### **DIGEST AND PURPOSE**

Currently, the Texas Alcoholic Beverage Commission (TABC) only accepts applications for original or renewal licenses or permits through the mail. Accepting applications through the Internet may facilitate the application process. As proposed, S.B. 1251 allows TABC to enter into an agreement with another agency to provide for the issuance or original or renewal licenses or permits electronically, including through the Internet. This bill also authorizes TABC to charge a reasonable service fee to those who use the electronic or Internet service and prohibits charging a service fee to those applicants who choose not to utilize the electronic or Internet method.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

### **SECTION BY SECTION ANALYSIS**
