DIGEST AND PURPOSE

Current law allows a disabled person to receive one set of disabled person license plates for each vehicle owned by the person. However, some disabled persons own more than one vehicle and need more than one set of license plates. H.B. 3338 entitles certain permanently disabled persons to obtain two sets of disabled person license plates for vehicles operated by or used for the transportation of the person.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
