Message from the Governor

The President laid before the Senate and had read the following message from the Governor:

Austin, Texas, June 12, 1941

To the Members of the Forty-seventh Legislature:

It is highly important that H. B. No. 454 and H. B. No. 611 be enacted at this session of the Legislature. Both of these bills pertain to Social Security and the Federal Social Security Board at Washington has advised us that unless both of these bills are passed the Federal Social Security contributions may be discontinued.

One of these bills simply changes our present statutes so as to make them conform to the new Federal Social Security statutes that become effective next July 1st. The other bill provides for setting up a merit system in our Social Security Department, and this is essential because Federal money is being used to pay salaries and the Federal government requires that employees be subject to the merit system.

I urge that you give these two bills your immediate attention because Federal contributions to our old age pensions may be cut off unless
these two bills are enacted at this session of the Legislature.
Respectfully submitted,

W. LEE O’DANIEL,
Governor of Texas
