OF THE

House of Representatives

OF THE

FIRST CALLED SESSION

OF THE

FORTY-THIRD LEGISLATURE

BEgun AND HELD AT

THE CITY OF AUSTIN, SEPTEMBER 14, 1933

TEXAS STATE LIBRARY
Austin, Texas
MESSAGE FROM THE GOVERNOR

The Speaker laid before the House, and had read the following message from the Governor:

Executive Office,
Austin, Texas, September 14, 1933.
To the Forty-third Legislature, in Special Session convened:

I congratulate your Membership upon your presence in response to my official proclamation convening you in Special Session. I trust that your return to your homes and fire­sides upon the adjournment of the Regular Session was met with cor­dial reception. I trust that your stay at home has been attended with pleas­ure and satisfaction to yourselves, and that you are now refreshed from the arduous labors of the Regular Session.

I trust that every Member comes to this session fully imbued with the desire for needed service and with a determination to grapple with the problems that now confront the peo­ple which need your serious and devoted consideration. I again want to emphasize my desire to co-operate with you to the fullest extent in or­der that we may continue our friendly relation. Let me again say that every Member of the Legisla­ture is welcome to visit the Gov­ernor’s Office for business, pleasure or entertainment.

Purpose No. 1 in the proclamation convening you is “to pass such law or laws as may be necessary to issue twenty million dollars of bonds pro­posed in Senate Joint Resolution No. 30 passed at the Regular Ses­sion of the Forty-third Legislature and adopted by the voters of Texas at an election duly held on the twenty-sixth day of August, A. D. 1933.” As there appears to be some considerable difference in opinion as to what legislation should be passed to carry out this edict of the people, I beg to advise that I have taken the liberty to cause to be prepared a bill dealing with this question and same is hereto attached, marked “Exhibit A” and made a part hereof. While said bill em­bodies my views as to how best to make this relief fund available, I want to say that it is submitted for your serious consideration and at least as a basis for discussion. Al­though it represents some consider­ation and preparation, yet I trust that you will carefully consider the same purely upon its merits and either adopt, amend, or change in such way and form as you may think necessary or proper.

The second purpose in the proclama­tion convening you is “to consider and pass such legislation as may be deemed necessary to amend, change, or repeal existing laws affecting and controlling trusts, conspiracies against trade, and monopolies.” I assume that you understand as well as I that the request for such legislation is made necessary in line with the pas­sage by the National Congress of what is known as the National In­dustrial Recovery Act and for the pur­pose of bringing about a full co-op­eration and co-ordination of State and National agencies to relieve our coun­try from the afflictions of the depres­sion. To bring about such result and have the same attended with a cordial relation with the National Adminis-
tration and to put our State in the front line of patriotic endeavor to again achieve National prosperity, I have prepared, or rather copied, another bill which I am officially advised is satisfactory to the National Administration, and I transmit same to you marked "Exhibit B" for your full consideration. I, however, have added Section 5 to said bill, and it reads as follows:

"Section 5. While this Act continues in effect, and for sixty days thereafter, the provisions of Title 126, of the Revised Civil Statutes of the State of Texas, 1925 revision and all amendments thereto, and the provisions of Chapter 3, of Title 19, of the Penal Code of the State of Texas, 1925 revision and all amendments thereto, and all other laws of this State relating to trusts, monopolies, and/or conspiracies in restraint of trade shall be, and the same are hereby, suspended."

It is my view that this clear-cut declaration of the policies of our State pending the depression should be adopted and thereby prevent any conflict or confusion that might arise between the State and National authorities if prosecution of anybody should take place under what has heretofore been deemed a violation of our anti-trust laws but which is now under the National Industrial Recovery Act permitted and authorized to be done.

Our National Congress has thought it wise to suspend all anti-trust law prosecution pending our National recovery, and if the high and noble purposes of our President are to be attained, each State of the Union should fall in line with the general idea and purpose. It would be wonderful if our dear Lone Star State should be the first to lead the way.

To further carry out the public works program of the National Industrial Recovery Act, I submit for your consideration, under authority of my proclamation, the question of passing such laws as may be necessary for our State to receive the benefit of the Federal Emergency Administration of Public Works, and in order that any county, city, or town may act on resolution of its governing body for the major purpose of relieving unemployment. To more fully bring the matter to your attention, I have prepared another bill marked "Exhibit C" and made a part hereof and submit same for your consideration. I think the passage of this character of legislation is absolutely essential if our State is to receive the full benefits of the public works program to be inaugurated by the National Administration. It may mean the expenditure of many millions in our State that will go into the channels of business and restore the full dinner pail.

Whenever the Commission has awarded a contract to any person, partnership, corporation or other concern for the purchase of bonds on the date advertised for the sale thereof, it shall be the duty of the Commission to deliver the certified check of the person or concern to which the above mentioned contract has been let to the State Treasurer of Texas to be kept by him separate and apart from any and all other funds of the State Treasurer of Texas until such time as he shall be ordered to return such certified check to the person or concern from whom he has received the same by the Commission, or ordered by the Commission to credit same to the credit of the interest and sinking fund of said bonds as liquidated damages for failure of the bidder to comply with his or its contract. The Commission shall have the power to sell on any advertised date, as above provided for to any responsible person, partnership, corporation or other concern who shall have made a satisfactory bid in cash therefor, provided, however, that the price for which said bonds shall be sold shall in no event be in a sum less than the par value of said bonds and the accrued interest thereon, and the Commission shall have the right to reject any and all bids so filed with it by any person or concern offering to buy said bonds, in which event it shall be the duty of the Commission to re-advertise the said bonds as above provided and again offer for sale at a date stipulated in said re-advertisement. The Commission shall also have the power to sell to the Reconstruction Finance Corporation or to any other governmental agency, the entire amount of bonds offered for sale by the Commission on any particular date, or any part thereof, either at such public sale or at private sale, and it shall not be necessary as a prerequisite of its purchase of such bonds that the Reconstruction Finance Corporation or such other agency of government offering to buy said bonds shall make a sealed bid as required of persons and private concerns, and it shall not be necessary as a prerequisite of its purchase of said bonds that the Reconstruction Finance Corporation or other governmental agency should file with the Commission the certified check above referred to as required of persons and private concerns; provided, however, that the Commission shall not sell to the Reconstruction Finance Corporation or other governmental agency any of said bonds at a price less than the par value thereof and accrued interest thereon. No commission, directly or indirectly, shall be allowed upon the sale of said bonds or any of them.

Sec. 9. Whenever any of the above-described bonds have been sold by the Commission in the manner as herein provided for, the bonds sold shall be delivered by the Commissioner to the purchaser upon payment in lawful money of the United States of America of the purchase price, and the money derived from the sale thereof shall be immediately de-
posed by the Commission with the State Treasurer of Texas to be safely kept by him in a fund separate and apart from any and all other funds of the State of Texas, to be known as "State Relief Bond Account," said fund or account to be kept in the name of the Texas Rehabilitation and Relief Commission, and subject only to lawful warrants drawn at the order of said Rehabilitation and Relief Commission.

Sec. 10. In order to avoid conflict with and to secure uniformity of administration, the money derived from the sale of the bonds herein authorized shall be distributed for the purposes as enumerated in Section 51-a of Article 3 of the Constitution of Texas by the Texas Rehabilitation and Relief Commission in the same manner and under the same regulations as the said Texas Rehabilitation and Relief Commission has been empowered to dispense the funds of the Federal Government placed in Texas for the relief of the destitute and/or the unemployed as provided in Chapter 141 of the Acts of the Forty-third Legislature at its Regular Session, and on page 365 of the General Laws thereof. The said Rehabilitation and Relief Commission shall also be subjected to such rules and regulations as the Federal Government has or may from time to time enact or pass concerning the distribution of Federal funds in Texas to be used for like purpose by said Rehabilitation and Relief Commission in and of said State bond funds. It is the purpose of this Act to authorize, empower and require the Texas Rehabilitation and Relief Commission to adopt the same rules and regulations as may now exist or may hereafter be adopted by the Federal Government when the said Rehabilitation and Relief Commission expends any of the moneys derived from the sale of said bonds as it is subjected to in the disbursement of like bonds of the Federal Government, and the said Relief Commission shall account for said bond funds expended by it or under its direction to the State Bond Commission monthly in the same manner that it now accounts to the Federal Government for Federal relief funds, expended by it or under its direction.

Sec. 11. And any all bonds, as well as all interest thereon issued and sold under authority and direction of this Act, shall be redeemed in the following manner:

From and after the effective date hereof the State Treasurer of Texas as he receives any and all moneys obtained for the use and benefit of the General Revenue Fund of the State of Texas, other than any tax on real property, shall set up a special and separate fund from one-twelfth of said sums of money so received until September 1, 1935; the remaining eleven-twelfths to be placed by said State Treasurer in the General Revenue Funds of the State of Texas as now provided by law, and beginning September 1, 1935, and until said bonds and all interest thereon are finally paid, one-fourth of all of any sums of money other than any tax on real property received by the State Treasurer of Texas, for the use and benefit of the General Revenue Funds of the State of Texas, shall be placed in said special and separate fund and the remaining three-fourths shall be placed to the credit of the General Revenue Funds of the State of Texas, as provided by law. Said special and separate fund shall be kept by said State Treasurer as a special interest and sinking fund out of which the interest of said bonds shall be paid, and out of which the said bonds shall be redeemed, to be known as "Special Interest and Sinking Fund of State Relief Bonds."

And there is hereby appropriated for the years ending August 31, 1934, and August 31, 1935, an amount for each of said years out of said Special Interest and Sinking Fund of State Relief Bonds equivalent to the amount of interest on any outstanding bond maturing during each of said years, and the State Treasurer is hereby directed to make payment of said interest as it matures out of any funds in the State Treasury to the credit of said "Special Interest and Sinking Fund of State Relief Bonds."

Sec. 12. If on the fifteenth day of September, A. D. 1935, all of the bonds which have been issued by direction of law and as provided for under the provisions of Section 51-a, of Article III, of the Constitution of Texas have not been sold, it shall be
the duty of the State Treasurer in the presence of at least three other members of the Commission, the Governor of Texas included, to destroy by burning any issued and unsold bonds and any interest coupons appended thereto and after said bonds have been destroyed by burning as above provided, it shall be the duty of said members of said Commission to make a certificate in writing to the effect that said bonds were destroyed in accordance with the provisions of this law and giving the date on which said bonds were destroyed by the State Treasurer, and file said certificate in the office of the Secretary of State of Texas.

Sec. 13. If at the time the Texas Rehabilitation and Relief Commission has ceased to function as a body there shall remain with the State Treasurer any sums of money which have been derived from the sale of any of the said bonds, it shall be the duty of said State Treasurer to transfer said money out of said special account to the Special Bonds Interest and Sinking Fund account.

Sec. 14. No member of the Commission shall be entitled to any additional emoluments of office for the carrying out of the duties herein entrusted to him, but each and all members of the said Commission shall be reimbursed by the State for his actual expenses expended by him in the execution of his official duties as directed herein.

Sec. 15. The Commission as herein created shall, upon the taking effect of this Act, become and constitute an official Commission of the State of Texas, and shall continue as such for a period of two years from and after the effective date hereof. Upon the expiration of two years from and after the effective date hereof, the Commission shall cease to exist.

Sec. 16. The proceeds of the sale of any of said bonds sold during each of the years of the biennium ending August 31, 1935, are hereby appropriated to the Texas Rehabilitation and Relief Commission for the said biennium for the purposes and subject to the restrictions as set out hereinafore, provided that $50,000 per fiscal year or so much thereof as may be necessary is hereby appropriated out of said bond funds to be used by said Relief Commission for use in administering the State office of the Texas Rehabilitation and Relief Commission during such year of said biennium.

Sec. 17. All laws and/or parts of laws in conflict herewith be and the same are hereby repealed.

Sec. 18. The fact that there are now in Texas hundreds of thousands of citizens of this State who are unemployed and in destitute circumstances, and the fact that no adequate means have been provided by the State of Texas for their relief and comfort, and the fact that the people of the State of Texas have recently voted overwhelmingly in favor of authorizing the Legislature to issue certain bonds for the relief of the destitute and necessitous people of Texas, and have by their action in said election made demand upon this Legislature to immediately carry their mandate into execution and to furnish a means for the issuance and sale of relief bonds in order that the unemployed and destitute of Texas may be afforded immediate relief, create an emergency and an imperative necessity demanding the suspension of the constitutional rule, requiring bills to be read on three separate days in each House, and the said rule is hereby suspended, and this Act shall take effect from and after its passage, and it is so enacted.

Be it enacted by the Legislature of the State of Texas:

Section 1. A State-wide emergency productive of wide-spread unemployment and disorganization of industry which affects the public welfare and undermines the standard of living of the people of this State is hereby declared to exist; and it is hereby recognized that such an emergency
exists throughout the Nation. It is hereby declared to be the policy of this State to provide for the general welfare by co-operating with and assisting the National Government in carrying on the construction, enlargement, and repair of a system of public works, to increase consumption of industrial and agricultural products by increasing purchasing power, to reduce and relieve unemployment, to improve standard of labor, and to conserve natural resources, and in all things to co-operate with the National Government in carrying out the programs of public works authorized under said Act of Congress approved June 16, 1933, known by the short title of "National Industrial Recovery Act."

Sec. 2. To effectuate the purposes of this Act, the State of Texas, the Governor, and each department of the State Government, and each of the State Boards and Commissions, including the governing boards of each State educational institution, and every county, city, or other political subdivision of this State (acting by resolution of the commissioners court or governing body), are hereby authorized and empowered to make loans and accept grants from the Federal Emergency Administration of Public Works for the carrying out of any public works authorized under said Act of Congress of June 16, 1933, known by the short title of "National Industrial Recovery Act," which shall include among other things the following: (a) construction, repair, and improvement of public highways and park ways, public buildings, and any publicly owned instrumentalities and facilities; (b) conservation and development of natural resources, including control, utilization, and purification of waters, irrigation and reclamation projects, prevention of soil or coastal erosion, development of waterpower, transmission of electrical energy, and construction of river improvements and flood control; (c) any projects of the character heretofore constructed and carried on either directly by public authority or with public aid to serve the interests of the general public; (d) construction, reconstruction, alteration, or repair under public regulation or control of low cost housing projects; (e) any project (other than those included in the foregoing classes) authorized under said National Industrial Recovery Act; (f) and, may issue notes, warrants, or other obligations evidencing payment of the money so borrowed, and to secure such obligation may encumber, mortgage, and/or pledge the property so constructed, repaired, extended, and/or improved, including the real estate on which same is situated, the franchises and income thereof; and may acquire by purchase, lease, or otherwise, any property for the purpose of carrying on, constructing, improving, extending, or repairing any such works; provided, that the general credit of the State shall never be pledged for the payment of any such obligations, nor shall the same be a charge upon or paid out of any general fund created by the levy of a State tax. Any county, city, or town may act hereunder and perform any of the acts herein enumerated by resolution of its commissioners court or governing body, which resolution shall be sufficient authority therefor notwithstanding the provisions of any other law of this State.

Sec. 3. Any county, city, town or political subdivision of the State is hereby given authority, through its commissioners court or governing body, to issue warrants or other obligations to evidence the payment of any money borrowed for the purposes set out in Section 2 of this Act, and to provide for the payment thereof by pledging or setting aside funds derived from any tax which it is authorized to levy under existing law; and at the time of issuing such warrants and other obligations, the commissioners court, or governing body, may provide for the levy of such tax and the setting aside of so much of the fund created thereby, for the current and future years, to pay interest upon such obligation, and to discharge the same at maturity.

Sec. 4. Any county, city, or political subdivision of this State may, when authorized by resolution of its commissioners court, or governing body, convey to the United States the site of any project set out in Section 2 of this Act, and to contract to pay rental on the completed project sufficient to reimburse the United States for its outlay in completing the project, less any grant which may be allowed; and, in addition, shall have the authority to
pledge any other revenues derived from any such project for the payment of any funds so advanced.

Sec. 5. To further effectuate the purposes of this Act and to more effectually secure for this State the benefits of the said "National Industrial Recovery Act," the Governor is authorized to form public corporations to build, construct, extend, repair and/or enlarge any such project as is set out in Section 2 of this Act, under the following provisions:

1. Whenever the Governor deems any such project advisable and in accord with public welfare, she may, acting alone or in conjunction with any department head, or any Board or Commission of the State Government, as enumerated in Section 2 of this Act, file a charter with the Secretary of State, the same to be subscribed by the Governor and such department head, board or commission, setting out the name of the corporation, the purpose for which it is formed, a general description of the project to be constructed, and the places in this State within which it proposes to transact business.

Upon the filing of such charter such corporation shall be deemed to have been created, and shall thereafter exist, with the powers, rights and privileges enjoyed by private corporations under the general laws of this State; provided, (a) the title to all property in the name of such corporation shall be held by it in trust for the State of Texas, with power in the corporation to encumber or convey the same for corporate purposes; and (b) all earnings of the corporation over and above the necessary operating expenses, and proper reserves for payment of indebtedness, depletion, repairs, replacements, enlargements and extensions, shall be set aside annually by the directors of such corporation and paid into the General Fund of the State Treasury.

2. The directors of such corporation shall consist of the subscribers to the charter and their successors in the offices they then hold; and such additional persons as they may select; provided, the directors of any such corporation shall never be less than three nor more than seven in number. Such directors shall adopt by-laws for the government of such corporation, and shall have all the powers of directors of private corporations created under general laws of this State, not inconsistent with this Act.

3. Such corporation by contract may acquire, encumber and convey property, and sue or be sued in its corporate name, but it shall never pledge or impair the credit of the State, nor cause any indebtedness payable out of the general revenue of the State.

Sec. 6. This Act shall cease to be in effect at the expiration of two years from and after the date of its enactment.

Sec. 7. If any provision, section, subsection, clause or part of this Act should be held invalid for any reason, the force and effect of all other provisions hereof shall not be in any way affected or impaired thereby.

Sec. 8. This Act may be cited as the Texas Public Works and Recovery Act.

Sec. 9. The fact that it is necessary that the State of Texas, its departments, boards, and commissions, and the counties, cities, and other political subdivisions of this State be given ample legal authority to secure loans and grants from the Federal Government to carry on a system of public works in accordance with the provisions of the "National Industrial Recovery Act," in order to relieve widespread unemployment in this State, creates an emergency and imperative public necessity requiring that the rule, providing for bills to be read on three separate days, be suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

Respectfully submitted,

MIRIAM A. FERGUSON,
Governor of Texas.

Austin, Texas, September 28, 1933.
To the Forty-third Legislature in First Called Session:
By request of the Honorable Speaker of the House of Representatives, I take pleasure in submitting for your consideration a bill hereto attached, to be entitled "An Act to declare the validity of the indebtedness arising out of the construction of State Highway No. 41 in the County of Real; to place such indebtedness on parity with bonds, warrants, and other evidences of indebtedness heretofore authorized to be paid out of the county and road district highway fund; providing for the payment of such indebtedness to Real County in trust for Captain Charles Schreiner, his heirs and legatees; repealing all laws or parts of laws in conflict herewith, and declaring an emergency."

Respectfully submitted,
MIRIAM A. FERGUSON,

The Speaker laid before the House, and had read, the following message from the Governor:

Executive Office,
Austin, Texas, September 29, 1933.
To the Forty-third Legislature in First Called Session:
There has come to my notice a matter of such grave importance that I
deem it my duty to bring the same to your notice.

There remains in the relief fund for destitution from the August allotment, during which month a total of $1,536,000 was actually expended for relief, an unobligated cash balance of $882,031.85. There are on the relief rolls 180,000 families, or approximately 900,000 people. Twenty-eight thousand new families were added during the month of August, and the list is growing every day, and will continue to grow from now on through the winter. By the fifteenth of October, there will be approximately one million people needing and asking for relief. By the first of October the unobligated cash balance to the credit of the relief fund will not exceed $500,000. By the middle of October, our funds will be completely exhausted. Please bear in mind the date—October 15. With the Federal Government refusing to advance any further sums for Texas relief until action is taken by your Body, we will then face a very desperate crisis until relief from some source is provided. This condition is right on us and is the main reason why I am calling this matter to your attention. Even if the Legislature should pass a bond relief bill by an emergency vote before the expiration of this thirty-day term, it would take thirty days to prepare the issue and sale of the bonds, and in the meantime we will face the horror of a million hungry people in Texas. If the Legislature should pass a bond relief bill but fail to furnish the two-thirds majority necessary to put the law into immediate effect, it would not, of course, go into effect until about the middle of January, and in the meantime, our relief rolls will grow to more than a million and a half, and our situation would be the most desperate and grave of our day and generation. Of course, you have the power to decide what shall be done, but I deem it my duty to inform you that if the policy of Texas in relief matters is not set forth in a specific bill within the next week, I am fearful of results.

I call your attention to the fact that I have heretofore sent you a bill complete within its provisions for the issuance of these relief bonds. If this bill is passed substantially in its present form, then I am willing to assume the responsibility for meeting our condition. If the bill is not passed and valuable time is used in the discussion of other plans and bills, then the responsibility is yours. Only the seriousness and the gravity of the situation impels me to make these observations for your information, and I trust they will be received in the spirit in which they are advanced.

Respectfully submitted,

MIRIAM A. FERGUSON,
Governor of Texas,
