DIGEST

Currently, the Texas Family Code authorizes the attorney general to contract with one statewide organization whose individuals have the expertise in the dynamics of child abuse and neglect and experience in operating volunteer advocate programs to provide training, technical assistance, and evaluation services for the benefit of local volunteer advocate programs. This bill provides for the creation of special license plates for motor vehicles in recognition of children. The proceeds from the sale of these license plates would be deposited in a fund that would benefit the statewide organization that contracts with the attorney general to provide volunteer advocates for children.

PURPOSE

As proposed, S.B. 460 requires the Department of Transportation to issue a specially designed volunteer advocate program license plate to persons who apply and pay applicable fees.

RULEMAKING AUTHORITY

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
