DIGEST AND PURPOSE

Currently, there are numerous statutes representing figures of historical importance on the campus of The University of Texas at Austin. Some feel that the campus environment would be more accommodating and more reflective of current conditions in Texas if the existing statutes were joined by ones representing additional figures of historical significance. Recently, the student body of the University of Texas at Austin approved a referendum calling for the creation of \$2 fee per semester, to be used to construct statues of Barbara Jordan and Cesar Chavez and to establish scholarship funds in their names. As proposed, S.B. 1443 authorizes The University of Texas System board of regents to charge and collect a \$2 per semester fee for those purposes.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
