AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

Current law provides for promotion procedures for fire fighters and police officers. Within these procedures are vague provisions relating to the application of seniority points applied after a person takes a written examination. Also, the date a vacancy occurs in a non-entry position is not defined in Chapter 145, Local Government Code. Furthermore, courts have recently created a distinction between "disciplinary" and "non-disciplinary" passovers.

As proposed, S.B. 1050 clarifies that the award of seniority points after a person takes a promotional examination is made if the person scores a 70 or above, and defines that a vacancy occurs in a non-entry position on the date a person resigns, retires, dies, or is promoted to a higher classification or is indefinitely suspended. Finally, S.B. 1050, clarifies the appeal options available to a fire fighter or police officer, when appealing a promotional passover.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends section 143.033(c), Local Government Code, to require the grade that must be placed on the eligibility list for each police officer or fire fighter, unless a different procedure is adopted under an alternate promotional system as provided by Section 143.035 (Alternate Promotional System in Police Department), to be computed by adding the applicant's points for seniority to the applicant's grade on the written examination, but only if the applicant scored a passing grade on the written examination. Makes conforming changes.

SECTION 2. Amends Sections 143.036(a) and (f), Local Government Code, as follows:

(a) Provides that a vacancy in a position described by this subsection occurs on the date the position is vacated in one of several certain ways.

(f) Requires the department head to file in writing the reason for not appointing an eligible promotional candidate and to provide the person being bypassed with a copy of the written notice. Provides that on application of the bypassed eligible promotional candidate, the reason the department head did not appoint that person is subject to review by the Fire Fighters and Police Officers Civil Service Commission (commission) or, on the written request of the person being bypassed, by an independent third party hearing examiner under Section 143.057.

SECTION 3. Amends Section 143.057(a) Local Government Code, to require the written notice for a promotional bypass or the letter of disciplinary action, as applicable, issued to a fire fighter or police officer, in addition to the other notice requirements prescribed by this chapter, to state that in an appeal of an indefinite suspension, a suspension, a promotional bypass, rather than passover, or a recommended demotion, the appealing fire fighter or police officer may elect to appeal to an independent third party hearing examiner instead of the commission.

SECTION 4. Makes application of this Act in regard to a promotional examination and a promotional bypass prospective.

SECTION 5. Effective date: September 1, 2005.
