S. C. R. No. 81, Expressing strong opposition to the Proposal that the United States relinquish its sovereignty over the Canal Zone and the Panama Canal.

WHEREAS, The Executive Branch of the United States Government has publicly announced that it is in the process of negotiating a treaty or treaties with the Republic of Panama that could dilute the indispensable grant of sovereignty over the United States-owned Canal Zone ter-
The House of Representatives, and to
the United States Senate, by the United States Senate, could divest the United States of authority where there is grave responsibility and thereby render our government impotent to maintain and operate the Panama Canal in conformity with the provisions of the 1901 Hay-Pauncefote Treaty with Great Britain under which treaty the United States is obligated to maintain, operate and protect the Panama Canal on terms of equality for world shipping; and

Whereas, Any such proposed treaty or treaties, if ratified by the United States Senate, could destroy all the indispensable rights heretofore exercised by the United States with respect to the Canal Zone and the Panama Canal; and

Whereas, Any withdrawal by the United States could imperil the security of governments throughout Latin America, as in the case of Cuba, and imperil the security of the United States and the entire Western Hemisphere; and

Whereas, The Panama Canal is of extreme economic importance to all Texas seaports, especially regarding commerce between Texas and the Orient, this importance being further emphasized by the fact that both the Port of Houston and the Panama Canal opened for commerce in the same year, 1914; and

Whereas, Some of these Oriental nations now shipping wheat through Texas Gulf Coast ports are gravely concerned about the possibility of the United States losing control of the Panama Canal; now, therefore, be it

Resolved, By the Senate of the State of Texas, the House of Representatives concurring, that the State of Texas opposes the relinquishing by the United States of its existing rights, powers and authority over the Canal Zone and Panama Canal; and be it further

Resolved, That a copy of this Resolution be forwarded to the President of the Senate in the Congress of the United States and the Speaker of the House of Representatives, and to each United States Senator from Texas in the Congress and each member of the House of Representatives in the Congress from Texas.

Whereas, Winning titles is nothing new for the beautiful and graceful Texas Matador Twirlers of Lubbock, who will represent Texas at the national twirlers contest in Oxford, Mississippi, in August, 1967; and

Whereas, Precision is the word that best describes the action of the twelve teenage girls who make up the twirlers corps; six other members are knife twirlers, and four girls are flag carriers; and

Whereas, This will be the second trip to the national contest for these girls, who won the State title at the National Baton Twirlers Association contest in Lubbock on April 8-9, 1967; in Oxford, competition runs for five days and is judged on an accumulative point basis; also competing for the national honors in Oxford will be the group’s band, the drum corps; and

Whereas, Co-leaders of the Twirlers are Jane Myatt and Kay Evans. Miss Myatt is head majorette of Monterey High School and Miss Evans is feature twirler for Lubbock High School; the two have twirled as a duet for the past five years and have appeared in competition in several states; Miss Evans also appeared at the New York World’s Fair; and

Whereas, While at the nationals, the Texas Matador Twirlers will be among an expected 8,000 to vie for honors in strutting, two baton, dance team national, hoop, high throw and the world series national solo contest; the corps will present a routine from eight to ten minutes which must include twirling, dance steps, marching and maneuvering; and

Whereas, During the 13 years of its organization, the group, whose average age is 14, has won more than 200 titles, but success hasn’t been easy. Many hours of drill have gone into each performance and many more will be required before the national finals in August; and

Whereas, It is appropriate that the Senate of the 60th Legislature extend congratulations to the Texas Matador Twirlers of Lubbock; now, therefore, be it

Resolved, That the Senate of the State of Texas by this Resolution express appreciation for the achievement of the Texas Matador Twirlers of Lubbock and commend their teachers and sponsors and all those citizens of Lubbock who have given them support and encouragement; and, be it further

Resolved, That the Senate extends good wishes to them for success in the national contest, and that a copy of this Resolution be prepared under the Seal of the Senate for the lovely young ladies of the Texas Matador Twirlers of Lubbock in token of the appreciation of this body and of all the people of Texas for their hard work and accomplishments.

Whereas, Dr. Spies was relieved of his duties and dismissed in an action by the Board of Regents of the University of Texas on or about July 31, 1942; and

Whereas, Dr. Spies alleges that his dismissal was a breach of contract and in violation of his rights as set forth in the rules of the Board of Regents pertaining to his employment and tenure; and

Resolved, by the Senate of the State of Texas, the House of Representatives concurring, That Dr. John W. Spies to bring suit against the State of Texas and no admission of liability of the State or of any fact is made in any way by the passage of this resolution; and it is specifically provided that the facts upon which Dr. John W. Message From the Governor

The following message received from the Governor was read and was filed with the Secretary of the Senate:

May 19, 1967.

To the Senate, Sixtieth Legislature, Regular Session:

I disapprove and veto Senate Bill Number 517. The body of this bill does not conform to the caption and, under our Constitution and authorities, this destroys its effectiveness as a law.

Although I am not opposed to the apparent intent of Senate Bill Number 517, the caption states that the bill increases the aggregate principal amount of bonds which the District may issue. However the body of the bill contains no such increase. Thus this caption is misleading and under the Constitution, Article 3, Section 35, as construed by the Supreme Court in State v. Praetorians, 186 S. W. 2d 973, the bill must fail.

Accordingly, I herewith veto and return Senate Bill Number 517.

Respectfully submitted.

JOHN CONNALLY,
Governor.

Section 1. "Section 2. The importance of this legislation and the crowded condition of the calendars in both houses create an emergency and an imperative public necessity that the Constitutional Rule requiring a bill to be read on three several days in each house be suspended, and this Rule is hereby suspended."

397 from the President's Table for

ments to the bill.

Committee Amendment 1

Amend S. B. 397 by striking all
below the enacting clause and substi-
tuting in lieu thereof the following:

Section 1. Section 6 and 7 of
Chapter 99, Acts 51st Legislature,
1949 (Section 6 and 7, Article 6228b,
Vernon's Texas Civil Statutes), are
hereby amended, so that the same
shall hereafter read as follows:

"Section 6. In the event a judge
dies, resigns his office or other-
vise ceases to be a judge prior to the
time he has the requisite length of service
for retirement benefits under the
provisions of this Act, the amount
of his accumulated contributions shall
be paid to his estate or to any ben-
eficiary nominated by written designa-
tion of such judge duly filed with
the Board of Trustees of the Em-
ployees Retirement System, or to him,
as the case may be. In the event a
judge who has the requisite length of
service for retirement dies before
retiring, his accumulated contribu-
tions shall be paid to his estate, or
to any beneficiary nominated by writ-
ten designation of such judge duly
filed with the Board of Trustees of
the Employees Retirement System.
Provided, however, if any person sub-
ject to the foregoing provision later
becomes a judge of a court of this
State he must pay back to the State the amount of the contributions which he received before being entitled to retirement benefits under the provisions of this Act. The fact that a judge resigns his office prior to applying for retirement benefits shall not prejudice the right of such judge to such benefits if he is otherwise eligible. Any judge who is removed from office by impeachment, or is otherwise removed for official misconduct, shall be ineligible to draw retirement pay under the provisions of this Act.

"Section 7. During the time judges who have retired under the provisions of the Act are receiving retirement pay they shall not be allowed to appear and plead as attorneys at law in any court in this state. Any person who has retired under the provisions of this Judicial Retirement Act may elect in writing addressed to the Chief Justice of the Supreme Court within ninety (90) days after such retirement or within ninety (90) days after the effective date of this amended section, whichever is the later date, to continue as a judicial officer, in which instance they shall, with their own consent to each assignment, be subject to assignment by the Chief Justice of the Supreme Court to sit in any Court of this State of the same dignity, or lesser, as that from which they retired, and if in a District Court, under the same rules as provided by the present Administrative Judicial Act, and while so assigned, shall have all the powers of judges thereof. While assigned to said Court, such judges shall be paid an amount equal to the salary of judges of said Court, in lieu of retirement allowance. No person who has heretofore retired under the provisions of this Judicial Retirement Act shall be considered to have been a judicial officer of this State after such retirement, unless such person has accepted an assignment by the Chief Justice to sit in a Court of this State."

Section 2. The necessity of clarifying the status of retired judges, and the importance of this legislation and the crowded condition of the docket create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said Rule is hereby suspended, and that this Act take effect and be in force from and after its passage and it is so enacted.

H. J. R. No. 17,

Proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans’ Land Board to Four Hundred Million Dollars ($400,000,000); providing for the issuance of such bonds or obligations; and the conditions relating thereto and the use of the Veterans’ Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

“Section 49-b. By virtue of prior Amendments to this Constitution there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans’ Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans’ affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for such citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

“The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans’ Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board; and with the same duties and powers that said Commissioner would have if present.

“The Veterans’ Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars ($400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans’ Land Fund, Two Hundred Million Dollars ($200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half percent (4 1/2%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

“In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.
"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds, but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds here­tofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest
and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans’ Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

“Said Veterans’ Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or re-sale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

“All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a ‘series of bonds’ being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans’ Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

“This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans’ Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans’ Land Board as it believes necessary.

“Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

“This Amendment shall become effective upon its adoption.”

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

“FOR the amendment to extend the Veterans’ Land Program by authorizing the sale of bonds to increase the Veterans’ Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940,
and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional $200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional $200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.
