

**BILL ANALYSIS**

C.S.H.B. 2168  
By: Muñoz, Jr.  
Pensions  
Committee Report (Substituted)

**BACKGROUND AND PURPOSE**

Interested parties note that retirement benefits paid by the Teacher Retirement System of Texas for a month that begins on a weekend or holiday are not generally due to be paid until after that weekend or holiday, which often results in retirees who depend on those benefits having to wait several more days to receive the benefits. C.S.H.B. 2168 seeks to allow retirees quicker access to those benefits under those circumstances.

**CRIMINAL JUSTICE IMPACT**

It is the committee's opinion that this bill does not expressly create a criminal offense, increase the punishment for an existing criminal offense or category of offenses, or change the eligibility of a person for community supervision, parole, or mandatory supervision.

**RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

**ANALYSIS**

C.S.H.B. 2168 amends the Government Code to change the day on which monthly annuity payments from the Teacher Retirement System of Texas are generally due to be paid from the first working day of each month following the month for which the payment accrues to the last working day of the month for which the payment accrues.

**EFFECTIVE DATE**

September 1, 2015.
