### **DIGEST**

Currently, the citizens of Sanderson take significant pride in the Echinocereus, Mammillaria, Opuntia, and other varieties of cacti which earn widespread acclaim among cactus experts and aficionados throughout the United States. In fact, Sanderson is home to the annual Prickly Pear Pachanga, a celebration of the myriad cacti which populate Terrell County featuring cactus-themed food, folklore, and costumes. This legislation formally recognizes the community of Sanderson for the sturdy, resilient plant that has become representative of citizens of this area who, like tough-spirited cacti, manage to blossom brilliantly in time of necessity.

### **PURPOSE**

As proposed, S.C.R. 1 submits the following resolutions:

That the city of Sanderson in Terrell County is declared to be the Cactus Capital of Texas.

That an official copy of this resolution be prepared for prominent display in the city of Sanderson.
