Sec. 91.0011. COEMPLOYMENT RELATIONSHIP. (a) A coemployment relationship is intended to be an ongoing relationship rather than a temporary or specific one, in which the rights, duties, and obligations of an employer that arise out of an employment relationship are allocated between coemployers under a professional employer services agreement. Coemployment is not a joint employment arrangement.

(b) In a coemployment relationship:

(1) the professional employer organization may enforce only those employer rights and is subject to only those obligations specifically allocated to the professional employer organization by the professional employer services agreement or this chapter;

(2) the client may enforce any right and is obligated to perform those employer obligations allocated to the client by the professional employer services agreement or this chapter; and

(3) the client may enforce any right and is obligated to perform any obligation of an employer not specifically allocated to the professional employer organization by the professional employer services agreement or this chapter.

Sec. 91.0012. COVERED EMPLOYEE. (a) A covered employee must meet all the following criteria:

(1) the individual must receive written notice of the coemployment relationship with the professional employer organization; and

(2) the individual's coemployment relationship must be under a professional employer services agreement subject to this chapter.
(b) An individual who is an executive employee, as described by Section 406.097, of the client is a covered employee, except to the extent the professional employer organization and the client expressly agree in the professional employer services agreement that the individual is not a covered employee.

SECTION 4. Subsections (b) and (c), Section 91.002, Labor Code, are amended to read as follows:

(b) Each person who offers professional employer [staff leasing] services is subject to this chapter and the rules adopted by the commission.

(c) Notwithstanding any other provision of this chapter, nothing in this chapter preempts the existing statutory or rulemaking authority of any other state agency or entity to regulate professional employer [staff leasing] services in a manner consistent with the statutory authority of that state agency or entity.

SECTION 5. Subsection (a), Section 91.003, Labor Code, is amended to read as follows:

(a) Each state agency that in performing duties under other law affects the regulation of professional employer [staff leasing] services shall cooperate with the department and other state agencies as necessary to implement and enforce this chapter.

Sec. 91.004. EFFECT OF OTHER LAW ON CLIENTS AND EMPLOYEES. (a) This chapter does not exempt a client of a license holder, or any covered [assigned] employee, from any other license requirements imposed under local, state, or federal law.

(b) A covered [An] employee who is licensed, registered, or certified under law [and who is assigned to a client company] is considered to be an employee of the client [company] for the purpose of that license, registration, or certification.

(c) A license holder is not engaged in the unauthorized practice of an occupation, trade, or profession that is licensed, certified, or otherwise regulated by a governmental entity solely by entering into a professional employer services [staff leasing] agreement with a client [company] and covered [assigned] employees.

Sec. 91.005. APPLICATION OF CERTAIN PROCUREMENT LAWS. With respect to a bid, contract, purchase order, or agreement entered into with the state or a political subdivision of the state, a client's [client company's] status or certification as a small, minority-owned, disadvantaged, or woman-owned business enterprise or as a historically underutilized business is not affected because the client [company] has entered into a professional employer services [staff leasing] agreement with a client [company] and covered [assigned] employees.

Sec. 91.006. WORKERS' COMPENSATION COVERAGE. (a) A certificate of insurance coverage or other evidence of coverage showing that either a license holder or a client maintains [a policy of] workers' compensation insurance coverage constitutes proof of workers' compensation insurance coverage for the license holder and the client [company] with respect to all covered employees of the license holder and [assigned to] the client [company]. The state and a political subdivision of the state shall accept a certificate of insurance coverage or other evidence of coverage described by this section as proof of workers' compensation insurance coverage for those employees.

(b) For a client [company] that has employees who are not covered [assigned] employees under a professional employer [staff leasing] services agreement, the state or a political subdivision of the state may require the client [company] to furnish separate proof of workers' compensation insurance coverage for those employees.

(f) Each written proposal provided to a prospective client [company] and each contract between a license holder and a client [company] or covered [assigned] employee shall clearly identify the name of the license holder. A proposal or contract may also identify the trade name, trademark, service mark, or parent company name of the license holder. 2. the professional employer organization [staff leasing services company] has not contracted to pay.

(d) Each professional employer organization [staff leasing services company] shall disclose the requirements of Subsection (c) in writing to each covered [assigned] employee.

(a-1) A license holder may sponsor a single welfare benefit plan under which eligible covered employees of one or more clients may elect to participate.

(a-2) A fully insured welfare benefit plan offered to the covered employees of a license holder and provided by an insurance company authorized to provide that insurance in this state or a self-funded health benefit plan sponsored by a license holder as provided by Section 91.0411 shall be treated for purposes of state law as a single employer welfare benefit plan.

(c) The commissioner may, on notice and opportunity for all interested persons to be heard, adopt rules and issue orders reasonably necessary to augment and implement the regulation of benefit plans sponsored by a license holder that are not fully insured. The commissioner may not adopt a rule that requires clients or covered employees to be members of an association or group in the same trade or industry in order to be covered by a license holder-sponsored benefit plan that is not fully insured. The rules must include all requirements that must be met by the license holder and the plan, including:

(e) Each license holder under this section shall appoint the commissioner as its resident agent for purposes of service of process. The fee for that service is $50, payable at the time of appointment.
The commissioner may examine the affairs of any plan and shall have access to the records of the plan. The commissioner may examine under oath a manager or employee of the license holder in connection with the plan.

In addition to any requirement or remedy under a law, the commissioner may suspend, revoke, or limit the authorization of a plan if the commissioner determines, after notice and hearing, that the plan does not comply with this section. The commissioner may notify the attorney general of a violation of this section, and the attorney general may apply to a district court in Travis County for leave to file suit in the nature of quo warranto or for injunctive relief or both.

A copy of the professional employer services agreement must be provided to the Texas Department of Insurance on request. Information obtained by the Texas Department of Insurance under this section is confidential and not subject to disclosure under Chapter 552, Government Code.

(a-2) If the client elects to maintain workers' compensation insurance coverage for the covered employees under the client's policy or other coverage, the client shall pay workers' compensation insurance premiums for the covered employees based on the experience rating of the client.

(b) If a license holder maintains workers' compensation insurance coverage for covered employees, the license holder shall pay workers' compensation insurance premiums for the covered employees based on the experience rating of the client for the first two years the covered employees are covered under the professional employer organization's policy and as further provided by rule by the Texas Department of Insurance.

(c) For workers' compensation insurance purposes, a license holder and the license holder's client shall be coemployers. If either a license holder or a client elects to obtain workers' compensation insurance coverage for covered employees, the client and the license holder are subject to Sections 406.005, 406.034, and 411.032.

(c-1) Notwithstanding Subsection (c), for purposes of Section 462.308(a)(2), Insurance Code, the client is considered to be the insured employer.

(d) If a license holder or a client does not elect to obtain workers' compensation insurance coverage for covered employees, both the license holder and the client are subject to Sections 406.004, 406.035, and 411.032.

(e) After the expiration of the two-year period under Subsection (b), if the client elects to obtain coverage maintained by the client, or if the professional employer services agreement is terminated and the client elects to maintain, through coverage maintained by the client or through coverage maintained by a successor professional employer organization, workers' compensation insurance coverage for employees previously covered by the former professional employer organization's policy, the premium for the workers' compensation insurance coverage for the client shall be based on the lower of:
(1) the experience modifier of the client [company] before being covered under the professional employer organization's coverage [entering into the staff leasing arrangement]; or

(2) the experience modifier of the license holder at the time the client's coverage under the professional employer organization's coverage is [staff leasing arrangement] terminated.

(f) On request, an insurer [the Texas Department of Insurance] shall provide the necessary computations to the prospective workers' compensation insurer of the client [company] to comply with Subsection (e).

(g) On the written request of a client [company], a license holder that elects to provide workers' compensation insurance for covered [assigned] employees shall provide to the client [company] a list of:

(1) claims associated with that client [company] made against the license holder's workers' compensation policy; and

(2) payments made and reserves established on each claim.

(h) The license holder shall provide the information described by Subsection (g) in writing from the license holder's own records, if the license holder is a qualified self-insurer, or from information the license holder received from the license holder's workers' compensation insurance provider following the license holder's request under Section 2051.151, Insurance Code, not later than the 60th day after the date the license holder receives the client's written request. For purposes of this subsection, information is considered to be provided to the client [company] on the date the information is:

(1) received by the United States Postal Service; or

(2) personally delivered to the client [company].

SECTION 18. Sections 91.044, 91.046, 91.048, 91.050, 91.061, 92.012, and 201.030, Labor Code, are amended to read as follows:

Sec. 91.044. UNEMPLOYMENT TAXES; PAYROLL. (a) A license holder is the employer of a covered [assigned] employee for purposes of Subtitle A, Title 4, and, except for wages subject to Section 91.032(c), for purposes of Chapter 61. In addition to any other reports required to be filed by law, a license holder shall report quarterly to the Texas Workforce Commission on a form prescribed by the Texas Workforce Commission the name, address, telephone number, federal income tax identification number, and classification code as described in the "Standard Industrial Classification Manual" published by the United States Office of Management and Budget of each client [company].

(b) For purposes of Subtitle A, Title 4, in the event of the termination of a contract between a license holder and a client [company] or the failure by a professional employer organization [staff leasing entity] to submit reports or make tax payments as required by that subtitle, the contracting client [company] shall be treated as a new employer without a previous experience record unless that client [company] is otherwise eligible for an experience rating.

Sec. 91.046. CONTRACTUAL DUTIES. Each license holder is responsible for the license holder's contractual duties and responsibilities to manage, maintain, collect, and make timely payments for:

(1) insurance premiums;

(2) benefit and welfare plans;

Sec. 91.048. REQUIRED INFORMATION. Each license holder shall:

(1) maintain adequate books and records regarding the license holder's duties and responsibilities;

credit, economic incentive, or other benefit arising from the employment of covered [assigned]
employees of the client. This subsection applies even if the professional employer organiza-
tion [staff leasing services company] is the reporting employer for federal income tax
purposes.
(b) If a grant or the amount of any incentive described by Subsection (a) is based on the
number of employees, each client shall be treated as employing only those [assigned] em-

for other clients of the professional employer organization [staff leasing services company]
may not be included in the computation.
(c) Each professional employer organization [staff leasing services company] shall provide,
on the request of a client or an agency of this state, employment information reasonably
required by the state agency responsible for the administration of any tax credit or economic
