DIGEST AND PURPOSE

Current law does not specify that a member of the governing body of a state agency or state officer who governs a state agency may not receive compensatory time under this subchapter or another state statute. As proposed, S.B. 89 would add a new section to current legislation to clarify the guidelines for salary amounts, overtime, and compensatory time for state officials.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to any state officer, institution, or agency.

Prohibits a member of the governing body of a state agency or a single state officer who governs a state agency from accruing compensatory time under this subchapter or another state statute.

SECTION 2. Effective date: September 1, 2003.
