Requires a regular election for directors to be held on the uniform election date in May of each year to elect the appropriate number of directors, rather than the first Saturday in April. Requires that notice of an election to be published in a newspaper of general circulation in the area of the district in accordance with Section 4.003, Election Code, rather than one time at least 20 days before the election. this subsection. Requires that a vacancy created by a resignation be filled as provided by Subsection (d).
