Senate Bill 589 on Second Reading

The Presiding Officer laid before the Senate on its second reading and passage to engrossment:

S. B. No. 589, A bill to be entitled "An Act amending Article 6243g of Vernon's Revised Civil Statutes of Texas relating to municipal pension systems in certain cities of this State; providing for nonseverability; and declaring an emergency."

The bill was read second time.

Senator Cole offered the following amendment to the bill:

Amend S. B. No. 589 by striking out all above and all below the enacting clause and substitute in lieu thereof the following:

A bill to be entitled "An Act relating to municipal pension systems in all cities of this state having a population in excess of nine hundred thousand (900,000) inhabitants according to the last preceding Federal Census; amending Chapter 358, Acts of the 48th Legislature, Regular Session, 1943, as amended (Article 6243g, Vernon's Texas Civil Statutes) by adding a new section 23a; and declaring an emergency."

Section 1. Chapter 358, Acts of the 48th Legislature, Regular Session, 1943, as last amended by Chapter 107, Acts of the 59th Legislature, Regular Session, 1965 (Article 6243g, Vernon's Texas Civil Statutes) is amended by adding a new section 23a, to read as follows:

"Section 23a. Notwithstanding any other provision of this Article 6243g should a governmental subdivision which has been or may be formed in the future to assume and perform the function of a department, agency, or other establishment which was formerly operated by the city or jointly by the city with another governmental subdivision and all employees who performed services for such a department, agency or other establishment were transferred en masse to the newly created governmental subdivision formed to assume and perform the function of the department, agency or other establishment for which such employees performed services prior to their transfer, then such newly created governmental subdivision through its governing body may elect to create a pension system for such transferred employees within ninety days of the enactment of this amendatory act or within ninety days of the creation of such newly created governmental subdivision, whichever occurs later, and the Pension Board of the Pension
System established by the city shall, within thirty days after being notified by the governing body of the newly created governmental subdivision of its intention to create a pension system for such transferred employees, transfer to such governing body in cash and/or in obligations of the United States Government of equal fair market value at date of transfer all contributions made by the transferred employees to the Pension System of the city prior to their transfer, who were not eligible and had not elected benefits under the Pension System at the time of transfer, together with all contributions made by the city and/or any other governmental subdivision to the Pension System of the city on behalf of such transferred employees, all without interest. Such payment by the Pension Board of the Pension System of the city shall be in full satisfaction of all claims such transferred employees may have on the Pension System of the city. If the governing body of the newly created governmental subdivision elects not to create, or fails to elect to create, a pension system for the transferred employees within ninety days of the enactment of this amendatory act or within ninety days of the creation of such newly created governmental subdivision, whichever occurs later, then the Pension Board of the Pension System of the city shall refund to each of the transferred employees who was not eligible and had not elected benefits under the Pension System of the city at the time of transfer his own contributions, without interest, in satisfaction of any claim such transferred employee may have on the Pension System of the city. The rights of any transferred employee who was eligible at the time of transfer and had timely elected a benefit under the Pension System of the city shall not be affected by this section and such employee shall be entitled to all benefits which had accrued to him or her under the Pension System of the city at the time of transfer without regard to this amendatory act.”

Sec. 2. It is hereby declared to be the legislative intent to enact each separate provision of this Act dependent upon each of the other provisions, and if any clause, sentence, or part of this Act shall be declared unconstitutional then no other clause, sentence or part thereof shall be given any effect; and to this end the provisions of this Act are declared not to be severable.

Sec. 3. The fact that the present law is inadequate has caused a grave need for this revision and results in an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and such Rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

No. 600, A bill to be entitled "An Act relating to the compensation and expenses of the District Attorney of the 24th Judicial District, the compensation of his stenographer, and the appointment and compensation of an assistant district attorney; amending Chapter 310, Acts of the 57th Legislature, Regular Session, 1961 (Article 326k-45, Vernon's Texas Civil Statutes); and declaring an emergency."

The bill was read second time.

Senator Patman offered the following amendment to the bill:

Amend S. B. No. 600 by striking all below the enacting clause and substituting the following:

Section 1. Chapter 310, Acts of the 57th Legislature, Regular Session, 1961 (Article 326k-45, Vernon's Texas Civil Statutes), is amended to read as follows:

"Section 1. The District Attorney of the 24th Judicial District shall be compensated for his services in such amount as may be fixed by the General Law relating to the salary to be paid District Attorneys by the State, and in addition his salary may be supplemented by the Commissioners Courts of the counties comprising such District, in the manner specified in succeeding Sections of this Act; provided, however, that the total salary of such District Attorney shall not be supplemented to exceed an annual salary of Fourteen Thousand Dollars ($14,000).

"Section 2. The Commissioners Courts of the counties comprising the 24th Judicial District are hereby authorized to pay in equal monthly payments the supplement to the salary paid the District Attorney by the State of Texas in such amounts that the total salary paid the District Attorney shall not exceed the maximum prescribed in Section 1 of this Act.

"Section 3. The supplemental salary and the expenses to be paid the District Attorney, and the salary to be paid the investigator or the Assistant District Attorney, shall be paid by the Commissioners Courts of the counties comprising the 24th Judicial District, except Victoria County, in proportion to the population of the counties, except Victoria County, according to the last preceding Federal Census.

"Section 4. The District Attorney of the 24th Judicial District is hereby authorized to appoint two Stenographers whose salaries shall be fixed and determined by the District Attorney of said Judicial District, and the District Attorney shall file with the Commissioners Court of each County in said District a statement specifying the amount of salary to be paid said Stenographers. Said salary shall be paid monthly by the Commissioners Court of each County comprising said District in the manner and on the same pro rata basis as that contained in the order of the District Judge of such Districts for the payment of the salary of the official shorthand reporter.

"The Commissioners Court of the County in which the District Attorney resides shall furnish the District Attorney with adequate office space and the supplies necessary to the efficient operation of said office.

"Section 5. The District Attorney of the 24th Judicial District is authorized to appoint an investigator or an Assistant District Attorney for the district. The salary of the investigator or the Assistant District Attorney shall be fixed and determined by the District Attorney, and the District Attorney shall file with the Commissioners Court of each county comprising the district, except Victoria County, a statement specify-
ing the amount of the salary to be paid to the investigator or the Assistant District Attorney. The salary shall be paid monthly by the Commissioners Court of each County in the proportion prescribed by Section 3 of this Act. The Assistant District Attorney must be duly and legally licensed to practice law in the State of Texas, and he is authorized to perform all duties imposed upon the District Attorney by law.

"Section 6. In addition to the salary prescribed by law, the District Attorney of the 24th Judicial District shall be allowed the actual and necessary expenses, not to exceed Two Thousand Dollars ($2,000) per year, incurred by him in the proper discharge of his duties; and each County shall pay a proportion of these expenses as prescribed by Section 3 of this Act.

"Section 7. Should the District Attorney of the 24th Judicial District be of the opinion that the number of investigators, assistants, stenographers, clerks, or employees as provided is not adequate for the proper investigation and prosecution of crime and the effective performance of the duties of his office, he may with the approval of the Commissioners Court of each county comprising the district, except Victoria County, appoint additional investigators, assistants, stenographers, clerks or employees and pay same such compensation as may be fixed by the Commissioners Courts of said district, except Victoria County."
