DIGEST AND PURPOSE

As proposed, S.B. 1454 creates the Food for Health Advisory Council (council) under the Texas Agriculture Code. The purpose of the council is to develop better coordination among food for health research programs in Texas, including research to create more nutritious produce and to assist in improved utilization of these programs by fruit and vegetable growers and state agencies. The council will promote increased consumption of Texas fruits and vegetables, specifically as it relates to the benefit of avoiding heart disease, stroke, atherosclerosis, diabetes mellitus, periodontal disease, certain kinds of cancer, obesity, and other nutrition-related diseases. The council will focus on enhancing the health benefits of fruit and vegetables grown in Texas, developing and disseminating health messages to the public, providing health benefit training and education, and assisting with applied research for growers.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Title 3, Agriculture Code, by adding Chapter 50A, as follows:

CHAPTER 50A. TEXAS FOOD FOR HEALTH ADVISORY COUNCIL

Sec. 50A.001. **PURPOSE.** Provides that the purpose of the Texas Food for Health Advisory Council is to coordinate food-for-health programs in this state, promote the use of food-for-health research programs by fruit and vegetable growers and state and federal agencies, promote increased consumption of fruits and vegetables grown in this state, and coordinate research in an effort to produce more nutritious fruits and vegetables.
