### **DIGEST AND PURPOSE**

The electric utility restructuring legislative oversight committee was created to oversee the implementation of S.B. 7, 76th Legislature. The recent structural changes in the House of Representatives and the Senate has caused the responsibility for oversight of S.B. 7 to shift. As proposed, S.B. 1104 makes the chair of the Senate Committee on Business and Commerce and the chair of the House Committee on Regulated Industries the joint chairs of the electric utility restructuring legislative oversight committee per those structural changes.
