Sec. 2155.088. MATERIAL CHANGES TO CONTRACTS. (a) Notwithstanding any other law, the performance of a contract for goods or services awarded under this chapter must substantially comply with the terms contained in the written solicitation for the contract and the terms considered in awarding the contract, including terms regarding cost of materials or labor, duration, price, schedule, and scope.

(b) After a contract for goods or services is awarded under this chapter, the governing body of a state agency, if applicable, must hold a meeting to consider a material change to the contract and why that change is necessary. For purposes of this section, a material change includes:

1. extending the length of or postponing the completion of a contract for six months or more;

SECTION 2. Section 2252.002, Government Code, is amended to read as follows:

Sec. 2252.002. AWARD OF CONTRACT TO NONRESIDENT BIDDER. A governmental entity may not award a governmental contract to a nonresident bidder unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the greater of the following:

(B) local funds; or

(b) The department, in determining whether the preference under Subsection (a) serves to create a positive economic impact on job growth and job retention in this state, may consider the private sector provider's employment presence and business establishments in this state.

(c) This section does not apply to the procurement of professional services under Subchapter A, Chapter 2254, Government Code.

(d) The department may not give a preference under this section if:

(2) the principal place of business of the private sector provider described by Subdivision (1) is located in a state that:
(A) borders this state; and
(B) does not give a preference to private sector providers in a manner similar to this section.
