### **DIGEST**

Currently, Article 6687-9a, V.T.C.S., the Vehicle Storage Facility Act, sets forth the guidelines regarding certain abandoned vehicles held by a vehicle storage facility. This bill would authorize the operator of a vehicle storage facility to dispose of a vehicle after the 61st day the notice is sent to the owner of the vehicle at a public sale without having to obtain a release or discharge of any lien on the vehicle.

### **PURPOSE**

As proposed, S.B. 855 authorizes the disposal of certain abandoned vehicles by a vehicle storage operator.

### **RULEMAKING AUTHORITY**

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.

Authorizes an operator entitled to dispose of a vehicle under this section to sell the vehicle at a public sale without being required to obtain a release or discharge of any lien on the vehicle. Requires the proceeds from the sale of the vehicle to be applied to the charges incurred for the vehicle under Section 14 of this Act. Requires the operator to pay excess proceeds to the person entitled to them.
