"Article 1037. Any person who, by himself or by his servant or agent, or as the servant or agent of another person, shall offer or expose for sale, sell, use in the buying or selling of any commodity or thing, or for hire or award, or in the computation of any charge for services rendered on the basis of weight or measure, or in the determination of weight or measure when a charge is made for
such determination, or retain in his possession, a false weight or measure or weighing or measuring device, or any weight or measure or weighing or measuring device which has not been sealed by the Commissioner, or his deputy, or inspectors, or by a sealer or deputy sealer of weights and measures within one year; or shall dispose of any condemned weight, measure, or weighing or measuring device contrary to law; or who shall sell or offer or expose for sale less than the quantity he represents of any commodity, thing, or service, or shall take or attempt to take more than the quantity he represents, when, as the buyer, he furnishes the weight, measure, or weighing or measuring device by means of which the amount of any commodity, thing, or service is determined, or who shall keep for the purpose of sale, offer or expose for sale, or sell any commodity in a manner contrary to law; or who shall sell or offer for sale, or use or have in his possession for the purpose of selling or using, any device or instrument to be used to or calculated to falsify any weight or measure, shall be guilty of a misdemeanor, and shall be punished by a fine of not less than Twenty ($20.00) Dollars or more than One Hundred ($100.00) Dollars, upon a first conviction in any court of competent jurisdiction; and upon a second or subsequent conviction in any court of competent jurisdiction he shall be punished by a fine of not less than Fifty ($50.00) Dollars or more than Two Hundred ($200.00) Dollars.

"Sec. A. The word 'person' as used in this Chapter shall be construed to include any individual and all officers, directors, managers, employees, and other agents of all corporations, companies, partnerships, societies and associations, and such is the legislative intent.

"The words 'weights, measures or (and) weighing or (and) measuring devices' as used in this Chapter, shall be construed to include all weights, scales, beams, measures of every kind, instruments and mechanical devices for weighing or measuring, and any appliances and accessories connected with any or all such instruments.

"The words 'sell' or 'sale' as used in this Chapter, shall be construed to include barter and exchange.

"The term 'false weight or measure, or (and) weighing or measuring device' as used in this Chapter, shall be construed to mean any weight or measure or weighing or measuring device which does not conform as closely as practicable to the official standards, which is not accurate, which is of such construction that it is not reasonably permanent in its adjustment or will not correctly repeat its indications, which facilitates the perpetration of fraud, or which does not conform to the requirements of the Statutes of this State and of the specifications and tolerances promulgated by the Commissioner under authority of Article 5714, Chapter 7, Title 93, of the Revised Civil Statutes of Texas of 1925, as amended.

"Sec. B. It shall be unlawful to sell, except for immediate consumption on the premises, liquid commodities in any other manner except by liquid measure, or commodities not liquid in any other manner than by measure of length, by weight, or by numerical count: Provided, however, that liquid commodities may be sold by weight if there exists a general consumer usage to express the quantity of such commodities by weight and such expression gives accurate information as to the quantity thereof; and that nothing in this Section shall be construed to prevent the sale of fruits, vegetables, and other dry commodities in the standard barrel or by other methods provided for by State or Federal law; or of berries and small fruits in boxes as provided for in the provisions of other Articles of the Statutes; or of vegetables or fruits usually sold by the head or bunch in this manner: Provided further, that nothing in this Section shall be construed to apply to commodities put up in original packages.

"For the purposes of this Section the term 'original package' shall be construed to include a commodity in a package, carton, case, can, barrel, bottle, box, phial, or other receptacle, or in coverings or wrappings or any kind, put up by the manufacturer, which may be labeled, branded, or stenciled, or otherwise marked, or which may be suitable for labeling, branding, or stenciling, or marking otherwise, making one complete package of the commodity. The words 'original package' shall be construed
to include both the wholesale and the retail package.

"For the purposes of this Section, the term 'commodities not liquid' shall be construed to include goods, wares, and merchandise, which are not in liquid form and which have heretofore been sold by measure of length, by weight, by measure of capacity, or by numerical count, or which are susceptible of sale in any of these ways.

"Sec. C. (1) It shall be unlawful to keep for the purpose of sale, offer or expose for sale, or sell, any commodity in package form unless (a) the net quantity of contents, in terms of weight, measure, or numerical count; and (b) the name and place of business of the manufacturer, packer, or distributor shall be plainly and conspicuously marked on the outside of the package: Provided, however; that under Clause (a) of this Section reasonable variations or tolerances shall be permitted, and exemptions as to small packages shall be made; and that under Clause (b) of this Section exemptions as to packages sold on the premises where packed shall be made: And provided further, that this Section shall not be construed to apply to those commodities in package form, the manner of sale of which is specifically regulated by the provisions of other Articles of the Statutes, or to bales of cotton; and that reasonable rules and regulations for the efficient enforcement of this Act, not inconsistent herewith, and including the reasonable variations or tolerances and the exemptions prescribed herein, shall be made by the Commissioner.

"(2) It shall be unlawful to keep for the purpose of sale, offer or expose for sale, or sell any commodity in package form if its container is so made, formed, or filled, or if it is so wrapped, as to mislead the purchaser as to the quantity of the contents; or if the contents of its container fall below the standard of fill prescribed by regulations promulgated as provided in this Section. For the effectuation of the purposes of this Section the Commissioner is hereby authorized to promulgate regulations fixing and establishing for any commodity in package form a standard of fill of container, which in his best judgment is reasonable with respect to the physical characteristics of the commodity, the size, shape, and physical characteristics of the container, prevailing methods of handling and transportation of packages, and generally accepted good commercial practice in filling methods; Provided, however, that reasonable variations or tolerances shall be permitted, and that these reasonable variations or tolerances shall be established by regulations made by the Commissioner.

"(3) The words 'in package form' as used in this Chapter, shall be construed to include a commodity in package, carton, case, can, box, bag, barrel, bottle, phial, or on a spool or similar holder, or in a container or band, or in a roll, ball, coil, skein, or other receptacle, or in coverings or wrappings of any kind, put up by the manufacturer, or when put up prior to the order of the commodity, by the vendor, which may be suitable for labeling, branding, or stenciling, or marking otherwise, making one complete package of the commodity. The words 'in package form' shall be construed to include both the wholesale and the retail package: Provided, however, that a box or carton used for shipping purposes containing a number of packages which are individually marked, as hereinbefore provided, will not be required to bear the weight or measure of the contents thereof, nor the name and place of business of the manufacturer, packer or distributor; And provided further, that the words 'in package form' shall not be construed to include paper stationery in tablet form.

"Sec. D. It shall be unlawful for any person to keep for the purpose of sale, offer or expose for sale, or sell, any milk or cream in bottles or other containers of any capacity other than those provided for measures of capacity for liquid in Article 5732, Chapter 7, Title 93, of the Revised Civil Statutes of Texas of 1925, to wit, the gallon, a multiple of the gallon, one-half gallon, quart, pint, one-half pint, and gill.

"Sec. E. It shall be unlawful for any person to keep for the purpose of sale, offer or expose for sale, or sell, except for immediate consumption on the premises, any cheese, meat, or meat food products otherwise than by standard net weight: Provided, however, that any cheese, meat, or meat food products, in package form, shall comply with the requirements of Section C of this Article. For the purposes of this Sec-
Any person who shall violate any provisions of this Act, or any of the reasonable rules and regulations promulgated hereunder for which a specific penalty has not been provided, shall be guilty of misdemeanor, and shall be punished by a fine of not less than Twenty ($20.00) Dollars, or more than One Hundred ($100.00) Dollars upon a first conviction in any court of competent jurisdiction; and upon a second or subsequent conviction in any court of competent jurisdiction shall be punished by a fine of not less than Fifty ($50.00) Dollars or more than Two Hundred ($200.00) Dollars.

Sec. 2. If any Article, Section, provision, subdivision, or part of this Act should be held invalid for any reason, it is the legislative intent that the remainder of the Act shall remain in full force and effect.

Sec. 3. H. B. No. 110, Chapter 53, Acts of the Third Called Session of the Thirty-eighth Legislature, and all other laws or parts of laws in conflict with this Act are hereby repealed.

Sec. 4. The fact that many commodities are being sold in this State in package form without the net quantity of contents being marked thereon, and the further fact of the crowded condition of the calendar create an emergency and an imperative public necessity that the constitutional rule requiring all bills to be read on three several days in each House be suspended, and the same is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.
