The owner shall have the right to have his mark and brand recorded in his name who according to the present records of his home county first recorded the same in the county, or in event it can not be ascertained from the records who first recorded same in the county, then the person who has been using such mark and brand the longest shall have the right to have the same recorded in his name. After the expiration of six (6) months from the taking effect of this Act all records of marks and brands now in existence in said counties shall no longer have any force or effect and after the expiration of six (6) months only the records made after this Act takes effect shall be examined or considered in recording marks and brands in said counties. Immediately upon the taking effect of this Act the county clerk of each of said counties shall have this Act published in some newspaper of general circulation in the county for a period of thirty (30) days, which publication shall be paid for by the county out of the General County Fund.

"Sec. 2. The fact that the present Marks and Brands Records in Austin and Colorado Counties are in a confused condition, and the further fact that a number of the old brands have not been used for many years and the further fact that a large number of persons of said county desire to record such brands, constitute an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and such rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and be it so enacted."

Provided however, in counties having less than eight thousand (8,000) scholastics, where no supervisor is employed and where the total expense for office assistants does not exceed Eighteen Hundred ($1,800.00) Dollars per annum the salary of the county superintendent may be set at a sum not to exceed Three Thousand ($3,000.00) Dollars per annum by action of the county board of trustees.

In making the annual budget for the county administration expenses, the county school trustees shall make allowance out of the State Available School Fund for salary and expenses of the office of county superintendent and the same shall be determined by the resident scholastic population of the county. It shall be the duty of the county board of trustees to file the budget for county administration expense with the State Department of Education on or before September 1st of each scholastic year, the budget to be approved and certified to by the president of the county board of education and attested to by the county superintendent. The compensation herein provided for shall be paid monthly upon the order of the county school trustees; provided that the salary for the month of September shall not be paid until the county superintendent presents a receipt from the State Superintendent showing that he has made all reports required of him. The county board of trustees may make provision for the employment of competent assistants for the county superintendent and may make further provision as it deems necessary for office and traveling expenses for the county superintendent and any assistants that may be necessary; provided that expenditures for office and traveling expenses of the county superintendent shall not be less than Three Hundred ($300.00) Dollars and not more than Eight Hundred ($800.00) Dollars per annum, and said board is hereby authorized to fix the salary of such assistants and pay same out of the same fund from which the salary and expenses of the county superintendent are paid.

Sec. 2. The county superintendent of public instruction may, with the approval of the county board of education, employ one or more school supervisors to assist in planning, outlining, and supervising the work of the public free schools in the county which is under the supervision of the county superintendent of public instruction. Said supervisor or supervisors shall at all times work under the supervision and direction of the county superintendent of public instruction, as other assistants are required to do, and must have evidence of proficiency in rural school super-
vision and must be the holder of at least a Bachelor of Science Degree or higher. Such supervisor or supervisors may receive a salary of not to exceed Two Thousand ($2,000.00) Dollars per annum, to be paid out of the same funds and in the same manner as that of the county superintendent of public instruction and other assistants.

Sec. 3. It shall be the duty of the State Superintendent to remit to the depository banks of each of the respective counties the amount of the State Available School Fund; provided in the budget of each county, remittance to be made in October and February of each scholastic year, in equal amount.

Sec. 4. The State Superintendent of Public Instruction is hereby authorized to issue and transmit to county officials all instructions necessary for the proper observance and administration of this Act.

Sec. 5. All general and special laws in conflict herewith are hereby repealed except such laws as provide for a part of the office expense to be paid out of the general revenue of the county.

Sec. 6. The fact that the county superintendents of public instruction in the counties to which this Act is made applicable have multiplied duties, teachers to supervise, and districts in sections which require such travel in the full performance of their duties, and the further fact that the salaries now paid said county superintendents are less than paid other county officials, and the further fact that attempts to remedy deficiencies in many counties has been by special law, creates an emergency and an imperativer public necessity requiring the suspension of the constitutional rule that bills be read on three several days, and the said rule is hereby suspended, and this Act shall take effect and be in force from and after September 1, 1941, and it is so enacted."

The amendments were adopted.

same as now provided by law. Said official shorthand reporter shall receive a salary of not less than Three Thousand ($3,000.00) Dollars, per annum, nor more than Three Thousand Three Hundred ($3,300.00) Dollars, per annum, said salary to be fixed and determined by the District Judge of the Sixteenth Judicial District composed of the Counties of Cooke and Denton, or by the District Judge of which the Counties of Cooke and Denton are a part thereof, and said salary shall be in addition to the transcript fees of fifteen (15c) cents, per one hundred words for the Q. and A. record and twenty (20c) cents, per one hundred words for a narrative statement of facts, and said reporter shall, in addition, receive allowances for expenses as now provided by Chapter 56, H. Said salary when so fixed and determined by the District Judge of said Judicial District shall be paid monthly, out of the general funds or the jury funds of the counties in the discretion of the commissioners' courts, by the respective counties of the Judicial District in accordance with the proportion fixed, made and determined by the District Judge of said Judicial District as to the amount to be paid monthly by each county in the Judicial District.
