Amend S. B. No. 268 by striking out all below the enacting clause and substitute therefor the following:

"Be It Enacted by the Legislature of the State of Texas:

Section 1. There is hereby appropriated the sum of One Hundred Forty Thousand ($140,000.00) Dollars, or so much thereof as may be necessary, out of any monies in the State Treasury not otherwise appropriated, for the purpose of paying for the preparation of plans and specifications for an office building to be used by the State of Texas and its various agencies, departments and bureaus, and also for the purpose of purchasing a site in the City of Austin, Texas, upon which to erect said building. Not more than Fifty Thousand ($50,000.00) Dollars of the money hereby appropriated shall be spent by the State Board of Control for the purpose of paying for the preparation of plans and specifications for said building by engineers or architects, or by engineers and architects, and said plans and specifications shall be approved and paid for by the State Board of Control out of this appropriation.

Sec. 2. Should any land be purchased for a site for said building, the State Board of Control shall select land which shall adjoin the present Capitol Ground, that is, not farther away from said Capitol Grounds than across one street or alley, and said Board of Control shall take into consideration the condition of the improvements upon said land, if any, with the view of utilizing the building or buildings upon same at the time of said purchase for office space, which could be used by the State prior to the construction of an office building upon the same, and if possible with the money available, not less than one-half block of land shall be purchased.

Sec. 3. Should such land be purchased, the title to same shall be examined and found to be good and merchantable in the opinion of the Attorney General before the same shall be purchased by the State Board of Control. The Attorney General shall furnish the State Board of Control, the Governor, the Lieutenant-Governor, and the Speaker of the House with a copy of his opinion and said Attorney General shall prepare all releases, deeds and other documents necessary to place a fee simple title in said property in the State of Texas.

Sec. 4. A copy of the plans and specifications for said building as pro-
vided for herein, in printed form, shall be mailed by the Board of Control to each member or member-elect of the Legislature as soon as convenient after the same are prepared.

Sec. 5. That if any clause, sentence, paragraph or part of this Act shall be for any reason adjudged by any court of competent jurisdiction to be invalid or ineffective, such judgment shall not affect, impair or invalidate the remainder of this Act, but shall be confined in its operation to the clause, sentence, paragraph or part thereof directly involved in the controversy in which such judgment has been rendered.

Sec. 6. The fact that the State of Texas is in dire need of additional office space for the accommodation of officers and employees of the various agencies, departments and bureaus of the State, and that such facilities may be economically provided by construction of a State office building, and the fact that a resolution for a constitutional amendment submitting the proposition of the construction of a State office building to the people has been passed by this Legislature, and the fact that the City of Austin is growing in population at a very fast rate and that property in said city is becoming more valuable, and it is desirable that the plans for the construction of said building should be ready and the site of the building decided upon and acquired at an early date in order to avoid delay, create an emergency and an imperative public necessity that the constitutional rule requiring all bills to be read on three several days in each House be suspended, and said rule is hereby declared not to affect, impair or invalidate the remainder of this Act or to enter into any contract or agreement in connection with the purchase of land is null and void.

Provided no plans or specifications shall be contracted for unless and until a site has been selected and purchased."

The amendment to the amendment was adopted.
