Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, the governor is responsible for appointing regional presiding judges with the advice and consent of the senate. However, the Texas Supreme Court is much more aware of the needs and issues of the judiciary system and would be better suited to appoint these positions. Additionally, allowing the chief justice of the Texas Supreme Court to appoint regional presiding judges would improve the line of communication between the various tiers of courts.

C.S.S.B. 1556 requires the chief justice of the Texas Supreme Court, rather than the governor, to appoint regional presiding judges.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to any state officer, institution, or agency.
