Senate Bill 486 on Passage to Engrossment

Senator Kelley moved to call S. B. No. 486 from table for further consideration at this time.

The motion prevailed.

The President laid before the Senate on its passage to engrossment (the bill having been herefore read second time and tabled subject to call):

S. B. No. 486, A bill to be entitled "An Act amending Section 1, of Chapter 196, General Laws, Forty-third Legislature, Regular Session, by adding thereto to sub-section to follow sub-section (5), and to be known as sub-section (6), providing that Federal employees stationed within this State by assignment to duty, shall be permitted to enroll
their children in State institutions of higher learning etc.; and declaring an emergency."

Senator Kelley offered the following amendment to the bill:

Amend S. B. No. 486 as follows:

By striking out everything below the enacting clause, and substituting in lieu thereof the following:

Section 1. Section 1, Chapter 196, General Laws, Acts of the Forty-third Legislature, Regular Session, is hereby amended by adding a sub-section to follow sub-section (5) and to be known as sub-section (6), to read as follows:

"(6) Officers, enlisted men, selectees or draftees of the Army, Army Reserve, National Guard, Navy, Naval Reserve, or the Marine Corps of the United States, who are stationed in Texas by assignment to duty within the borders of this State, shall be permitted to enroll their children in State institutions of higher learning by paying the tuition fees and other fees or charges provided for regular residents of the State of Texas, without regard to the length of time such officers, enlisted men, selectees or draftees have been stationed on active duty within the State."

Sec. 2. The fact that under the present emergency so many officers, enlisted men, selectees and draftees of the type herein above set out are stationed within this State, and while in residence here want to keep their children in school, and the further fact that to charge these children the regular out-of-state rate of tuition, under the circumstances, would be unfair, constitutes an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each House be suspended, and said rule is hereby suspended, and that this Act shall take effect and be in force from and after its passage, and it is so enacted.

Senator Moore offered the following amendment to the bill:

Amend the amendment to S. B. No. 486 by adding at the end of sub-section (6) the following: "provided that this shall apply only to those persons whose states grant the same privileges to citizens of Texas under like conditions."

Senator Kelley moved to table the amendment to the amendment.
