S. B. No. 398, A bill to be entitled "An Act to amend H. B. No. 160, Acts of the Forty-first Legislature, First Called Session, Chapter 83, page 209, as amended by H. B. No. 216, Acts of the Forty-seventh Legislature, so as to hereafter read as follows:

"Section 1. A. That the governing body of any incorporated city in this State may receive through gift or dedication, and is hereby empowered to acquire, by purchase without condemnation or by purchase through condemnation proceedings, and thereafter maintain and operate as an airport, or lease, or sell, to the Federal Government, tracts of land either within or without the corporate limits of such city and within the county in which such city is situated, and the commissioners' court of any county may likewise acquire, maintain and operate for like purpose tracts of land within the limits of the county.

"B. That the governing body of any incorporated city in this State may receive through gift or dedication, and is hereby empowered to acquire by purchase without condemnation, and thereafter maintain and operate as an airport, or lease, or sell, to the Federal Government, tracts of land without the county in which such city is situated, provided said tracts are not within five (5) miles of another incorporated city that has a population of more than fifteen hundred (1,500) people, according to the last preceding Federal Census.

"C. That the governing body of any incorporated city in this State may, and is hereby empowered, to acquire through condemnation proceedings, tracts of land located without the county in which said city is located, provided said tracts of land are within six (6) miles of the county boundary of the county in which said city is located, and are not within five (5) miles of another incorporated city having a population in excess of fifteen hundred (1,500) people, according to the last preceding Federal Census; and that said city may thereafter maintain and operate as an airport, or lease, or sell said tracts to the Federal Government; provided, however, that the grant herein made to acquire land through condemnation proceedings, without the county in which said city is located, shall expire on December 31, 1942, but that tracts of land acquired prior to that date, and under the authority of this

Be it Enacted by the Legislature of the State of Texas:

Section 1. That Section 1 of H. B. No. 160, Acts of the Forty-first Legislature, First Called Session,
Act, may continue to be operated, leased, or sold, as provided in this Act.

"D. In addition to the power herein granted, the commissioners' courts of the several counties of this State are hereby authorized to lease any airport that may be acquired by the county, as herein provided, to any incorporated city or municipality within such county, or to the Federal Government, for the purpose of maintaining and operating an airport; and provided further that any incorporated city having acquired land for an airport, or an airport, under the authority of this Act, shall have the right to lease said land or said airport to the county in which said incorporated city is located.

"E. In addition to the power which it may now have, the governing body of an incorporated city shall have the power to sell, convey, or lease, all or any portions of any airports heretofore established or that may be hereafter established, or any land acquired under the provisions of this Act, to the United States of America for any purpose deemed by the Government of the United States necessary for national defense, or for airmail purposes, or any other public purpose, or to the State of Texas, or any branch of the State Government, or to any other person, firm, or corporation, to carry out any purpose necessary or incidental to national defense or training incidental thereto; and that such governing body shall provide rules and regulations for the proper use of any such airports in connection with the purposes stated herein."

Sec. 2. If any Section or Sections, clause, sentence or provision of this Act should, for any reason, be held to be invalid or unconstitutional, it shall not affect in anywise the remaining parts of this Act, not so held, and all that portion not held invalid shall remain in full force and effect.

Sec. 3. The fact that the present law restricts a city in acquiring lands for airport sites, to lands in the county in which such city is located, and the fact that many cities lie close to the boundaries of the county within which they are located, and in many instances the most valuable land for use for airport sites lies partly without, or wholly without the county in which such city is located, and the fact that in many instances cities would not be able to acquire suitable land for airports within the limits of the county in which such cities are located, the further fact that such cities need to acquire the most practical and suitable lands for such purposes in furtherance of the Emergency National Defense Program, and the further fact that it has been found necessary to provide a method by which the commissioners' courts of the several counties and cities situated therein may cooperate in order to obtain the benefits contemplated hereunder, creates an emergency and imperative public necessity requiring that the constitutional rule requiring bills to be read on three several days in each House be suspended, and said rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.
