DIGEST

Currently, the juvenile board (board) of Hays County is composed of the county judge, the Hays County district judges, the judge of the county court at law, and the county attorney. The commissioners court is allowed to pay juvenile board members additional annual compensation of not more than \$300. C.S.S.B. 1938 alters the make-up of the board by removing two non-resident district judges and including the district judge of the 22nd judicial district, the judges of the county court at law, the county sheriff, and the criminal district attorney, in an effort to make all of the board members residents of Hays County. In addition, this legislation allows the commissioners court to pay the board members additional annual compensation at its own discretion.

PURPOSE

As proposed, C.S.S.B. 1938 establishes provisions regarding the Hays County juvenile probation department.

RULEMAKING AUTHORITY

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
