### AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

The 78th Legislature, Regular Session, 2003, enacted H.B. 2095, allowing employers in the same type of business and belonging to a bona fide Texas trade association to join together to self-insure for workers' compensation. That legislation established the Texas Group Self-Insurance Guaranty Association Advisory Committee (committee) to make recommendations about the establishment of a guaranty association to provide for the payment of workers' compensation benefits for the injured employees if a group becomes insolvent.

The committee consisted of a representative appointed by the commissioner of the Texas Department of Insurance, a member of the Texas Workers' Compensation Commission representing wage-earners, the public counsel of the Office of Public Insurance Counsel, and three representatives of groups certified by the Texas Department of Insurance under provisions of Chapter 407A, Labor Code. The committee met four times to consider whether to recommend a guaranty fund and, if so, how it should be structured.

H.B. 1353 incorporates the unanimous recommendations of the committee, as reflected in the *Report of Recommendations by the Texas Group Self-Insurance Guaranty Association Advisory Committee*. This bill creates the Texas Self-Insurance Group Fund (fund) funded by contributions from groups certified under Chapter 407A, Labor Code. The fund will be governed by a board provided for in the bill and be responsible for ensuring the payment of workers' compensation benefits in the event a group becomes insolvent.

### RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
