S. C. R. No. 38, Memorializing the Congress of the United States to pass anti-strike legislation.

Whereas, This nation is now in the midst of a vast program in the interest of the national defense; and

Whereas, The very existence of this nation and other democracies is threatened with destruction; and

Whereas, The United States is spending large sums of money and is calling to military service its finest manhood in an effort to preserve to the people of this nation the benefits, protection, and enjoyment of the principles of a free democracy; and

Whereas, Notwithstanding the existence of said emergency and the effort of the government to preserve the liberties of a free people, many of the industries of this nation, vital and indispensable to said national defense program, have been closed down by strikes and violence resulting from labor controversies. It is believed that such strikes are being inspired, in the main, by the foreign enemies of democracy for the purpose of preventing this nation from carrying out its preparedness program; now, therefore, be it

Resolved by the Senate of Texas, the House of Representatives concurring, That it is the sentiment, will and desire of the Texas Legislature that the Congress of the United States immediately pass drastic and effective legislation to prevent such strikes and violence, and to protect our industries from such activities, and to protect the patriotic citizens of this nation who are working in such industries from violence and threatened violence while discharging the duties of their employment; and, be it further
Resolved, That a copy of this resolution be sent to each member of Congress from Texas and to both United States Senators.

SMITH, LOVELADY, FAIN, MAURITZ.

The resolution was read; and on motion of Senator Smith and by unanimous consent, it was considered at this time.

Message from the Governor

The President laid before the Senate and had read the following message from the Governor:

Austin, Texas, April 8, 19-11.

To the Members of the Senate of the Forty-seventh Legislature:

In view of news reports that a statement has been made in the Senate that B. D. Battle of Longview, Texas, is not a citizen of Texas, I wish to withdraw his name as State Auditor and Efficiency Expert. The matter of his residence was fully discussed at the time I appointed him, and he stated that his residence is now and has been for many years in Longview, Gregg County.

I surely believe that Mr. Battle was telling me the truth, but, since it is reported that this point has been questioned, I want to submit all the evidence to our Attorney General regarding this point, because I certainly do not intend to appoint a non-resident of Texas to this position as State Auditor and Efficiency Expert, even though it might be legal to make such an appointment.

As soon as a ruling from the Attorney General is made, and, if it holds that D. B. Battle is a legal resident of Texas, I intend to again submit his name to your body.

Respectfully submitted,

W. LEE O’DANIEL, Governor of Texas.

On motion of Senator Moore and by unanimous consent, permission was granted to the Governor to withdraw the nomination of B. D. Battle to be State Auditor and Efficiency Expert.

Signing of Bill

The President signed in the presence of the Senate, after its caption had been read, the following enrolled bill:

S. B. No. 150, A bill to be entitled "An Act to create a policeman, firemen, and fire alarm operators pension system for all cities in the State of Texas having a population in excess of two hundred thousand (200,000) inhabitants, and less than two hundred and ninety-three thousand (293,000) inhabitants, according to the last preceding Federal Census, and providing for the control and administration thereof; and declaring an emergency."

Senate Joint Resolution 18 on First Reading

Senator Sulak moved that Section 5 of Article 3 of the Constitution be suspended to permit his introducing a joint resolution, the provisions of which he explained.

The motion prevailed by the following vote:

Yeas—29

Section 2. Drivers must have license.

(a) No person, except those hereinafter expressly exempted, shall drive any motor vehicle upon a highway in this State unless such person has a valid license as an operator, a commercial operator or a chauffeur under the provisions of this Act.

(b) Any person holding a valid chauffeur's or commercial operator's license hereunder need not procure an operator's license.

(c) No person holding an operator's, commercial operator's or chauffeur's license duly issued under the provisions of this Act shall be required to obtain any license for the operation of a motor vehicle from any other state authority or department.

Section 3. What persons are exempt from license.

The following persons are exempt from license hereunder:

1. Every person in the service of the United States when operating an official motor vehicle in such service;

2. Any person while driving or operating any road machine, farm tractor, or implement of husbandry temporarily operated or moved on a highway;

3. A non-resident who is at least sixteen (16) years of age and who has in his immediate possession a valid operator's license issued to him in his home state may operate a motor vehicle in this State only as an operator;

4. A non-resident who is at least eighteen (18) years of age and who has in his immediate possession a valid chauffeur's license issued to him in his home state may operate a motor vehicle in this State either as an operator, commercial operator or chauffeur except any such person must be licensed as a chauffeur hereunder before accepting employment as a chauffeur from a resident of this State, or must be licensed as a commercial operator before accepting employment as a commercial operator from a resident of this State, and provided further that a valid Texas operator's, commercial operator's or chauffeur's license is required of any person operating a motor vehicle in this State, which vehicle is registered in this State, or is operating under a permit issued by any authority of this State;

5. Any non-resident who is at least eighteen (18) years of age, whose home state does not require the licensing of operators, may operate a motor vehicle as an operator only, for a period of not more than ninety (90) days in any calendar year, if the motor vehicle so operated is duly registered in the home state of such non-resident.

Section 4. Who may not be licensed.

The Department shall not issue any license hereunder:

1. To any person, as an operator, who is under the age of sixteen (16)
years, except that the county judge of the county wherein such person resides may, after investigation, authorize the Department, in writing, to issue a license to any such person, when, in his opinion, the person so applying is qualified and conditions exist which make it necessary for such person to be licensed as an operator; provided, however, that in no event shall an operator's license of any class be issued to any person less than fourteen (14) years of age.

2. To any person, as a commercial operator, who is under sixteen (16) years of age;

8. Neither an operator's, commercial operator's, nor chauffeur's license shall be issued to any person when in the opinion of the Department such person is afflicted with or suffering from such physical or mental disability or disease as will serve to prevent such person from exercising reasonable and ordinary control over a motor vehicle while operating the same upon the highways, nor shall a license be issued to any person who is unable to understand highway warnings or direction signs in the English language; provided, however, no person shall be refused a license because of any physical defect unless it be shown by common experience that such defect incapacitates him from safely operating a motor vehicle.

9. To any person when the Department has good cause to believe that the operation of a motor vehicle on the highways by such person would be inimical to public safety or welfare.

Section 5. Special restrictions on drivers of school buses and public or common carrier motor vehicles.

(b) Every said application shall state the full name, date of birth, sex, and residence address of the applicant, and briefly describe the applicant, and shall state whether the applicant has theretofore been licensed as an operator or chauffeur, and, if so, when and by what state or country, and whether any such license has ever been suspended or revoked, or whether an application has been refused, and, if so, the date of and reason for suspension, revocation or refusal.

Section 7. Application of minors.

(a) The Department shall not grant the application of any minor under the age of eighteen (18) years for an operator's, commercial operator's or chauffeur's license unless such application is signed by the
father of the applicant, if the father is living and has the custody of the applicant, otherwise by the mother or guardian having the custody of such minor, or in the event a minor under the age of eighteen (18) years has no father, mother or guardian, the license shall not be issued to the minor unless his application therefore is signed by his employer or by the county judge of his residence.

Section 8. Release from liability.

Message from the House

The Assistant Reading Clerk of the House was recognized by the President Pro Tempore to present the following message:

Hall of the House of Representatives, Austin, Texas, April 8, 1941.
Hon. Coke R. Stevenson, President of the Senate.

Sir: I am directed by the House to inform the Senate that the House has granted the request of the Senate for the appointment of a Conference Committee on S. B. No. 398, and appoints: Cleveland, Bundy, Gilmer, Turner and Little.

Motion to Reconsider Vote on Senate Bill 124

Senator Sulak called for the consideration at this time of the motion to reconsider vote by which further consideration of S. B. 124 was postponed to April 1, 1941 (the motion having been made and spread on the Journal on Wednesday, March 5, 1941).

Point of Order

Senator Moore raised a point of order against consideration of the motion and against further consideration of the bill, on the ground that S. B. No. 124 is the same bill as H. B. No. 322, which the House refused to pass, and that any attempt to consider further S. B. 124 would be in violation of Section 34 of Article 3 of the State Constitution.

The President Pro Tempore sustained the point of order.

Adjournment

Senator Martin moved that the Senate adjourn until 10:00 o'clock a. m. tomorrow.

The motion prevailed; and the Senate, accordingly, at 12:50 o'clock, p. m., adjourned until 10:00 o'clock a. m. tomorrow.
