The President signed in the presence of the Senate, after their captions had been read, the following enrolled bills:

H. B. No. 962, A bill to be entitled "An Act authorizing the board of directors of the Agricultural and Mechanical College of Texas, for the use and benefit of John Tarleton Agricultural College, to construct or acquire, and equip not more than two dormitories, or to construct and equip additions to not more than two existing dormitories; authorizing and requiring said board to fix fees, rentals, and charges for the use of such dormitories and to make parietal rules concerning the same; authorizing the issuance of negotiable revenue bonds payable from and secured by revenues from such dormitories and of certain dormitories hereetofore or hereafter constructed or acquired; authorizing the issuance of negotiable refunding bonds, and of refunding and construction bonds, secured by and payable from reve-
nues as herein provided; providing that bonds authorized in this Act shall not constitute an indebtedness of the State of Texas, or said board of directors, or said institution and that the holders of such revenue bonds shall never have the right to demand payment out of funds other than those pledged for their payment; authorizing under named restrictions use of a portion of the local funds to prevent or relieve a default or to create or maintain a reserve for such bonds; requiring approval of such bonds by the Attorney General, and prescribing the effect thereof; requiring registration by the Comptroller of Public Accounts; making this Act cumulative of other laws but giving precedence to the provisions of this Act; enacting other provisions relating to the subject hereof; and declaring an emergency.”

H. B. No. 1000, A bill to be entitled “An Act authorizing independent school districts, and cities which have assumed the control of public schools situated therein, in any county having a population of not less than twenty-one thousand five hundred ninety (21,590) and not more than twenty-one thousand six hundred twenty (21,620) according to the last preceding Federal Census, etc.; and declaring an emergency.”

Message from the Governor

The President laid before the Senate and had read the following message from the Governor:

Austin, Texas, May 27, 1941.

To the Members of the Senate of the Forty-seventh Legislature:

I am returning S. B. No. 20 without my approval.

This bill is part of a combination recommendation which I made to the Forty-seventh Legislature. My recommendation was for the State Auditor to be appointed by the Legislature instead of by the Governor, and for the Governor to appoint a budget director and efficiency expert, subject to confirmation by two-thirds of the Senate. The Legislature divided the bill and accepted that part of my recommendation wherein the Governor surrenders his right to appoint the auditor and gives that authority to the Legislature, but refused to follow the remainder of my recommendation and give the Governor an auditor to check into the books and records of all State departments for the purpose of making out a budget for each ensuing biennium.

In my opinion this Auditor’s bill without a Budget Director bill is almost the final chapter in stripping the Governor of facilities with which to carry out his constitutional duties.

I sincerely regret that this legislation was not enacted, and that it has become necessary for me to veto S. B. No. 20, but, in my opinion, the auditing set-up we have now, although very, very bad, is much better than it would be if it were changed as contemplated in S. B. No. 20, without at the same time, giving the Governor a Budget Director and Efficiency Expert.

Respectfully submitted,

W. LEE O’DANIEL,
Governor of Texas.

Senate Bill 20 Passed Over Governor’s Veto

Senator Moore submitted the following motion in writing:

I move that the Senate reconsider S. B. No. 20, and that it do pass and become a law, notwithstanding the objections, the disapproval, and the veto of the Governor of Texas.

MOORE.

The motion prevailed by the following vote:

Committee Substitute Senate Bill 330 on Second Reading

On motion of Senator Lovelady and by unanimous consent, the regular order of business was suspended, to permit consideration of C. S. S. B. No. 330 at this time.

The President laid before the Senate on its second reading and passage to engrossment:

C.S.S.B. No. 330. A bill to be entitled "An Act to control and prevent the spread of infectious and communicable diseases among livestock and poultry, the regulation and control of baby chicks at auctions, auction sale barns and community sales, requiring permits to conduct such sales, providing certain requirements to prevent the spread of diseases and prescribing penalties for violation thereof; and declaring an order.

The bill was read second time.

Senator Cotten raised a point of order against further consideration of the bill at this time, on the ground that no Senate bill may be considered today (Wednesday) without suspension of the joint rule 20 by each House.

The President sustained the point of order.

House Concurrent Resolution 180

On motion of Senator Kelley and by unanimous consent, the regular order of business was suspended, to permit consideration of H. C. R. No. 180 at this time.

The President laid before the Senate for consideration at this time:

H. C. R. No. 180, Providing for suspension of Joint Rules so as to allow consideration of S. B. No. 488 and S. B. No. 486 in the Senate today.

The resolution was adopted.

Senate Concurrent Resolution 68

Senator Chadick, by unanimous consent, offered at this time the following resolution:

S. C. R. No. 68, Endorsing foreign policies of the President of the United States.

Whereas, The history of Texas bears witness that the people of this State oppose to the last drop of blood, and the last breath in their bodies, tyranny and aggression; and that they love liberty even more than life itself; and Texas and Texans have never hesitated to enter the fray when this two-headed monster, tyranny and aggression, has threatened their homes and their ideals:

The bloody fields of San Jacinto, Goliad, and the Alamo give mute testimony to these facts; Shiloh and the Wilderness in the Civil War, and the impetuous charge at San Juan Hill were altars upon which they made their sacrifices; and Chateau Thierry and the Meuse-Argonne confirm the willingness of Texans to make the ultimate sacrifice to preserve freedom, liberty, justice and peace in all the world; and

Whereas, Two divergent philosophies of government are now embraced in a deadly struggle that has drawn into its flaming vortex most of the countries of Europe; and the totalitarian states have sworn to exterminate democracies and democratic people from the face of the earth, and are now at war with our ideals and our way of life that we cherish as a heritage; and Great Britain is the last remaining barricade sheltering our Nation from the forces of tyranny and aggression; now, therefore, be it

Resolved by the Senate of Texas, the House of Representatives concurring, That the Legislature of the State of Texas, speaking for the people of Texas, inform the Congress of the United States and the President of the United States:

That the people of Texas, in these days of peril to ourselves and all democracies throughout the world, are unified behind the foreign policies of President Roosevelt, and desire that a firm policy toward the aggressor nation be maintained without thought of appeasement, and that Great Britain be given all possible aid until victory is won, so that the epitaph of Christian civilization may not be "too little and too late," and that steps be taken to impress upon both capital and labor the full realization of their responsibilities for National Defense, so that strikes and lockouts may not occur and imperil the safety of this Nation and our civilization over a few pieces of silver; and

That Texans are and will remain true to their historic heritage, and are willing to make whatever sacrifice is necessary, that our Nation and our posterity may live in peace, freedom and liberty; and, be it further

Resolved, That a copy of this resolution be forwarded to the President:
of the United States, the Secretary of State of the United States, the Vice-President of the United States, and the Speaker of the House of Representatives of the Congress of the United States, and to each member of the Texas delegation in the Congress of the United States, so that the President and the Congress and all the world may know that Texans still honor the principles of their fathers.

Chadick, Hill, Lovelady, Pain, Kelley.

The resolution was read, and by unanimous consent, it was considered immediately.

The resolution was adopted.

Report of Conference Committee on House Bill 360

Senator Hazlewood submitted the following report:

_H. B. No. 360, A bill to be entitled “An Act authorizing the commissioners’ court in each county in this State having a population of not less than ten thousand three hundred and twenty-five (10,325) nor more than ten thousand three hundred and fifty (10,350) and nineteen thousand and twenty-five (19,025) nor more than nineteen thousand and seventy (19,070) and twenty-three thousand nine hundred and twenty-three thousand nine hundred and fifty (23,950) according to the last preceding Federal Census to allow each county commissioner certain expense for traveling and in connection with the use of his automobile on official business only; requiring each such commissioner to pay the expense of operation and repair of such vehicle so used without any further expense whatsoever to the county; and declaring an emergency.”

Be It Enacted by the Legislature of the State of Texas:

Section 1. In any county in this State containing a population of not less than ten thousand three hundred twenty-five (10,325) nor more than ten thousand three hundred fifty (10,350), and nineteen thousand and twenty-five (19,025) nor more than nineteen thousand and seventy (19,070), and twenty-three thousand nine hundred (23,900) nor more than twenty-three thousand nine hundred and fifty (23,950) according to the last preceding Federal Census, the commissioners’ court is hereby authorized to allow each commissioner not more than the sum of Thirty-five ($35,00) Dollars per month to be paid out of the road and bridge fund of each respective commissioners’ precinct, for traveling expenses and depreciation on the automobile while used on offi-
cial business only and/or in overseeing the construction and maintenance of the public roads of said counties. Each such commissioner shall pay all expenses in the operation of such automobile and keep same in repair at his own expense, free of any other charge whatsoever to the county; provided, however, that such expenses not to exceed Thirty-five ($35.00) Dollars per month must be itemized, sworn to and filed for record with the county clerk.

Section 2. The fact that in the counties affected by this Act there is great need that the counties participate in defraying the expense of such commissioners because the great amount of road work now going on increases the necessity of such commissioner traveling from place to place overseeing the construction and maintenance of such roads creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each House be suspended, and the same is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

Senate Concurrent Resolution 69

Senator Lemens, by unanimous consent, offered the following resolution at this time:

S. C. R. No. 69, to grant R. W. Dillard and wife, Lillian Dillard, permission to sue the State of Texas.

Whereas, it is alleged that the State Highway Department of Texas did build and cause to be built during the years 1940 and 1941, by and through its duly authorized agents and representatives, and said Highway Department by and through its agents and employees did supervise and construct the building of State Highway No. 287 through the County of Ellis; and

Whereas, it is alleged that R. W. Dillard and wife, Lillian Dillard, owned real property consisting of farms and pastures through which a part of said highway traverses; and

Whereas, it is alleged that in the construction of said Highway No. 287 by said Highway Department, such construction was done and performed in such a manner as to cause a large and long embankment to be constructed in such a way that it is impossible for said R. W. Dillard and wife, Lillian Dillard, to move farm equipment from barns and warehouses situated on one side of this embankment to the other side of said embankment without great hardship and actual danger both to life and property; and

Whereas, it is likewise alleged that it is impossible for said owners, R. W. Dillard and wife, Lillian Dillard, to use a part of their fields from one side of the highway to barns and warehouses situated on the other side of the highway; and

Whereas, It is alleged that said owners, R. W. Dillard and wife, Lillian Dillard, are using a part of
Whereas, Since the construction of this highway in the manner in which it was constructed by said Highway Department, at certain seasons of the year it will be necessary to move stocks from the pasture on one side of the highway to the land belonging to them on the other side of this highway for the purpose of watering and caring for same; and

Whereas, It is alleged that prior to the construction of said highway a creek or branch in its natural course flowed across the property of said R. W. Dillard and wife, Lillian Dillard, in such a natural manner as to cause no inconvenience or detriment to his property, but was in fact an asset; and

Whereas, It is alleged that the said Highway Department in the construction of said highway did construct same in such a manner as to turn the natural flow of water from his land by the construction of deep and dangerous ditches and culverts in such a way as to cause said water to flow down a ditch and off of said property of said R. W. Dillard and wife, Lillian Dillard, and through a storm culvert constructed on property adjoining said property of R. W. Dillard and wife, Lillian Dillard, damaging his property with this unnatural overflow; and

Whereas, It is alleged that the natural course of this stream was changed to flow in an unnatural manner off of his property at such a level that water was caused to flow onto the property of said R. W. Dillard and wife, Lillian Dillard, from the adjoining property that never in the natural course of this stream or the natural incline of the land adjoining him overflowed onto his land; and

Whereas, It is alleged that the construction of this culvert and the long embankment will cause water to back up on part of his land now used for farm purposes and thus arbitrarily make seasonable ponds and artificial lakes to the detriment of said property; and

Whereas, It is alleged that this culvert was constructed and the natural course of the stream was changed to a location on said highway so as to force all of the water draining from the land of the owners as well as the water flowing from the land of the adjoining property owner through the construction of one culvert when it is alleged that in fact two culverts were actually needed; and

Whereas, It is alleged that this culvert was in fact not constructed at a location where the water from the property owner would naturally flow through, but it is alleged that the location of this culvert was made and constructed as an underpass so that cattle belonging to the adjoining property owner could use in going to and from pastures belonging to the adjoining property owners; and

Whereas, It is alleged that if the culvert to serve the overflow had been constructed at its proper place to serve the natural overflow, cattle belonging to R. W. Dillard and wife, Lillian Dillard, could use same at no additional expense to the Highway Department and at no inconvenience or extra cost to the Highway Department; and

Whereas, It is alleged that R. W. Dillard and wife, Lillian Dillard, are now compelled to either drive their cattle and livestock across a State Highway at great hazard or be compelled to either abandon the pasture for stock raising purposes or be compelled to drive their cattle off of their land onto the land of another through this makeshift culvert and underpass, and thence back onto their own property; and

Whereas, It is alleged that in order to do this a fence or barrier will have to be constructed through the entire length of this culvert and lanes would have to be constructed leading back onto the property of said R. W. Dillard and wife, Lillian Dillard, which is impractical and at certain seasons of the year due to the flow of water through this culvert will make such procedure highly impractical if not impossible; and

Whereas, It is alleged that the Highway Department through its duly authorized agents and representatives have over the protest and without the consent of R. W. Dillard and wife, Lillian Dillard, torn down and removed fences constructed by R. W. Dillard to protect his property and have destroyed landmarks and property lines; and

Whereas, It is further alleged that they have failed and refused to reconstruct the fence along the right-of-way of the land that the Highway
Department has taken from said owners; and

Whereas, It is further alleged that R. W. Dillard and wife, Lillian Dillard, owners of the said property, have not been paid for the land thus taken; and

Whereas, The construction of said Highway No. 287 has left barriers and fences down which have not been reconstructed and where all of the alleged injuries herein set forth happened during the construction of said new highway, a part of which is now in the course of being constructed; therefore, be it

Resolved by the Senate, the House concurring, That said R. W. Dillard and wife, Lillian Dillard, be and are hereby granted permission to bring suit against the State of Texas, and against the Highway Department of the State of Texas in any court of competent jurisdiction in Ellis County, Texas, in order to determine what compensation, if any, said R. W. Dillard and wife, Lillian Dillard, are entitled to receive by reason of such alleged damages; and in case such suit be filed service of citation or any other necessary processes shall be had upon the Chairman of the State Highway Commission of Texas, and that the same have the same force and effect as made and provided in Civil cases, and that either parties to said suit shall have the right to appeal, and it is so resolved.

The resolution was read, and was referred to the Committee on State Affairs.

“Section A. The word ‘person’ as used in this Chapter shall be construed to include any individual and all officers, directors, managers, employees, and other agents of all corporations, companies, partnerships, societies and associations, and such is the legislative intent.

“The words ‘weights, measures or (and) weighing or (and) measuring devices’ as used in this Chapter, shall be construed to include all weights, scales, beams, measures of every kind, instruments and mechanical devices for weighing or measuring, and any appliances and accessories connected with any or all such instruments.

“The words ‘sell’ or ‘sale’ as used in this Chapter, shall be construed to include barter and exchange.

“The term ‘false weight or measure, or (and) weighing or measuring device’ as used in this Chapter, shall be construed to mean any weight or measure or weighing or measuring device which does not conform as closely as practicable to the official standards, which is not accurate, which is of such construction that it is not reasonably permanent in its adjustment or will not correctly repeat its indications, which facilitates
the perpetration of fraud, or which does not conform to the requirements of the Statutes of this State and of the specifications and tolerances promulgated by the Commissioner under authority of Article 5714, Chapter 7, Title 95, of the Revised Civil Statutes of Texas of 1929, as amended.

"Section B. It shall be unlawful to sell, except for immediate consumption on the premises, liquid commodities in any other manner than by liquid measure, or commodities not liquid in any other manner than by measure of length, by weight, or by numerical count: Provided, however, that liquid commodities may be sold by weight if there exists a general consumer usage to express the quantity of such commodities by weight and such expression gives accurate information as to the quantity thereof; and that nothing in this Section shall be construed to prevent the sale of fruits, vegetables, and other dry commodities in the standard barrel or by other methods provided for by State or Federal Law; or of berries and small fruits in boxes as provided for in the provisions of other Articles of the Statutes; or of vegetables or fruits usually sold by the head or bunch in this manner: Provided further, that nothing in this Section shall be construed to apply to commodities put up in original packages.

"For the purposes of this Section the term 'original package' shall be construed to include a commodity in a package, carton, case, can, barrel, bottle, box, phial, or other receptacle, or in coverings or wrappings of any kind, put up by the manufacturer, which may be labeled, branded, or stenciled, or otherwise marked, or which may be suitable for labeling, branding, or stenciling, or marking otherwise, making one complete package of the commodity. The words 'original package' shall be construed to include both the wholesale and the retail package.

"For the purposes of this Section the term 'commodities not liquid' shall be construed to include goods, wares, and merchandise, which are not in liquid form and which have heretofore been sold by measure of length, by weight, by measure of capacity, or by numerical count, or which are susceptible of sale in any of these ways.

"Section C. (1) It shall be unlawful to keep for the purpose of sale, offer or expose for sale, or sell, any commodity in package form unless (a) the net quantity of contents, in terms of weight, measure, or numerical count; and (b) the name and place of business of the manufacturer, packer, or distributor shall be plainly and conspicuously marked on the outside of the package: Provided, however, that under Clause (a) of this Section reasonable variations or tolerances shall be permitted, and exemptions as to small packages shall be made; and that under Clause (b) of this Section exemptions as to small packages and packages sold on the premises where packed shall be made; And provided further, that this Section shall not be construed to apply to those commodities in package form, the manner of sale of which is specifically regulated by the provisions of other Articles of the Statutes, or to bales of cotton; and that reasonable rules and regulations for the efficient enforcement of this Act, not inconsistent herewith, and including the reasonable variations or tolerances and the exemptions prescribed herein, shall be made by the Commissioner.

"(2) It shall be unlawful to keep for the purpose of sale, offer or expose for sale, or sell any commodity in package form if its container is so made, formed, or filled, or if it is so wrapped, as to mislead the purchaser as to the quantity of the contents; or if the contents of its container fall below the standard of fill prescribed by regulations promulgated as provided in this Section. For the effectuation of the purposes of this Section the Commissioner is hereby authorized to promulgate regulations fixing and establishing for any commodity in package form a standard of fill of container, which in his best judgment is reasonable with respect to the physical characteristics of the commodity, the size, shape, and physical characteristics of the container, prevailing methods of handling and transportation of packages, and the generally accepted good commercial practice in filling methods: Provided, however, that reasonable variations or tolerances shall be permitted, and that these reasonable variations or tolerances shall be established by regulations made by the Commissioner.
"(3) The words 'in package form' as used in this Chapter, shall be construed to include a commodity in package, carton, case, can, box, bag, barrel, bottle, phial, or on a spool or similar holder, or in a container or band, or in a roll, ball, coil, skein, or other receptacle, or in coverings or wrappings of any kind, put up by the manufacturer, or when put up prior to the order of the commodity, by the vendor, which may be suitable for labeling, branding, or stenciling, or marking otherwise, making one complete package of the commodity. The words 'in package form' shall be construed to include both the wholesale and the retail package: Provided, however, that a box or carton used for shipping purposes containing a number of packages which are individually marked, as heretofore provided, will not be required to bear the weight or measure of the contents thereof; nor the name and place of business of the manufacturer, packer or distributor: And provided further, that the words 'in package form' shall not be construed to include paper stationery in tablet form.

"Section D. It shall be unlawful for any person to sell, or offer to sell, any butter or renovated or process butter or oleomargarine in any other manner than by weight. It shall be unlawful for any person to put up, pack, or keep for the purpose of sale, offer or expose for sale, or sell any butter or renovated or process butter, or oleomargarine, in the form of prints, bricks, or rolls, in any other than the following sizes, to-wit: one-quarter pound, one-half pound, one pound, one and one-half pounds, or multiples of one pound. Each print, brick, or roll shall bear a definite, plain, and conspicuous statement of its true net weight and the name and place of business of the manufacturer, packer, or distributor: Provided, however, that reasonable variations or tolerances in weight shall be permitted, and that these reasonable variations or tolerances shall be established by regulations made by the Commissioner.

"The prints, bricks, or rolls referred to in this Section shall be construed to include those prints, bricks, or rolls put up by the manufacturer or packer; or when put up prior to the order of the commodity, by the vendor.

"Section E. It shall be unlawful for any person to keep for the purpose of sale, offer or expose for sale, or sell, any milk or cream in bottles or other containers of any capacity other than those provided for measures of capacity for liquid in Article 5732, Chapter 7, Title 93, of the Revised Civil Statutes of Texas of 1925, to-wit; the gallon, a multiple of the gallon, one-half gallon, quart, pint, one-half pint, and gill.

"Section F. It shall be unlawful for any person to keep for the purpose of sale, offer or expose for sale, or sell, except for immediate consumption on the premises, any cheese, meat, or meat food products otherwise than by standard net weight: Provided, however, that any cheese, meat, or meat food products, in package form, shall comply with the requirements of Section C of this Article. This Section shall be construed to require that all poultry sold by live weight shall be weighed alive at the time of sale, and that any poultry dressed or killed prior to time of sale, whether cooked or uncooked, shall be sold by net weight at time of sale and not by live weight or by the piece.

"The word 'poultry' as used in this Section shall be construed to include turkeys, chickens, ducks, geese, guineas, squabs, and all other domesticated fowls.

"Section G. Whenever any commodity is sold on a basis of weight, it shall be unlawful to employ any other weight in such sale than the net weight of the commodity; and all contracts concerning goods sold on a basis of weight shall be understood and construed accordingly. Whenever the weight of a commodity is mentioned in this Chapter, it shall be understood and construed to mean the net weight of the commodity.

"Section H. It shall be unlawful for any person to misrepresent the price of a commodity, thing, or service sold or offered or exposed for sale, or to represent the price or the quantity of any commodity, thing, or service sold or offered or exposed for sale in any manner calculated or tending to mislead or deceive an actual
or prospective customer. Whenever any price sign, tag, card, poster, or other advertisement displaying the price of any commodity or thing, includes a whole number and a fraction, the figures in the fraction shall be of proportionate size and legibility with those of the whole number.

"Section I. There shall be no violation under this Act for any discrepancy between actual weight or volume at the time of sale to the consumer and the weight marked on the container or between the fill of container and the capacity of the container if such discrepancy is due to unavoidable leakage, shrinkage, evaporation, waste or to causes beyond the control of the seller acting in good faith.

"Section J. Any person who shall violate any provisions of this Act, or any of the reasonable rules and regulations promulgated hereunder, for which a specific penalty has not been provided, shall be guilty of a misdemeanor, and shall be punished by a fine of not less than Twenty ($20.00) Dollars or more than One Hundred ($100.00) upon a first conviction in any court of competent jurisdiction; and upon a second or subsequent conviction in any court of competent jurisdiction shall be punished by a fine of not less than Fifty ($50.00) Dollars or more than Two Hundred ($200.00) Dollars."

Sec. 2. If any Article, Section, provision, sub-division, or part of this Act should be held invalid for any reason, it is the legislative intent that the remainder of the Act shall remain in full force and effect.

Sec. 3. H. B. No. 110, Chapter 53, Acts of the Third Called Session of the Thirty-eighth Legislature, and all other laws or parts of laws in conflict with this Act are hereby repealed.

Section 4. The fact that many commodities are being sold in this State in package form without the net quantity of contents being marked thereon, and the further fact of the crowded condition of the calendar create an emergency and an imperative public necessity that the constitutional rule requiring all bills to be read on three several days in each House be suspended, and the same is hereby suspended; and this Act shall take effect and be in force from and after its passage, and it is so enacted.

Respectfully submitted,

MOORE, WEINERT, FAIN, RAMSEY, SHIVERS,

On the part of the Senate;

MORSE, HOWARD, WINFREE,

On the part of the House.

S. B. No. 479, A bill to be entitled "An Act authorizing eligible cities as defined herein to issue refunding revenue bonds to take up outstanding revenue bonds issued for the purpose of constructing Exposition and Convention Halls or Coliseums; prescribing the method of issuing and securing such bonds; prescribing the duties of cities and of the officials of cities issuing such refunding bonds; requiring the approval and prescribing the effect of approval of such bonds by the Attorney General; providing for the registration and delivery of such bonds; enacting other provisions relating to the subject and relating to the issuance and security of such bonds; making this Act cumulative of other laws, general or special, but providing that it shall take precedence over other laws or charter provisions in conflict or inconsistent herewith; and declaring an emergency."

Be It Enacted by the Legislature of the State of Texas:

Section 1. This Act shall be applicable to any city of over one hundred thousand (100,000) population according to the last preceding Federal Census, which owns and operates an exposition and convention hall or coliseum against which there are outstanding revenue bonds issued for the construction thereof, and which owns and operates an unencumbered natural gas distribution system which serves the inhabitants of all or a part of such city. Any such city, for the purpose of this Act, shall be an "eligible" city.

Any eligible city is authorized, without an election and without notice of intention to issue such bonds, to issue refunding bonds for the purpose of taking up and in lieu of its outstanding-
ing revenue bonds issued for the purpose of financing the construction of its exposition and convention hall or coliseum, and may secure said refunding bonds by a pledge of the net revenues from the operation of such exposition and convention hall or coliseum, and by the net revenues from the operation of its natural gas distribution system; provided that the revenues from its natural gas distribution system shall not be pledged as security for such refunding bonds unless such refunding bonds are issued to bear an interest rate lower than the rate borne by said outstanding revenue bonds.

Sec. 2. The bonds issued under this Act shall mature serially within a period of time not exceeding thirty (30) years from their date. The governing body of such city shall prescribe the interest rates, maturities and any options of redemption prior to maturity of such bonds. Such bonds which constitute special obligations of the issuing city, shall never be considered indebtedness of such city or town, but solely a charge upon the revenues pledged for the payment of such bonds, and shall never be reckoned in determining the power of such city to issue tax supported bonds for any purpose authorized by law.

Sec. 3. Whenever the income of such exposition and convention hall or coliseum and of such natural gas distribution system shall be encumbered as authorized in this Act it shall be the duty of the city to establish and maintain separate books and accounts for each of the properties whose income shall have been pledged. The total revenues remaining after providing for payment of reasonable operating, maintenance, depreciation, replacement, improvement, necessary expansion and repair charges, resulting from the operation of the encumbered exposition and convention hall or coliseum shall constitute “net revenues.” The total revenues remaining after providing for payment of reasonable operating, maintenance, depreciation, replacement, improvement, necessary expansion and repair charges, resulting from the operation of the encumbered natural gas distribution system shall constitute “net revenues.” The ordinance authorizing such revenue bonds shall prescribe the conditions under which such revenues may be used to pay depreciation, replacement, improvement and necessary expansion charges. It shall be the duty of any city issuing bonds under the provision of this Act to fix and maintain rates, rentals, and charges in the instance of each such encumbered property to assure receipt of income sufficient to pay reasonable operating, maintenance, improvement, necessary expansion and repair charges in connection with the proper operation of such property and to assure net revenues from the property or properties encumbered sufficient to pay the principal and interest of such bonds according to their tenor and effect, and to establish and maintain a reasonable reserve in the interest and sinking fund to be provided for such bonds. The requirement for a “reasonable reserve” shall be satisfied by establishing and maintaining in the interest and sinking fund, in addition to requirements for a given calendar year, money sufficient to pay the principal and interest scheduled to mature and accrue during the succeeding calendar year. After such reserve account shall have been established and so long as it shall remain intact and while there are no delinquencies of principal or interest on any of the outstanding bonds, such city may use the pledged revenues in excess of such requirements for any other lawful purpose. The pledging of the revenues as authorized herein shall not constitute a lien on the physical properties of the exposition and convention hall or coliseum or of the natural gas distribution system.

Sec. 4. Every contract and bond, or other evidence of indebtedness, issued pursuant to this Act shall contain substantially the following clause: “The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.” It shall be the duty of the officials of any such city to file with the Attorney General of the State of Texas a proper transcript of proceedings authorizing the issuance of such refunding bonds and evidencing the pledge of revenues from which the principal and interest of said bonds are to be paid, and to deliver to the Attorney General the executed refunding bonds. It shall be the duty of the Attorney General to approve such record and said bonds when issued in accordance with this law.

Sec. 5. After said bonds have been examined and approved by the Attorney General they shall be registered by the Comptroller and de-

Message from the Governor

The President laid before the Senate and had read the following message from the Governor:

Austin, Texas,  
May 27, 1941.

To the Members of the Forty-Seventh Legislature:

Since sending you my message yesterday with reference to H. B. No. 611, as passed by the House and now in the Senate, will say that some of the members have informed me that some of the House amendments to that bill have been approved by the Social Security Board in Washington.

As far as I am concerned, I have no objection whatever to any amendments that you may add to H. B. No. 611 that will liberalize the bill or clarify its meaning, provided such amend-
ments are acceptable to the Federal Social Security Board. The point I wish to stress is that we have been advised that unless this bill is passed so as to become effective by July 1st, and thus coincide with the Federal law which goes into effect at that time, that it may mean the cutting off of Federal contributions to our old age assistance fund.

Inasmuch as the original bill, H. B. No. 611, had the full approval of the Federal Social Security Board, of course they would not cut off their contributions if the bill was enacted as originally written, so if any amendments are added, I want to respectfully caution you to make sure that such amendments are acceptable to the Federal Social Security Board so that no chances whatever will be taken regarding the cutting off of Federal matching of our old age assistance funds.

Respectfully submitted,

W. LEE O’DANIEL,
Governor of Texas.

At Ease

On motion of Senator Metcalfe, the Senate agreed to stand at ease until the conclusion of the joint session to be held today and, at the conclusion of the joint session, to recess until 10:00 o’clock a. m. tomorrow.

Joint Session

At 1:00 o’clock p. m., the Senate assembled in joint session with the House to hear an address by Hon. H. V. Kaltenborn.

The President occupied a seat at the Speaker’s desk.

The presence of a quorum of each House was duly ascertained and announced by the President of the Senate and by the Speaker of the House.

The Hon. H. V. Kaltenborn was announced at the bar of the House and was escorted to the Speaker’s rostrum by Representatives Cato, Kennedy, Manford, Stubbs, Lowry and Brown.

Speaker Leonard presented Representative Cato, who introduced Mr. Kaltenborn to the joint session.

Mr. Kaltenborn then addressed the joint session.

Recess

The joint session was concluded at 1:40 o’clock p. m., and the Senate then took recess, in accordance with a motion previously agreed to, until 10:00 o’clock a. m. tomorrow.

SIXTY-NINTH DAY

Continued

(Thursday, May 29, 1941)

The Senate met at 10:00 o’clock a. m., and was called to order by the President.

Message from the Governor

The President laid before the Senate and had read the following message from the Governor:

Austin, Texas,
May 28, 1941.

To The Members of the Forty-seventh Legislature:

For many, many years Texas Rangers have been under the supervision of the Adjutant General, but, during the previous administration they were taken away from the Adjutant General, and placed in the Department of Public Safety. When this was done it left the Governor without any positive means of making investigations of lawlessness when asked to do so by the citizens of this State, and it left him without any positive means of rendering aid in stopping lawlessness in local subdivisions when called upon for such aid.

The citizens of this State expect their Governor to respond when they ask for this service because they know that Article 4, Section 10, of our State Constitution, reads in part as follows:

“He (the Governor) shall cause the laws to be faithfully executed.”

The facilities for enabling the Governor to cause the laws to be faithfully executed have been taken away from him, and for that reason, I am attaching a bill which will restore these facilities to the Governor and to the State of Texas so that he may be able to cause the laws to be faithfully executed, and I am submitting this as emergency legislation. This bill when enacted will return the Texas Ranger Force to the Adjutant General’s Department.

During these critical times it is more important than ever that the Governor of the State of Texas should have the Texas Rangers under the command of the Adjutant General, and I trust you will give this matter your immediate attention.

Respectfully submitted,

W. LEE O’DANIEL,
Governor of Texas.
