Senate Resolution 344

Senator Hardeman offered the fol-
lowing resolution:

Whereas, The vast area that is now
the State of Alaska and the largest
state in our great Union was acquired
one hundred years ago from Russia,
when the treaty negotiated by Wm.
H. Seward, Secretary of State under
President Andrew Johnson, was signed
on March 30, 1867; and

Whereas, Only superlatives can de-
scribe the majesty that is Alaska; nor-
thernmost Pt. Barrow, its flat,
treeless tundra and sub-zero temperatures; the great Brooks Range, with splendid Mt. Chamberlain, Mt. Michelson, and Mt. Alapah; Central Alaska, with mountains, valleys and plateau pierced by the beautiful Yukon River on its meandering course to the Bering Sea; the major Alaska Range, where towers Mt. McKinley, at 20,320 feet the highest point in North America; the Panhandle, scenic world of wonder where the land drops steeply to the sea to create a half moon of craggy fjords; Katmai National Monument, northwest of the Gulf of the Aleutian Range, the volcanic mountains and Valley of 10,000 Smokes; and the huge Muir Glacier, 2 miles wide and 250 feet tall, the Glacier Bay National Monument; and

Whereas, The treasures of this mighty land, bought for only $7.2 million, are equally awesome; the legendary gold-rush days of 1896 are long past, but gold production last year was valued at more than $1.5 million; oil has replaced the early importance of gold, and the economy of Alaska and the entire nation was stimulated by nearly $34 million from this resource in 1966; other important minerals include coal, natural gas, mercury, uranium, platinum—to name a few; the splendid forests of spruce, yellow cedar and hemlock, red cedar and birch, add annually an estimated $89 million through manufacture into lumber and other wood products; Alaskan fisheries are fabled the world over, and commercial production averages more than $56 million each year; wildlife abounds to provide the magnificent furs—seal, sable, ermine, land otter, muskrat, beaver and the rest—which warm and adorn the most beautiful women in the world; and

Whereas, The lore and history of this great land read stranger than fiction—and far more interesting—and the names and places tinge the imagination with colors and hues more intense than those on the artist’s palette: there’s Skagway, historic entry to the Klondike gold fields, via Chilkoot Pass and White Pass; Ketchikan must certainly be a play on words, centering as it does the famous salmon industry; Anchorage, Alaska’s largest city, sits at the head of Cook Inlet, named for the famous British explorer who visited the western coast in 1776; the Bering Strait, carrying the name of Alaska’s discoverer, Vitus Bering, a Dane employed by Russia; Valdez, on the Gulf, first reached by Spaniards in 1790; the Pribilof group, a name reminiscent of Russian ownership; and words like Unimak, Umnak and Attu, in the Aleutian Islands; and

Whereas, After the Alaskan Purchase on March 30, 1867, called “Seward’s Folly,” which was succeeded by the formal transfer of the territory to the United States on October 18, 1867, Alaska was designated a District and did not become an Organized Territory until August 24, 1912; nearly a half century elapsed before Alaska was voted into the Union on June 30, 1958, and on January 3, 1959, was officially proclaimed the 49th state by Dwight D. Eisenhower, the first native Texan to serve as President; and

Whereas, Fabulous and legendary characters contributed to the romantic and interesting sagas emanating from this land of promise including such as the late Tex Rickard, a native Texan known as “The Magnificent Rube,” who operated a saloon, “The Northern,” in Dawson during gold-rush days and later gained fame as a boxing promoter of international renown. It was this era which inspired the nostalgic poems of “The Face on the Barroom Floor” and “The Shooting of Dan McGrew”; and

Whereas, The same spirit which brought about the settlement, the growth and development of Alaska, pervaded the Texas frontier, and perhaps this, in part, has welded the bond of close friendship and comaraderie which Texans feel for Alaskans; which makes the Senate of Texas, at this time, pause to recognize a great sister state and congratulate her and those who sit in the legislative halls at the beautiful capital city of Juneau, as they begin the celebration of Alaska’s centenary in the American Republic; now, therefore, be it
Resolved, That the Senate of the 60th Legislature of the State of Texas does hereby pay its respect to the State of Alaska and to all those courageous men and women of many cultures and many nationalities who brought this great northland through 100 years of progress under the Flag of the United States of America; and, be it further

Resolved, That copies of this resolution be forwarded to the Honorable Walter J. Hickel, Governor of Alaska; to the President of the Senate of Alaska; to the United States Senators from Alaska, Edward L. Bartlett and Earnest Gruening; and to the Honorable H. W. Pollock, United States Representative, as an expression of esteem and good wishes for the State of Alaska from the Senate of Texas.

The resolution was read.

On motion of Senator Grover and by unanimous consent the names of the Lieutenant Governor and all Senators were added to the resolution as signers thereof.

The resolution was then adopted.

Senate Concurrent Resolution 45

Senator Watson offered the following resolution:

S. C. R. No. 45, Providing for the Texas Legislative Council to make a study of Texas programs designed to stimulate the industrial growth of Texas and other matters, and designating certain agencies and providing a Citizens Advisory Committee to assist in this study.

Whereas, Efforts to attract new industry to Texas and provide the impetus for expansion programs in existing industry require diligent and constant appraisal of all factors influencing plant location; and

Whereas, Among the most important influences on the location or expansion of industry is the availability of labor force, of the skilled technician who is the pilot man between the scientist and engineer and the craftsman and supervisor; and

Whereas, The increasing demands of modern technology have been recognized in the larger industrial states of the nation, and training programs have been inaugurated so that the supply of workers can be quickly trained or retrained to meet requirements; and

Whereas, To Texas, every 100 new jobs in manufacturing means $710,000 per year in additional personal income, another $331,000 per year in retail sales, and 65 new jobs in non-manufacturing enterprises; and

Whereas, A state training program for industrial technicians and other workers could be one of the greatest incentives in attracting new industry and industrial growth and expansion, and most of the leading industrial states have inaugurated training programs of this type; and

Whereas, The competitive position of the State of Texas with respect to industrial development programs and methods of improving and increasing the industrial growth rate in Texas is of vital importance to the economy and well-being of this state; now, therefore, be it

Resolved by the Senate of the State of Texas, the House of Representatives concurring, That the Texas Legislative Council be requested to make a comprehensive study of Texas programs designed to stimulate the industrial growth of Texas, as well as programs whereby some of the major industrial states of the nation are responding to industrial needs; and, be it further

Resolved, That the study include a survey of facilities existing in Texas which might be utilized or adapted to use in providing competent training programs for industrial workers; and, be it further

Resolved, That the Texas Education Agency, the Texas Employment Commission, the Texas Industrial Commission, the James Connally Technical Institute and other state or federal agencies or institutions, which have functions and duties relating to industrial development, be requested to assist the Texas Legislative Council with statistical and other information adaptable to the needs of the study; and, be it further
Resolved, That the council receive further assistance on the study from a special 12-member Citizens Advisory Commission, to be appointed by the Lieutenant Governor and composed of: (a) six persons from industry, two representing a business employing 20 or fewer persons, two representing a business employing from 21 to 499 persons; and two representing a business employing more than 500 persons; (b) two persons representing organized labor; and (c) four persons who are civic leaders in their communities, two from the standard metropolitan statistical areas of the state and two from smaller Texas cities; and, be it further

Resolved, That the council report its findings and recommendations, together with drafts of such legislation as it may deem desirable, to the Regular Session of the 61st Legislature.

The resolution was read.

On motion of Senator Watson and by unanimous consent the resolution was considered immediately and was adopted.

Record of Vote

Senate Concurrent Resolution 46

Senator Schwartz offered the following resolution:

S. C. R. No. 46, Creating an interim committee to study problems peculiar to the various beaches of Texas.

Whereas, The Texas coastline and beautiful white-sand beaches extend more than 1,150 miles as shoreline, bays, and inlets along the Gulf of Mexico; and

Whereas, Certain problems exist in connection with the development of these beaches relating to the procuring of right-of-way and highway construction, methods of procuring easements for access and ingress, provision for adequate parking areas, the rights of landowners and abutting property owners, establishment and development of beach parks, and other matters; and

Whereas, These beaches constitute one of the greatest physical assets of this state, both for tourism and recreational development; and

Whereas, It is imperative that the State of Texas exercise safeguards to the end that all beach development shall be undertaken and carried forward to serve the best interests of Texas and Texas citizens; now, therefore, be it

Resolved by the Senate of Texas, the House of Representatives concurring, That an interim committee be created to make a study of problems peculiar to the various beaches of Texas. This Committee to Study Texas Beaches shall be composed of three Representatives, to be appointed by the Speaker of the House of Representatives; three Senators, to be appointed by the Lieutenant Governor of the State of Texas, or a representative appointed by such Land Commissioner; the Chief Engineer of the Highway Department of the State of Texas, or a representative appointed by the Chief Engineer; and one citizen of the state, appointed by the Governor. The expense incurred by the legislative members of the committee in performing their duty shall be payable one-half out of the Contingent Expense Fund of the House and one-half out of the Contingent Expense Fund of the Senate; and, be it further

Resolved, That the interim committee shall conduct the study and make its report and recommendations to the 61st Legislature; and, be it further

Resolved, That the report of the special interim committee shall cover the following subjects:

a. The most practical method of procuring the right-of-way necessary for construction of essential parallel highways and vehicular parking areas to facilitate access to the beach, all to be situated landward and above the beach;
b. Method of procuring easements for egress and ingress between such parking areas and the beach;
c. Procedure for negotiation and execution of cooperative agreements between the state and affected landowners for acquisition by gift or purchase of such rights-of-way and easements;
d. Recognition of rights in such landowners to construct works, including groins, for the protection of their property and meeting the standards to be prescribed in such legislation;
e. Method of negotiations with landowners for additional easements or deeds for park areas adjacent to the beach, for the use and pleasure of the public, provided such lands or easements can be obtained without cost to the state;
f. Any change necessary to bring general legislation into conformity with the fixed procedures applicable to National Seashore Areas, to the extent that lands along the coast may be designated to a National Seashore Area; and
g. Such other related matters as in the opinion of the interim committee should be included in such report so as to facilitate the development of Texas beaches as public recreational areas and to further their development as a tourist attraction.

Such ability shall be proven in one of the following ways:

"(a) An errors and omissions policy issued by an insurance company licensed to do business in the State of Texas insuring such corporation against errors and omissions in at least the sum of Twenty-Five Thousand ($25,000.00) Dollars, with no
more than a One Thousand ($1,000.00) Dollar deductible feature; or

"(b) A bond executed by such corporation as principal and a surety company authorized to do business in this State, as surety, in the principal sum of Twenty-Five Thousand ($25,000.00) Dollars, payable to the State Board of Insurance for the use and benefit of customers of such corporation, conditioned that such corporation shall pay any final judgment recovered against it by any customer; or

"(c) A deposit of cash or securities of the class authorized by Articles 2.08 and 2.10 of this Code, having a fair market value of Twenty-Five Thousand ($25,000.00) Dollars with the State Treasurer. The State Treasurer is hereby authorized and directed to accept and receive such deposit and hold it exclusively for the protection of any customer of such corporation recovering a final judgment against such corporation. Such deposit may be withdrawn only upon filing with the Board evidence satisfactory to it that the corporation has withdrawn from business, and has no unsecured liabilities outstanding, or that such corporation has provided for the protection of its customers by furnishing an errors and omissions policy or a bond as hereinafter provided. Securities so deposited may be exchanged from time to time for other qualified securities.

"A binding commitment to issue such a policy or bond, or the tender of such securities, shall be sufficient in connection with any application for license.

"Nothing contained herein shall be construed to permit any unlicensed shareholder, director, officer, employee or agent of any corporation to perform any act of a local recording agent without obtaining a local recording agent’s license. The Board shall not require a corporation to take the examination provided in Section 6 of this Article 2.14.

"If at any time, any corporation holding a local recording agent’s license does not maintain the qualifications necessary to obtain a license, the license of such corporation to act as a local recording agent shall be cancelled or denied in accordance with the provisions of Sections 16, 17 and 18 of this Article 2.14; however, any unlicensed shareholder, officer or director who does not qualify as herein provided by being a relative of the first or second degree of a licensed local recording agent, but who acquired his shares by gift, devise or descent, shall have a period of ninety (90) days from date of acquisition within which to obtain a license as a local recording agent before the cancellation of such corporation’s license. Each corporation licensed as a local recording agent shall file, under oath, a list of the names and addresses of all of its officers, directors and shareholders with its yearly application for renewal license.

"Each corporation licensed as a local recording agent shall immediately notify the State Board of Insurance upon any change in its officers, directors or shareholders.

"The term ‘firm’ as it applies to local recording agents in Section 2, 12 and 16 of this Article 2.14 shall be construed to include corporations."

Section 2. Section 4 of Article 2.14 of the Insurance Code of 1951, as amended, of the Acts of 1951, 52nd Legislature, Page 868, Chapter 491, is hereby amended to read as follows:

"Section 4. Acting Without License Forbidden.

"It shall be unlawful for any person, firm, partnership or corporation or any officer, director or shareholder of a corporation to act as a local recording agent or solicitor in procuring business for any insurance company, corporation, interinsurance exchange, mutual, reciprocal, association, Lloyds or other insurance carrier, until he or it shall have in force the license provided for herein."

Section 3. Sections 5 of Article 2.14 of the Insurance Code of 1951, as amended, of the Acts of 1951, 52nd Legislature, Page 868, Chapter 491, is hereby amended to read as follows:

"Section 5. Active Agents or Solicitors Only to be Licensed.

"No license shall be granted to any person, firm, partnership or corporation, either as a local recording agent or solicitor, for the purpose of writing any form of insurance, unless it is found by the State Board of Insurance that such person, firm, partnership or corporation, is or intends to be, actively engaged in the soliciting or writing of insurance from the public generally; that each person or individual of a firm is a resident of Texas, of good character and good reputation, worthy of a
license, and is to be actively engaged in good faith in the business of insurance, and that the application is not being made in order to evade the laws against rebating and discrimination either for the applicant or for some other person, firm, partnership or corporation. Nothing herein contained shall prohibit an applicant insuring property which the applicant owns or in which the applicant has an interest; but it is the intent of this Section to prohibit coercion of insurance and to preserve to each citizen the right to choose his own agent or insurance carrier, and to prohibit the licensing of an individual, firm, partnership or corporation to engage in the insurance business principally to handle business which the applicant controls only through ownership, mortgage or sale, family relationship or employment, which shall be taken to mean that an applicant who is making an original application for license shall show the State Board of Insurance that he or it has a bona fide intention to engage in business in which at least twenty-five per cent (25%) of the total volume of premiums shall be derived from persons or organizations other than applicant and from property other than that on which the applicant shall control the placing of insurance through ownership, mortgage, sale, family relationship or employment; and which shall be taken to mean, in the case of application for renewal of license, that at least twenty-five per cent (25%) of applicant's total volume of premiums, during the year preceding such application for renewal, shall have been derived from persons other than applicants and from property other than that on which the applicant controlled the placing of insurance through ownership, mortgage, sale, family relationship or employment. Nothing herein contained shall be construed to authorize a corporation to receive a license as a solicitor.

"Any person or any member of any firm, or any corporation, or any officer, director, shareholder or employee of any corporation who violates any of the provisions of Section 4, 15 and 22 of this Article shall be guilty of a misdemeanor, and on conviction in a court of competent jurisdiction, shall be punished by a fine of not less than One Dollar ($1.00) nor more than One Hundred Dollars ($100.00)."

Section 5. Precedent of Act in Cases of Conflict.

The rights, power, authority and procedures created in the foregoing sections of this Act shall be deemed to be in addition to all of the rights, authorities and procedures now existing and conferred by the laws of the State of Texas, and any pre-existing Act which tends to hamper or limit the rights, authorities and procedures created in this Act shall be deemed to be superseded by the provisions hereof and, to the extent that any other law is in conflict with, or inconsistent with the provisions hereof, the provisions of the Act shall take precedence and be effective.

Section 6.

The provisions of this Act are hereby declared to be non-severable; and if any provisions, section, subsection, phrase or word of this Act, or the application thereof to any person, firm or corporation or circumstances declared by a final judgment of a court of competent jurisdiction to be invalid, such invalidity shall affect and make invalid all other provisions and applications of this Act.

Section 7.

The importance of this legislation and the crowded condition of the calendar in both Houses create an emergency, and an imperative public necessity that the Constitutional rule requiring bills to be read on three several days in each House be suspended, and this rule is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

In Memory of

Henry E. Bell

Senator Parkhouse offered the following resolution:

(Senate Resolution 333)

Whereas, On March 19, 1967, the city of Dallas and the entire State of Texas lost an esteemed citizen with the death of Henry E. Bell, at the age of 73; and

Whereas, He was a native of Doniphan, Missouri, and before coming to Dallas to make his home some 12 years ago, he served the city of Doniphan as mayor; and

Whereas, In addition to his business and civic activities in Doniphan, he was a member of the Masonic Lodge there; and

Whereas, During his residency in Dallas, Mr. Bell served at one time as a security guard at the Mercantile National Bank; and

Whereas, His geniality and civic leadership will be greatly missed by his many friends and associates in both Dallas and Doniphan, and it is appropriate that the Senate of the 60th Legislature pay tribute to this outstanding man; now, therefore, be it

Resolved, That the Senate of Texas by this Resolution show honor and respect to the memory of Henry E. Bell and extend deep sympathy to the members of his family on their great loss: to his wife of Dallas; two daughters, Mrs. John R. Gateley and Mrs. Ellen B. Coulam of Dallas; and two sons, E. Burke Bell of Camden, Tennessee, and Howard G. Bell of Orlando, Florida; and, be it further

Resolved, That copies of this Resolution be prepared under the Seal of the Senate for his wife and children, and that when the Senate adjourns this day it do so in memory of Henry E. Bell.

PARKHOUSE

The resolution was read.

On motion of Senator Herring and by unanimous consent the names of the Lieutenant Governor and all Senators were added to the resolution as signers thereof.

The resolution was then adopted by a rising vote of the Senate.
In Memory of
Curtis Bishop

Senator Herring offered the following resolution:

(Senate Resolution 342)

Whereas, His family, friends, and professional associates, and youngsters throughout the land, suffered a great loss with the death of Austin's own Curtis Bishop, widely known newspaper writer and author of countless award-winning books on sports, on western lore, and many stories dear to the heart of a boy; and

Whereas, Death came suddenly to the 63-year-old writer on March 17, 1967, and his passing will create a void in the pages of fiction and non-fiction publications which relied on his prolific pen; and

Whereas, A native of Tennessee, he moved to Texas as a boy and became a newspaper reporter at 16; the column he formerly wrote for the Austin American-Statesman, entitled "This Day in Texas;" awakened the interest of boy and man alike—and women too—in hitherto little-known history of the Lone Star State; and

Whereas, In 1961, he published "The Texas Daybook," a collection of historical events in the state, and his other historical writings included "The First Texas Ranger; Jack Hays;" and

Whereas, Many of his books were directed toward teen-age readers, appealing to the sports-minded with such titles as "Half Time Hero" and "Dribble Up;" and

Whereas, His published works included more than 50 books, and he was also the author of several hundred magazine articles; as a student at The University of Texas, he was twice editor of "The Ranger," student magazine; he was also sports editor of The Daily Texan, student newspaper; and

Whereas, He was a perennial honoree at the Texas Writers Roundup, was a winner of a Look Magazine award for a television play, and, intermittently, wrote special articles for newspapers throughout Texas; and

Whereas, He and his wife, the former Grace Eyres, settled in Austin in 1936; he was a former director of information for the Texas Employment Commission, but left the post some four years ago to join the staff of the General Land Office, where he served until his death as administrative assistant in public relations; and

Whereas, During World War II, he was with the Foreign Broadcast Intelligence Service in Latin America, and also served in the Pacific Theater of Operations; and

Whereas, The Senate of the 60th Legislature wishes to pay tribute to this outstanding citizen and author and to extend sympathy to the members of his family in their great loss; now, therefore, be it

Resolved, That the Senate of the State of Texas by this Resolution express appreciation for the life and service of Curtis Bishop, who, by his pen, instilled the principles of sportsmanship in his young readers, and brought color and enjoyment to the lives of many from all walks of life; and, be it further

Resolved, That copies of this Resolution, under the Seal of the Senate of Texas, be prepared for his wife and his four children—Barry, Barbie, Bryan and Burk Bishop; and be it further

Resolved, That when the Senate of Texas adjourns this day, it do so in memory of Curtis Bishop.

HERRING

The resolution was read.

On motion of Senator Parkhouse and by unanimous consent the names of the Lieutenant Governor and all Senators were added to the resolution as signers thereof.

The resolution was then adopted by a rising vote of the Senate.
In Memory of

Oscar T. Martin, Sr.

Senator Herring offered the following resolution:

(Senate Resolution 343)

Whereas, Close friends, associates, and the many citizens of Austin who knew Oscar T. Martin, Sr., retired deputy US marshal and former Texas Ranger, were saddened by his death on March 15, 1967; and

Whereas, Mr. Martin, who died at the age of 84 after an interesting and useful life of service in law enforcement, retired as a deputy US marshal of the Western District of Texas in 1953, ending 12 years in that position; he served as a Texas Ranger for seven years; and in the earlier years of his life he was a deputy sheriff; for the past 12 years, until he became ill just a few months before his death, he was a bailiff in the 126th District Court under Judge Jack Roberts; and

Whereas, He was a member of the Ward Memorial Methodist Church and the Ex-Texas Rangers Association; and

Whereas, He spent his entire life either in law enforcement or farming, and was born on a farm in Travis County near Onion Creek; the family land on which he farmed is now encompassed by Bergstrom Air Force Base; and

Whereas, The Senate of the 60th Legislature wishes to pay tribute to this outstanding citizen and law enforcement officer, who gave so generously of himself in service to his state and community; now, therefore, be it

Resolved, That the Senate of the State of Texas by this Resolution show honor and respect to Oscar T. Martin, Sr., and extend deep sympathy to the members of his family on their great loss: to his sons, Travis County District Clerk O. T. Martin, Jr., and Clyde Martin of Baytown; his two sisters, Mrs. L. L. Walker of Texarkana, Arkansas, and Mrs. R. C. McCullough of Houston; and his grandson, Thomas W. Martin of Baytown; and, be it further

Resolved, That copies of this Resolution be prepared for his two sons, and that when the Senate adjourns this day it do so in memory of Oscar T. Martin, Sr.

HERRING

The resolution was read.

On motion of Senator Parkhouse and by unanimous consent the names of the Lieutenant Governor and all Senators were added to the resolution as signers thereof.
