(d) If the program provides for local government financing, the written contract described by Subsection (b) must be a contract to finance the qualified project through assessments.

(4) a reference to the statutory assessment lien provided under this chapter.

Sec. 399.014. LIEN. (a) A contractual assessment under this chapter and any interest or penalties on the assessment: 1204

The lien is valid and binding against any other person, with or without notice.

(d) Bonds or notes issued under this chapter further an essential public and governmental purpose, including:
