### **DIGEST AND PURPOSE**

Under current Texas law, a driver with a learner's permit may operate a vehicle while accompanied by a licensed driver 18 years of age or older. There are no provisions prohibiting the accompanying licensed passenger from sleeping while the driver, with a learner's permit, operates the vehicle. As proposed, S.B. 1195 requires a driver with a learner's permit to be supervised by a licensed driver 18 years of age or older in order to operate a vehicle by adding provisions making it an offense for the accompanying licensed passenger to sleep, be intoxicated, or engage in an activity that prevents the passenger from observing and responding to the actions of the driver of the vehicle.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
