### **DIGEST**

The juvenile board of Duval County (board), which will oversee the new county juvenile justice facility opening in 1999, needs an additional member to increase local participation and facilitate a quorum. Additionally, the statute governing the board should be specific to Duval County. This bill would add a citizen member selected by the county judge and district judge to the Duval County Juvenile Board and would establish the new member's term of office, designate the board chair, set a salary range for board members, and require the board to appoint an advisory council.

### **PURPOSE**

As proposed, H.B. 3821 adds a citizen member selected by the county judge and district judge to the Duval County Juvenile Board (board) and establishes the new member's term of office, designates the board chair, sets a salary range for board members, and requires the board to appoint an advisory council.

### **RULEMAKING AUTHORITY**

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
