### **AUTHOR'S/SPONSOR'S STATEMENT OF INTENT**

Under current law, county officials are required to prepare, in the manner prescribed by the Office of Court Administration (OCA), an annual copy of all rules and forms that describe the procedures used to provide indigent defendants with counsel. After compiling this information, counties must submit this information to the OCA. The Task Force on Indigent Defense is in a better position to gauge how the information should be presented and compiled.

H.B. 1701 transfers these duties from the OCA to the task force and requires this information to be compiled biennially, rather than annually. It also allows a retired district judge to serve on the task force and enhances the requirements for counsel representing indigent defendants in capital cases.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
