to any or all dormitories, kitchens and dining halls, hospitals, student activity buildings, gymnasia, athletic buildings and stadia, the office building constructed pursuant to Section 5 hereof, the dormitory for help, laundry, and such other revenue producing buildings or facilities as may have been or may be constructed for the good of the institution or the moral welfare and social conduct of the students of such institution, and shall determine the amount to be charged as a part of the maintenance and operation expense of such buildings or facilities for such service or services. The board is authorized to pledge the net revenues from the amounts thus received for said services to pay the principal and interest of, and to create and maintain the reserve for the negotiable revenue bonds issued for the purpose of acquiring the additional equipment for said power and steam plant, and may so use said bonds additionally by pledging the surplus or the unpledged net revenues from any one or more of the other buildings mentioned in Section 1, or of kitchens and dining halls, dormitories, dormitory for help, or laundry, heretofore or hereafter constructed or acquired, or from any one or all of such sources, to become effective upon the happenings of such event.

Sec. 6. The board is authorized to issue negotiable refunding bonds for the purpose of taking up, at or prior to maturity, all or any part of an issue of revenue bonds issued either under this Act or under other laws, and to include in a refunding issue the revenue bonds of several issues. It is authorized to include in a single issue bonds for the purpose of refunding outstanding bonds and new bonds to obtain additional funds for purposes authorized in this Act. All such refunding bonds, or refunding and construction bonds, shall be secured by a pledge of revenues pledged for the payment of said refunding or underlying bonds, and the net revenues from the buildings or facilities for which such construction bonds are issued, and may be additionally secured by pledging the surplus or the unpledged net revenues from any one or more of the other buildings or facilities mentioned in Section 1, or of kitchens and dining halls, dormitories, dormitory for help, or laundry, heretofore or hereafter constructed or acquired; provided that the board shall have full authority to pledge the
revenues from any number of such sources.
Sec. 7. After the revenues of any building or of any facilities, constructed or acquired pursuant to this Act, shall have been pledged to the payment of revenue bonds, any subsequent pledge of such revenues shall be inferior to such pledge previously made.

Sec. 8. The revenue bonds authorized in this Act shall not constitute indebtedness of the State of Texas or said institution, and the holders thereof shall never have the right to demand payment of principal or interest out of funds other than those pledged to the payment of such bonds. In order to prevent or relieve a default in the payment of principal or interest or in creating or maintaining the reasonable pledged reserve for revenue bonds issued for purposes authorized in this Act, said board may in its discretion use local funds; provided that not more than twenty-five (25%) per cent of the estimated local funds available during any one fiscal year can be used for such purposes; and provided that local funds shall not be used for such purpose in an amount which with reasonable certainty should necessitate supplementing such local funds by additional legislative appropriation.

Section 9. Before any such revenue bonds are delivered to the purchaser, or before any refunding revenue bonds are delivered in exchange for original bonds, the record pertaining thereto shall have been examined by the Attorney General, and said record and bonds shall be approved by the Attorney General. After such approval the bonds shall be registered in the office of the Comptroller of Public Accounts, and no refunding bonds shall be registered until a like principal amount of said original bonds shall have been surrendered and cancelled by the Comptroller. Such bonds having been approved by the Attorney General and registered in the Comptroller's office shall be held in every action, suit or proceeding in which their validity is or may be brought into question, valid and binding obligations. In every action brought to enforce collection of such bonds or any rights incident thereto, the certificate of approval by the Attorney General, or a duly certified copy thereof, shall be admitted and received in evidence of its validity. The only defense which can be offered against the validity of such bonds shall be forgery or fraud.

Sec. 10. No brokerage fee, or commission, or attorney's fees in excess of Twenty-five Hundred ($2,500.00) Dollars, shall be paid out of the funds of the A. & M. College of Texas, or out of the funds to be derived from the bonds or other evidences of obligation authorized herein.

Sec. 11. This law shall be cumulative of all other laws applicable to said institution and is not intended to repeal other existing laws on the subject, but to the extent that the provisions of this Act are inconsistent with or are in conflict with the provisions of other laws, the provisions of this Act shall be effective.

Sec. 12. The fact that the Agricultural and Mechanical College of Texas is in urgent need of certain of the buildings and facilities mentioned in this Act and the authority herein conferred, creates an emergency and imperative public necessity that the constitutional rule requiring bills be read in each house on three several days be suspended, and that said rule is hereby suspended, and that this Act shall take effect and be in force from and after its passage, and it is so enacted.
