(2) before the 30th day preceding the date of the relevant board allocation decision, except as provided by Subdivision (3), the entire application, including all supporting documents and exhibits, the application log, a scoring sheet providing details of the application score, and any other document relating to the processing of the application;

(3) not later than the third working day after the date of the relevant determination, the results of each stage of the application process, including the results of the application scoring and underwriting phases and the allocation phase;

(4) before the 15th day preceding the date of board action on the amendment, notice of an amendment under Section 2306.6712 and the recommendation of the director and monitor regarding the amendment; and

(5) an appeal filed with the department or board under Section 2306.0504 or 2306.6715 [or 2306.6721] and any other document relating to the processing of the appeal.

SECTION 3. Section 2306.6719, Government Code, is amended by adding Subsections (c), (d), (e), and (f) to read as follows:

(c) For a violation other than a violation that poses an imminent hazard or threat to health and safety, the department must provide the owner of a development with the following periods to correct a failure to comply with a condition or law described by Subsection (a)(1) or (2):

(1) 30 days for a failure to file the annual owner's compliance report; and
(2) 90 days for any other failure to comply under this section.

(d) For good cause shown, the executive director may extend the periods provided under Subsection (c).

(e) For purposes of determining eligibility to apply for and receive financial assistance from the department, a development may not be considered to be in noncompliance with an applicable condition or law if the owner of the development takes appropriate corrective action during the period provided under Subsection (c).

(f) Notwithstanding Subsection (e), the department shall:

(1) submit to the applicable federal agency any report required by federal law regarding an owner's noncompliance with a condition or law described by Subsection (a)(1) or (2); and

(2) for purposes of developing and administering the policy relating to debarment under Section 2306.0504, consider recurring violations of a condition or law described by Subsection (a)(1) or (2), including violations that are corrected during the applicable period provided under Subsection (c).

CHAPTER 558
S.B. No. 673
AN ACT
relating to the requirements for elevators, escalators, and related equipment; providing penalties.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. Section 754.011, Health and Safety Code, is amended to read as follows:

Sec. 754.011. DEFINITIONS. In this chapter:

(1) "Acceptance inspection" means an inspection performed at the completion of the initial installation or alteration of equipment and in accordance with the applicable ASME Code A17.1.

(2) "Accident" means an event involving equipment that results in death or serious bodily injury to a person.

(3) "Alteration" means a change in existing equipment. The term does not include testing, maintenance, repair, replacement, or a cosmetic change that does not affect the operational safety of the equipment or diminish the safety of the equipment below the level required by the ASME Code A17.1, ASME Code A17.3, ASME Code A18.1, or ASCE Code 21, as applicable, at the time of alteration.

(4) "Annual inspection" means an inspection of equipment performed in a 12-month period in accordance with the applicable ASME Code A17.1, ASME Code A17.3, ASME Code A18.1, or ASCE Code 21. The term includes an acceptance inspection performed within that period.

(5) "ASCE" means the American Society of Civil Engineers.

(6) "ASCE Code 21" means the American Society of Civil Engineers Code 21 for people movers operated by cables, as it existed on January 1, 2004, or any subsequent revision of that code adopted after a review by the commission, as required by law.
